India has a rich literary assemblage produced by its many different regional traditions, religious faiths, ethnic subcultures and linguistic groups. The published literature of the 20th century is a particularly interesting subject and is the focus of this book, as it represents the provocative conjuncture of the transitions of Indian modernity. This reference book surveys the major regional literatures of contemporary India in the context of the country's diversity and heterogeneity. Chapters are devoted to particular regions, and the arrangement of the work invites comparisons of literary traditions. Chapters provide extensive bibliographies of primary works, thus documenting the creative achievement of numerous contemporary Indian authors. Some chapters cite secondary works as well, and the volume concludes with a list of

general works providing further information. An introductory essay overviews theoretical concerns, ideological and aesthetic considerations, developments in various genres, and the history of publishing in regional literatures. The introduction provides a context for approaching the chapters that follow, each of which is devoted to the literature of a particular region. Each chapter begins with a concise introductory section. The body of each chapter is structured according to social and historical events, literary forms, or broad descriptive or analytic trends, depending on the particular subject matter. Each chapter then closes with an extensive bibliography of primary works, thus documenting the rich literary tradition of the region. Some chapters also cite secondary sources as an aid to the reader. The final chapters of the book address special topics, such as sub-cultural literatures, or the interplay between literature and film. A list of additional sources of general information concludes the volume.

"I feel a woman is most attractive when she surrenders to her man. She is incomplete without a man," averred Kamala Das shortly before her death in May, 2009. One of the most controversial and celebrated Indian authors, she combined in her writings rare honesty and sensitivity, provocation and poignancy. The Kept Woman and Other Stories explores the man-woman relationship in all its dimensions. Deprived, depraved, mysterious, mystical and exalted, each character, culled from experience and observation, is an incisive study of love, lust and longing.

Padmavati the Harlot & Other Stories Penguin UK

One of the pioneers of feminist writing in India, Kamala Das is known for her provocative writing on female sexuality and desire. Padmavati the Harlot and Other Stories includes some of her very best fiction. In 'A Little Kitten', a newly married woman finds her life turning dull and insipid as the tedium of marriage begins to settle in. An old woman believes she is a princess and is delighted to be courted by three suitors in 'The Princess of Avanti'. A man realizes, too late, that he is in love with the woman he is breaking up with in 'The Sea Lounge'. In these and other stories, Kamala Das is bold and unflinching in her exploration of themes such as violence, desire, sex, marriage, family, communalism, and death.

The powerful memory of a former love rules Radhika's inner world as she builds a small-time practice in law, and attempts normalcy in a marriage she neither wanted nor resisted. Raped at age ten, raped again as a young collegiate, she is abandoned twice: first by her father and later by Christy, who loved her, but takes her through a wedding ceremony only to leave her later the same day. When Christy returns sixteen years later, shattered and unstable, the burnt and withered roots of love bloom again. Trauma, betrayal, and loneliness are the colors that paint this picture of physical and emotional violence that Radhika endures.

'Pyre glows with as much power as [One Part Woman] did, and adds immeasurable value to contemporary Indian literature'—The Hindu Saroja and Kumaresan are in love. After a hasty wedding, they arrive in Kumaresan's village, harboring a dangerous secret: their marriage is an inter-caste one, likely to upset the village elders should they get to know of it. Kumaresan is naively confident that all will be well. But nothing is further from the truth. Despite the strident denials of the young couple, the villagers strongly suspect that Saroja must belong to a different caste. It is only a matter of time before their suspicions harden into certainty and, outraged, they set about exacting their revenge. A devastating tale of innocent young love pitted against chilling savagery, Pyre conjures a terrifying vision of intolerance.

The vibrant media landscape in the southern Indian state of Kerala, where kiosks overflow with magazines and colorful film posters line roadside walls, creates a sexually charged public sphere that has a long history of political protests. The 2014 “Kiss of Love” campaign garnered national attention, sparking controversy as images of activists kissing in public and dragged into police vans flooded the media. In *Unruly Figures*, Navaneetha Mokkil tracks the cultural practices through which sexual figures—particularly the sex worker and the lesbian—are produced in the public imagination. Her analysis includes representations of the prostitute figure in popular media, trajectories of queerness in Malayalam films, public discourse on lesbian sexuality, the autobiographical project of sex worker and activist Nalini Jameela, and the memorialization of murdered transgender activist Sweet Maria, showing how various marginalized figures stage their own fractured journeys of resistance in the post-1990s context of globalization. By bringing a substantial body of Malayalam-language literature and media texts on gender, sexuality, and social justice into conversation with current debates around sexuality studies and transnational feminism in Asian and Anglo-American academia, Mokkil reorients the debates on sexuality in India by considering the fraught trajectories of identity and rights.

Sex workers are free in four respects: we don't have to cook for a husband; we don't have to wash his dirty clothes; we don't have to ask for his permission to raise our kids as we deem fit; we don't have to run after a husband claiming rights to his property.?

Fiery, outspoken and often wickedly funny, this candid account of one woman's life as a sex worker in Kerala became a bestseller when it was first published in Malayalam. Nalini Jameela, who takes her name from both Hindu and Muslim traditions, worked as a child in the clay mines. She has been a wife, mother, successful business woman and social activist ? as well as a sex worker ? at different stages of her life. This is Nalini Jameela's story, told in

her inimitably honest and down- to-earth style, of her search for dignity, empowerment and freedom on her own terms.

Najeeb's dearest wish is to work in the Gulf and earn enough money to send back home. He achieves his dream only to be propelled by a series of incidents, grim and absurd, into a slave-like existence herding goats in the middle of the Saudi desert. Memories of the lush, verdant landscape of his village and of his loving family haunt Najeeb whose only solace is the companionship of goats. In the end, the lonely young man contrives a hazardous scheme to escape his desert prison. *Goat Days* was published to acclaim in Malayalam and became a bestseller. One of the brilliant new talents of Malayalam literature, Benyamin's wry and tender telling transforms this strange and bitter comedy of Najeeb's life in the desert into a universal tale of loneliness and alienation.

Perhaps the only novel to have been reprinted nearly every year for over a hundred years, Indulekha (1889) is widely held to be the first Malayalam novel. Often called an 'accidental' and 'flawed' work, at its core lies a love story. The setting of the novel is the

Nair community of Kerala, which had for centuries practised polyandrous matriliney, a most unusual form of inheritance through the woman whom both property and authority flavoured. It gives us glimpses of prevalent social practices much debated amongst a people already under colonial pressure to change their ways of life. Written by a Nair, Indulekha is not a grandiose outpouring but the author's effort to achieve certain social goals: firstly, to create a novel much like those of the English authors he had read, and secondly, to illustrate Nair society at that time, both of which met with success. The novel influenced the deliberations of the Malabar Marriage Commission which it predated, and of which Chandum enon was a member. This novel will appeal to general readers interested in Indian writings in translation. Students of literature, history and culture, political and legal theory, and gender studies, will also find it useful.
