Untouchable Penguin
 They're craving something sweet. She likes it spicy. Devi Malik knows how to heat things up. She does it every night as head chef in her family's Indian restaurant. Her love life, though, is stuck in the subzero freezer. Now, with a chance to fulfill a secret fantasy with her long-time crush and his brother, it's time to put her desire on the front two burners. For Marcus Callahan, a love-'em-and-leave-'em

attitude isn't only a necessary evil of their kink. It's a protective device. Lately, though, his brother Jace has been making noises about craving something more. Jace's dissatisfaction with their lifestyle grows with every glimpse of sweet little Devi. Yet Marcus is too haunted by the pain of their shared past to give love a chance. Despite their reputation for vanishing with the dawn, they discover one night with Devi isn't nearly enough. And Devi finds herself falling in love with two very different men. It'll take more than explosive sex to light up the shadows surrounding the Callahan brothers' secrets. But Devi's never been afraid of the dark...

The only thing former Coalition warriors Calder, Zed and Axon have in common are long years spent battling the Hive, and their eagerness to claim their personal reward-their own *Interstellar Bride*. When news arrives on Viken that each of the warriors has been matched, they gather at the transport station only to receive two unwelcome surprises. First, they are all matched to the same woman, and not one of them is inclined to share. Second, their mate has refused them. She won't leave Earth and transport to Viken. Won't give any of them a chance to win her heart. But these warriors will not back down from a challenge. When one states his intention to travel to Earth and retrieve his mate, the others will not allow him to make the journey alone. Their mate will be seduced. Claimed. One by one, they will tame her. Some lines should never be crossed. But sometimes the temptation is too good to resist...

Mason Black was everything to me: my father, my provider, my protector. But then one day, he vanished, leaving me lost and alone. I was devastated. Years later, just when I thought I had put the pieces of my life together, my world splintered apart again. Everything I thought I knew about my biological father and Mason's role in my life? Turns out, it was all a lie. Every. Last. Word. Now Mason's back. However, he offers no

excuses, no explanations. He just wants me to be what he claims I've always been: his little girl. But the ache inside me won't be denied. The longing I feel isn't one of a little girl who misses her father. No. I need Mason to be more than just a father figure. More than a loving protector. I need him to be my Daddy. ***Brace yourself for a twisty, forbidden romance so deliciously devious, it'll tie you up by your heartstrings and then drag you along for the ride. Like my *Quick-and-Dirty Reads*, it features a guaranteed melt-your-heart ending. But unlike those shorter stories, this is hardly a light-hearted romp. If you're a fan of very taboo older man/younger woman pairings, broody, protective Daddy figures, and contemporary Gothic vibes, then this book was tailor-made for your Kindle.
