Jesus Manifesto Kenneth Hagin Ministries

Is communion just a religious observance? Or, is it an actual connecting point with the power of Jesus Christ Himself? There is much more involved in receiving Communion than most Christians realize. How to Receive Communion provides instructions on how to receive everything Jesus bought for you on the cross 2,000 years ago.

The Secret of Prayer Faith Library Publications

This informative study guide discusses in depth the biblical characteristics of the ministry gifts -- apostle, prophet, evangelist, pastor, teacher -- and their

roles in the Body of Christ.

In His Presence Faith Library Publications Children need love. Parents need respect. It is as simple and complex as that! When frustrated with an unresponsive child, a parent doesn't declare, "You don't love me." Instead the parent asserts, "You are being disrespectful right now." A parent needs to feel respected, especially during conflicts. When upset a child does not whine, "You don't respect me." Instead, a child pouts, "You don't love me." A child needs to feel loved, especially during disputes. But here's the rub: An unloved child (or teen) negatively reacts in a way that feels disrespectful to a parent. A disrespected parent negatively reacts in a way that feels unloving to the child. This dynamic gives birth to the FAMILY CRAZY CYCLE. So how is one to break out of this cycle? Best-selling author Emerson Eggerichs has studied the family dynamic

for more than 30 years, having his Ph.D. in Child and Family Ecology. As a senior pastor for nearly two decades, Eggerichs builds on a foundation of strong biblical principles, walking the reader through an entirely new way to approach the family dynamic. For instance, God reveals ways to defuse the craziness with our children from preschooler to teen, plus how to motivate them to obey and how to deal with them when they don't. In the Bible, God has spoken specifically to parents on how to parent. This book is about that revelation.

Plead Your Case Kenneth Hagin Ministries
"So that in everything He might have the supremacy." —Colossians 1:18 Christians have made the gospel about so many things—things other than Christ. Religious concepts, ideas, doctrines, strategies, methods, techniques, formulas, "its" and "things" have all eclipsed the beauty, the glory, and the reality of the Lord Jesus Himself. On the whole, Christians today are starved for a real experience of the living Christ. We know a lot about our Lord, but we don't know Him very well. We know a lot about trying to be like Jesus, but very little about living by His indwelling life. JESUS MANIFESTO presents a fresh unveiling of Jesus as not only Savior and Lord, but as so much more. It is a prophetic call to restore the supremacy and sovereignty of Christ in a world—and a church—that has lost sight of Him. Every revival and restoration in the church has been a rediscovery of some aspect of Christ in the process of answering the ultimate question that Jesus put to His disciples: "Who do you say that I am?" Read this book and see your Lord like you've never seen Him before.

Walk with Paul as he travels to Corinth, Antioch, Ephesus and beyond. For those desiring to be a part of God's action in their churches, their communities and throughout the world, there is nothing that will help more than thoroughly understanding the book of Acts and applying what we can learn from it. Acts was designed to be God's training manual for Christians. It worked in the early church, and it works in the postmodern world. The reader's study of Acts in The Book of Acts will bring new intimacy with the Spirit and new joy in doing His will.
