The Passion of Artemisia Disney
Electronic Content

"Susan Vreeland set a high standard with *Girl in Hyacinth Blue*.... *The Passion of Artemisia* is even better.... Vreeland's unsentimental prose turns the factual *Artemisia* into a fictional heroine you

won't soon forget." —People A true-to-life novel of one of the few female post-Renaissance painters to achieve fame during her own era against great struggle. Artemisia Gentileschi led a remarkably "modern" life. Vreeland tells Artemisia's captivating story, beginning with her public humiliation in a rape trial at the age of eighteen, and continuing through her father's betrayal, her marriage of convenience, motherhood, and growing fame as an artist. Set against the glorious backdrops of Rome, Florence, Genoa, and Naples, inhabited by historical characters such as Galileo and Cosimo de' Medici II, and filled with rich details about life as a seventeenth-century painter, Vreeland creates an inspiring story about one woman's lifelong struggle to reconcile career and

family, passion and genius.

SHORTLISTED FOR THE GUARDIAN FIRST BOOK AWARD 2015 SHORTLISTED FOR THE SUNDAY TIMES/PETERS FRASER & DUNLOP YOUNG WRITER OF THE YEAR AWARD LONGLISTED FOR THE BAILEYS WOMEN'S PRIZE FOR FICTION 2015 The Shore. A collection of small islands sticking out from the coast of Virginia into the Atlantic Ocean that has been home to generations of fierce and resilient women. Sanctuary to some but nightmare to others, it's a place they've

inhabited, fled, and returned to for hundreds of years. The women are united by both small miracles and miseries: from a brave girl's determination to protect her younger sister as methamphetamine ravages their family, to a lesson in summoning storm clouds to help end a drought. Their interconnected stories form a deeply affecting legacy of two island families bound not just by blood, but by fate.

Like Ariosto's Orlando Furioso and Tasso's Jerusalem Delivered, Boiardo's chivalric stories of lords and ladies first entertained the culturally innovative court of Ferrara in the Italian Renaissance. Inventive, humorous, inexhaustible, the story recounts Orlando's love-stricken pursuit of "the fairest of her Sex, Angelica" (in Milton's terms) through a fairyland that combines the military valors of Charlemagne's knights and their famous horses with the enchantments of King Arthur's court. Today it seems more than ever appropriate to offer a new, unabridged edition of Boiardo's Orlando Innamorato,

the first Renaissance epic about the common customs of, and the conflicts between, Christian Europe and Islam. Having extensively revised his earlier translation for general readers, Charles Ross has added headings and helpful summaries to Boiardo's cantos. Tenses have been regularized, and terms of gender and religion have been updated, but not so much as to block the reader's encounter with how Boiardo once viewed the world. Charles Stanley Ross has degrees from Harvard College and the University of Chicago and teaches English and comparative literature at Purdue University. "Neglect of Italian romances robs us of a whole species of pleasure and narrows our very conception of literature. It is as if a man left out Homer, or Elizabethan drama, or

the novel. For like these, the romantic epic of Italy is one of the great trophies of the European genius: a genuine kind, not to be replaced by any other, and illustrated by an extremely copious and brilliant production. It is one of the successes, the undisputed achievements." -C. S. Lewis

Night of the Bats! (Minecraft

Woodsword Chronicles #2) Penguin

Winner of the 2011 Newbery Award. The movement of the train rocked me like a lullaby. I closed my eyes to the dusty

countryside and imagined the sign I'd seen only in Gideon's stories:

Manifest—A Town with a rich past and a bright future. Abilene Tucker feels abandoned. Her father has put her on a train, sending her off to live with an old friend for the summer while he works a railroad job. Armed only with a few possessions and her list of universals, Abilene jumps off the train in Manifest, Kansas, aiming to learn about the boy her father once was. Having heard stories about Manifest, Abilene is disappointed to find that it's just a dried-up, worn-out old town. But her disappointment quickly turns to excitement when she discovers a hidden cigar box full of mementos, including some old letters that mention a spy known as the Rattler. These mysterious

