Lessings Emilia Galotti - Primary Source Edition Kessinger Publishing

The purpose of this study is to report the reactions and criticism of those German, Swiss, and Austrian authors who commented on Lessing's Emilia Galotti from the time of its creation to the twentieth century and to note the various degrees to which it influenced writers of different personal and literary bent. It will be seen that the representatives of a given literary trend, although regarding the play primarily in the light of their own ideals, were not necessarily in accord with one another over certain of its aspects. Emilia Galotti is especially suited to this kind of investigation because it took form in an age when interest in principles of dramatic composition was particularly intense, and because it was written by a figure who was perhaps most influential in the discussions centering on them. Emilia Galotti further lends itself to this study because, despite the fact that it has remained an extremely enigmatic work, it was and continues to be a highly popular play, having been translated into at least twelve foreign languages and having also had an overture written in its honor.

Excerpt from Lessings Emilia Galotti: Edited With an Introduction and Notes The introduction assumes a general knowledge of Lessing's life and times, such as any one of the popular English biographies of Lessing would furnish. In referring to the various opinions of the critics on the disputed points of the drama, I have avoided exact citations, because I have had in mind the general point of view taken by them, rather than any individual passages. Excerpt from Emilia Galotti: Ein Trauerspiel in Fünf Aufzügen Lachmann's text of Emilia Galotti is based on the last reprint of the drama published during the lifetime of the poet. This reprint is usually designated as 1772 d, as it was preceded by three others in the same year. There exists, however, a manuscript in the poet's own handwriting (now in the possession of the Royal Library at Berlin), which in four instances offers a better text than the reprint, and which the editor has followed in the present edition. These cases are: (1) The ms. Reads non etwab anherm, while the reprint has non' etmae anhem (cf. P. 12, l. 1. (2) the ms. Has tie jungen Beute, the reprint hie innge Route (of. P. 23, l. 1. According to strict rule the adjective in the first case after etwab should be inserted according to the strong declension, in the latter case after the definite article according to the weak declension. (3) While the ms. Contains the form netbirbt, the reprint has oerberbt (of. P. 26, l. 11) for which verbitbt is now commonly used. (4) The ms. Reads ibn mifien lafien, the reprint has ibm, which is obsolete (of. P. 40, l. 1. Other variant readings of the ms., at least the principal ones, are mentioned in the notes. Finally available, a high quality book of the original classic edition of Emilia Galotti. This is a new and freshly published edition of this culturally important work by Gotthold Ephraim Lessing, which is now, at last, again available to you. Enjoy this classic work today. These selected paragraphs distill the contents and give you a quick look inside Emilia Galotti: So wie sie ihrem armen Verstande auch den ersten Stoss gegeben.-Aber was mich vornehmlich mit von ihr entfernt hat, das wollen Sie doch nicht brauchen, Marinelli, mich wieder zu ihr zurueckzubringen?-Wenn sie aus Liebe naerrisch wird, so waere sie es, frueher oder spaeter, auch ohne Liebe geworden-Und nun, genug von ihr. -Von etwas andern!-Geht denn gar nichts vor in der Stadt?-Marinelli. ...Es faellt mir ein-um diese Stunde (nach der Uhr sehend), um diese naemliche Stunde pflegt das fromme Maedchen alle Morgen bei den Dominikanern die Messe zu hoeren.-Wie, wenn ich sie da zu sprechen suchte?-Doch heute, heut an ihrem Hochzeitstage-heute werden ihr andere Dinge am Herzen liegen als die Messe.-Indes, wer weiss?-Es ist ein Gang.-[Er klingelt, und indem er einige von den Papieren auf dem Tische hastig zusammenrafft, tritt der Kammerdiener herein.] ...Welch ein Mann!-Oh, der rauhen Tugend!-wenn anders sie diesen Namen verdienet.-Alles scheint ihr verdaechtig, alles strafbar!-Oder, wenn das die Menschen kennen heisst: -wer sollte sich wuenschen, sie zu kennen?-Wo bleibt aber auch Emilia?-Er ist des Vaters Feind: folglich-folglich, wenn er ein Auge fuer die Tochter hat, so ist es einzig, um ihn zu beschimpfen? ...das war das Schlimmste, was ich besorgte.-Aber es waehrte nicht lange, so hoert ich, ganz nah an meinem Ohre-nach einem tiefen Seufzer-nicht den Namen einer Heiligen-den Namen-zuernen Sie nicht, meine Mutter-den Namen Ihrer Tochter!-Meinen Namen!-O dass laute Donner mich verhindert haetten, mehr zu hoeren!-Es sprach von Schoenheit, von Liebe-Es klagte, dass dieser Tag, welcher mein Glueck mache-wenn er es anders mache-sein Unglueck auf immer entscheide.-Es beschwor mich- hoeren musst ich dies alles. ...Ah, meine Mutter, und Sie koennen das von Ihrem Sohne argwoehnen?-Aber, es ist wahr; ich bin heut ungewoehnlich truebe und finster.-Nur sehen Sie, gnaedig Frau: -noch einen Schritt vom Ziele oder noch gar nicht ausgelaufen sein, ist im Grunde eines.-Alles was ich sehe, alles was ich hoere, alles was ich traeume, prediget mir seit gestern und ehegestern diese Wahrheit.

