DALTON GAEL

Custard the Dragon and the Wicked Knight Houghton Mifflin
Harcourt

What happens when a sheepish knight and a not-so-fierce dragon fight for the very first time? Well, it's no ordinary battle since the knight has to go to the castle library to learn about dragon-fighting and the dragon must dig through his ancestor's things to find out how to fight a knight! "Spontaneity of line and feeling are backed by zesty colors and a jovial, tongue-in-cheek tone to which children can relate—a top springtime choice." —Booklist
"There's a swirl of good-humored life to the book." —The New

There Was An Old Dragon Who Swallowed A Knight Penguin UK
The Wild Knight and other poems by G. K. Chesterton. Over 50 of Chesterton's poems, plus the poem and play "The Wild Knight."
Gilbert Keith Chesterton (29 May 1874 - 14 June 1936) better known as G.K. Chesterton, was an English writer, lay theologian, poet, philosopher, dramatist, journalist, orator, literary and art critic, biographer, and Christian apologist. Chesterton is often referred to as the "prince of paradox." Time magazine, in a review of a biography of Chesterton, observed of his writing style: "Whenever possible Chesterton made his points with popular sayings, proverbs, allegories—first carefully turning them inside out." Chesterton is well known for his fictional priest-detective Father Brown, and for his reasoned apologetics. Even some of

those who disagree with him have recognized the universal appeal of such works as *Orthodoxy* and *The Everlasting Man*. Chesterton, as a political thinker, cast aspersions on both Progressivism and Conservatism, saying, "The whole modern world has divided itself into Conservatives and Progressives. The business of Progressives is to go on making mistakes. The business of the Conservatives is to prevent the mistakes from being corrected." [6] Chesterton routinely referred to himself as an "orthodox" Christian, and came to identify this position more and more with Catholicism, eventually converting to Roman Catholicism from High Church Anglicanism. George Bernard Shaw, Chesterton's "friendly enemy" according to *Time*, said of him, "He was a man of colossal genius." Biographers have identified him as a successor to such Victorian authors as Matthew Arnold, Thomas Carlyle, John Henry Cardinal Newman, and John Ruskin.

A Study of Children's Choices in Poetry Little, Brown Books for Young Readers

"A stirring, accessible introduction to Gwendolyn Brooks and a must-have for all elementary collections." —School Library Journal (Starred review) "The combination of biography and

Brooks' own poems makes for a strong, useful, and beautiful text . . . A solid introduction to a brilliant writer"—Kirkus. Acclaimed writer Alice Faye Duncan tells the story of poet Gwendolyn Brooks, the first Black author to win the Pulitzer Prize. SING a song for Gwendolyn Brooks. Sing it loud—a Chicago blues. With a voice both wise and witty, Gwendolyn Brooks crafted poems that captured the urban Black experience and the role of women in society. She grew up on the South Side of Chicago, reading and writing constantly from a young age, her talent lovingly nurtured by her parents. Brooks ultimately published 20 books of poetry, two autobiographies, and one novel. Alice Faye Duncan has created her own song to celebrate Gwendolyn's life and work, illuminating the tireless struggle of revision and the sweet reward of success.

This silly tale is perfect for reading aloud, with rollicking rhymes that will have both children and parents giggling.

"Hayes leaves resonance cleaving the air." —NPR In these works based on his Bagley Wright lectures on the poet Etheridge Knight, Terrance Hayes offers not quite a biography but a compilation "as speculative, motley, and adrift as Knight himself." Personal yet

investigative, poetic yet scholarly, this multi-genre collection of writings and drawings enacts one poet's search for another and in doing so constellates a powerful vision of black literature and art in America. The future Etheridge Knight biographer will simultaneously write an autobiography. Fathers who go missing and fathers who are distant will become the bones of the stories. There will be a fable about a giant who grew too tall to be kissed by his father. My father must have kissed me when I was boy. I can't really say. . . . By the time I was eleven or even ten years old I was as tall as him. I was six inches taller than him by the time I was fifteen. My biography about Knight would be about intimacy, heartache. Terrance Hayes is the author of *How to Be Drawn*, which received a 2016 NAACP Image Award for Poetry; *Lighthouse*, which won the 2010 National Book Award for poetry; and three other award-winning poetry collections. He is the poetry editor at the *New York Times Magazine* and also teaches at the University of Pittsburgh. *American Sonnets for My Past* and *Future Assassin* will also be forthcoming in 2018.

Etheridge Knight's first book of poetry, *Poems from Prison*, was acclaimed by poet Gwendolyn Brooks with the words "This poetry is a major announcement." Since its publication in 1968, Knight's reputation has grown steadily, and he has read his poetry throughout the nation. He has edited a collection of prison writings, *Black Voices from Prison*. *Belly Song* has as introduction a moving letter written just before Knight's release from prison. Some of the poems were written in prison, others after his release, but they all show the increasing power and sensitiveness of his often anquished poetry.