letters send Abilene and her new friends, Lettie and Ruthanne, on an honest-to-goodness spy hunt, even though they are warned to “Leave Well Enough Alone.” Abilene throws all caution aside when she heads down the mysterious Path to Perdition to pay a debt to the reclusive Miss Sadie, a diviner who only tells stories from the past. It seems that Manifest’s history is full of colorful and shadowy characters—and long-held secrets. The more Abilene hears, the more determined she is to learn just what role her father played in that history. And as Manifest’s secrets are laid bare one by one, Abilene begins to weave her own story into the fabric of the town. Powerful in its simplicity and rich in historical detail, Clare Vanderpool’s debut is a gripping story of

loss and redemption.

Hieronymus Bosch Random House Books for Young Readers

Translated by E. M. Macierowski

Originally published in French, de Lubac’s four-volume study of the history of exegesis and theology is one of the most significant works of biblical studies to appear in modern times. Still as relevant and luminous as when it first appeared, the series offers a key resource for the renewal of biblical interpretation along the lines suggested by the Second Vatican Council in *Dei Verbum*. This second volume, now available for the first time in English, will fuel the currently growing interest in the history and Christian meaning of exegesis.

A whimsical and imaginative catalog of fantastical beasts and creatures of myth and legend from around the world—complete with a code that needs cracking to uncover the mystery of the monster atlas! One day a collection of very old maps is found in a dusty library. They show where in the world monsters and creatures from mythology and folklore can be found. According to the notes left with the maps, they were made by Cornelius Walters, an intrepid

explorer from the 15th century. But did Walters really make these elaborate maps, or is it all a hoax? The librarian who discovered them is not certain . . . and what are the strange messages in a cryptic code that Walters records in his ship's log? The codes throughout, once cracked, may indeed lead to something sinister that will happen should the atlas ever be published! This is a gorgeously illustrated and comprehensive catalog of monsters, beasts, and mythical creatures from around the globe, with an easy-to-read format and incredible detail on each spread.

The Ocean and the Boy Penguin UK

Prepare to enter twelve magical, mythological worlds full of an incredible array of gods, monsters, heroes, tricksters, and fantastical beasts! This

atlas of mythology shows how twelve extraordinary cultures saw the world. For some, it was a giant tree or an upside-down mountain, while others believed they were living on the back of a giant turtle! Children will be fascinated as they travel the world and discover what cultures such as the Greeks, Egyptians, Hindus, Norse, Polynesian, Aztecs, and many more believed.

Born in Imperia in 1945, Giuseppe Conte is one of the most important and powerful voices in Italian literature today. A talented and versatile writer, he has published numerous books of poetry, novels, criticism, essays, and plays. He has received major literary prizes (including the Premio Montale) and has translated into Italian the works of Shelley, D.H. Lawrence and Walt Whitman. He has traveled extensively, has visited the United States to present his poetry, and now lives in Imperia, Italy, and in Nice, France. *The Ocean and the Boy*, Conte's first full-length book of poetry, is written in an intensely personal style, fusing myth and everyday reality. In this dual-language edition, the first English translation of a

complete poetry book by Conte, the editor-translator, Italian-born poet Laura Stortoni, has included a translator's note, biographical and bibliographical data, endnotes and an introduction by Italo Calvino.

In a crowded two-bedroom apartment in Tokyo, four Japanese twenty-somethings are waiting for their lives to begin. They have come from all over Japan, bringing with them dreams of success and romance, but life isn't exactly going as planned. Kotomi waits by the phone for a boyfriend who never calls, Ryosuke is sleeping with his best friend's girlfriend, and Mirai's drinking has become a

serious problem. Only Naoki, an aspiring filmmaker and the glue that keeps them all together, seems to be on the right track. Meanwhile, their next door neighbors are up to something suspicious, and a mysterious attacker is terrorizing the neighborhood. When a homeless teenager suddenly appears, his arrival sets off a chain of events that will bring to light dark secrets the tenants of Apt. 401 have kept from one another—and from themselves. Parade—from Shuichi Yoshida (“Japan’s Stieg Larsson” —The Wall Street Journal), the wildly popular author of Villain—is a shocking story of life in the big city.