The Dramatic Works of G.E. Lessing Miss Sara Sampson, Philotas, Emilia Galotti, Nathan the Wise Literary Licensing, LLC

Gotthold Ephraim Lessing (1729-1781) was a German writer, philosopher, dramatist, publicist, and art critic, and one of the most outstanding representatives of the Enlightenment era. His plays and theoretical writings substantially influenced the development of German literature. Today his works appear as prototypes of the later developed bourgeois German drama. "Miss Sara Sampson" and "Emilia Galotti" are seen as the first bourgeois tragedies, "Minna von Barnhelm" as the model for many classic German comedies.

Essay from the year 2018 in the subject Literature - Comparative Literature, grade: 1,3, Cardiff University, course: German literature, language: English, abstract: "He had drunk only one glass of the wine. Emilia Galotti lay open on his desk" (Goethe 2004). When Werther commits suicide at the end of Goethe's novel *Die Leiden des jungen Werther*, Lessing's play *Emilia Galotti* lies next to him on his desk. The fact that it is opened, lets the reader assume that Werther had read the book, perhaps just moments before his suicide. It makes it seem of importance to Werther and it might have been relevant for his decision to commit suicide. But that is just one assumption which can be made. For the reader, it is interesting to know what Goethe wanted to tell us by including Lessing's work in his novel. It does not seem much of a coincidence that Lessing's work appears at the most important scene of the novel. This leads to the question this essay is concerned with. What is the relevance of Lessing's play for Goethe's novel? Did Lessing's play influence Goethe or is he actually criticizing Lessing by including the play in his novel? And going even further: What is the relevance

Not illustrated. 1895 edition. Excerpt: ... do so. In the final scene between Odoardo and Emilia, we so well understand their characters and the state of mind of each at that time, that the catastrophe seems to be inevitable. A careful analysis of the events leading up to the catastrophe, shows throughout the same dramatic necessity. So, for example, we know very well why the prince neglects to read the letter of Orsina, in which she begged him for an interview in Dosalo. We also understand why he cannot help rushing to church ana speaking to Emilia, contrary to his promise to Marinelli. If he were a more calculating libertine, he would have carried out his agreement with Marinelli and gone immediately to Dosalo, but in that case the action of our drama would have been impossible. Again, Orsina acts in full conformity with her character, when feeling herself abandoned by the prince, she hires spies to watch all his movements and thus finds out who her rival is. Then, thinking that the prince went to Dosalo because he read her note, she appears there, and being refused the desired interview, she eagerly seizes the first opportunity to avenge herself upon him, discloses to Odoardo the plot, and gives him the dagger. Or, to choose another example, what is more natural for a woman like Claudia than to wish to live for a time near the court, to be presented to the prince, and to feel flattered by his attentions to her daughter? If she were a somewhat wiser mother, the first meeting of Emilia and the prince could never have taken place. When Claudia finally realizes the mistake she has committed in introducing Emilia to the prince, she must urge her to say nothing to Appiani of the meeting in church. And yet, if Appiani had been informed of this event, the action of the drama would doubtless...

Emilia Galotti Tebbo

Excerpt from *Lessings Emilia Galotti*: Edited With an Introduction and Notes by Max Winkler Emilia galotti is, as regards its structure, the maturest dramatic production of Lessing. He worked upon it, off and on, for fully fifteen years, carried it with him on all his travels, considered and reconsidered every detail, so that the drama in its final form is the product of his strongest critical and creative faculties. During these fifteen years he devoted his most serious study to the drama, and his vigorous and on the whole just attacks on the false dramatic principles then current in Germany, form one of the most heroic chapters in the literary history of that country. These attacks were not merely negative, but also established dramatic principles, most of which are as valid today as they were for Lessing's time. It is according to these principles, most fully expressed by Lessing in his *Sam burgifdx fibramaturgie*, that we shall discuss and interpret his tragedy. He wrote it with the direct intention of giving to his nation a model drama, which was to exemplify in its general outlines as well as in its minutest details all the important dramatic laws for which he so zealously contended. It is his most carefully constructed work, and there is hardly a drama in the German language which requires such close attention to the smallest touches of the poet as Emilia Galotti.
