lovers of all ages, and provide many hours of fun creating cute and kitschy cat-inspired items--the perfect handmade gifts with lots of purr-sonality. *Engineering for Cats* Page Street Publishing For cat-crazy crafters, these 35 unique projects are absolutely purr-fect! Sweet and trendy, creative and fun to make, the crafts are divided into four sections--accessories, apparel,

home, and party. Projects range from a kitty clutch wallet and cat print jeans to kitty-shaped coasters and cat-themed tablecloth. Each project includes easy-to-follow step-by-step photography as well as an overview of the tools and materials used in the book and all necessary templates. *Pom-Pom Kitties* Chronicle Books Learn to recycle Rover into beautiful garments and accessories as

the authors teach you this wacky new spin on an old craft. Knitting with Dog Hair is the definitive guide to putting on the dog! In this tip-filled, easy-to-use book, the authors tell: -How to make Afghan or a beret from your Beagle: you pet can yield yarn -How to collect, clean, and store your pooch's fur - How to modify your patterns to accommodate pet-spun yarn -How to find experienced pet hair

spinners, a guide to resources and suppliers From mittens from a Malamute to caps from a Collie, this illustrated guide is the creative answer to that vexing shedding problem. This fetching book is certain to be this year's best in show! *Create This Book* Ballantine Books From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty,

practical guide to 200 difficult professional conversations —featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book,

she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your

cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you

work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager

column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but

firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Your cat will be the belle of the furball as they transform into a spooky witch, a magical unicorn, a snuggly snail, or even Sherlock Holmes! *Knitting with Dog Hair* Random House Digital, Inc. A heartfelt, funny memoir about how a

kitten rescue project changed one cynic's life... Journalist Heather Green was finally putting down roots: in shiny, buzzing Manhattan. She loved her work and threw herself into sixty-hour weeks—once walking into a subway pole, getting a concussion, and still going to the office. Her new boyfriend Matt lived across the river in a New Jersey town that had none of the glamour of New York. She liked Matt—a

lot—yet she wasn't sure what to make of weekends in gritty, dilapidated Union City. But things changed the summer morning Heather discovered a beautiful stray cat and her three black-and-white kittens in Matt's neighbor's backyard. When she made eye contact with one of the kittens, she felt something she'd never felt before. She and Matt had to save the little

animals. Because if they didn't, who would? The crazy world of cat rescue soon drew Heather in. As she and Matt worked together to figure out how to trap, tame, and find homes for their foundlings, she began to question the life she had back in Manhattan. This is the story of how three furry beings taught one woman about love, community, and what truly matters in life.

Cat-Hair Hats for Cats Titan Publishing Company Old School Photography is a must-have modern manual for learning how to create great

photographs with a 35mm film camera. Famed YouTube personality Kai Wong expertly and humorously shares 100 essential tips for selecting and using film cameras, shooting with film and various lenses, and employing specific techniques to ensure you can get great results quickly. Known for his breadth of knowledge and quick wit, Kai Wong delivers an informative

and entertaining read on how to take great film photos. • An informative and entertaining read on how to take great film photos • A must-have guide for those new to old-school film techniques • A much-needed book for the current resurgence of vintage 35mm film cameras Renewed interest in film photography has surged in the past few years, both among those rediscovering their past passion and

those discovering it for the first time. Vintage cameras that had previously lost their value are now often worth more than they first sold for due to high demand amongst enthusiasts, students, and collectors. Film manufacturers have even started reissuing long discontinued stocks—for example, Kodak's much-loved and recently re-released classic Ektachrome slide film. In

our modern world, billions of people have access to instantaneous photography on their mobile phones, but as a result there has been a resurgent desire for a more tactile, physical, unaltered, and thus honest medium. Much of which, ironically, ends up on the internet, with photography fans and influencers sharing their images across Instagram, Flickr, YouTube, and the like. More

so than with digital photography, film photography requires a sense of craft, skill, patience, technical knowledge, and a trial-and-error process that results in a greater sense of accomplishment. Old School Photography is both enlightening and humorous, and attracts a new generation of fans who are eager to experiment with film cameras, make prints,

and post their film photographs online.
