ALANA CURTIS

Seeking God Harper
Collins

THE obligation, which
was promised to the
blessed Pope Castor in
the preface to those
volumes which with
God's help I composed
in twelve books on the
Institutes of the

Coenobia, and the
remedies for the eight
principal faults, has
now been, as far as my
feeble ability
permitted, satisfied. I
should certainly like to
see what was the
opinion fairly arrived at
on this work both by
his judgment and
yours, whether, on a
matter so profound and
so lofty, and one which
has never yet been

made the subject of a treatise, we have produced anything worthy of your notice, and of the eager desire of all the holy brethren. But now as the aforesaid Bishop has left us and departed to Christ, meanwhile these ten Conferences of the grandest of the Fathers, viz., the Anchorites who dwelt in the desert of Scete, which he, fired with an incomparable desire for saintliness, had bidden me write for him in the same style (not considering in the greatness of his affection, what a burden he placed on shoulders too weak to bear it)--these Conferences I have thought good to dedicate to you in particular, O blessed Pope, Leontius, and holy brother Helladius.

Aeterna Press
The Rule of St. Benedict CCEL
Fifteen centuries after it was written, the Rule of St. Benedict still provides a deep and practical spirituality that helps lay people cope with everyday problems and challenges.

Catechism of the Catholic Church

Penguin
A new edition of this contemporary spiritual classic in which the ancient and gentle wisdom of the Rule of St Benedict is explored in realtion to the demands of modern living and the importance of balance between prayer, work and study.

Aeterna Press
The Rule of St. Benedict is a timeless document. Written in the 6th century, The

Holy Rule is a book of precepts where St. Benedict highlights the importance of peace, prayer, work, humility and obedience. It was originally intended for use in monasteries. Although, many of the issues addressed in the book can be applied to life in the world outside the monastic community and constitute a basic guide for living the Christian life.

The 1928 Book of Common Prayer Wipf and Stock Publishers Benedict's Rule: A Translation and Commentary is the first line-by-line exegesis of the entire Rule of Benedict written originally in English. This full commentary - predominately a literary and historical criticism - is based on and includes a new

translation and is accompanied by essays on Benedict's spiritual doctrine. A monk who has striven to live according to the Rule of Benedict for thirty-five years, Father Kardong relates it to modern monastic life while examining the sources (Cassian, Augustine, and Basil) Benedict used to establish his Rule. Overviews - summaries of notes, source criticism, or structural criticism - follow some chapters, and a large bibliography of the current scholarship and source references are also included. Benedict's Rule: A Translation and Commentary also includes the Latin text of the Regula Benedicti. This reference work is invaluable to libraries

and to those who are called to interpret the Rule. It will be opened again and again. Indexed.

Holy Rule of Saint Benedict Liturgical Press

Wise and enduring spiritual guidelines for everyday living -- as relevant today as when The Rule was originally conceived by St. Benedict in fifth century Rome.

The Holy Way Fv

Editions

From USCCB

Publishing, this revision of the General Instruction of the Roman Missal (GIRM) seeks to promote more conscious, active, and full participation of the faithful in the mystery of the Eucharist. While the Missale Romanum contains the rite and prayers for Mass, the GIRM provides specific

detail about each element of the Order of Mass as well as other information related to the Mass.

The Rule of Saint Benedict Lulu.com

The single most important document on monastic life that helped to shape Western society. Composed in Italy around 530 AD but based on earlier compilations, The Rule of St Benedict has been the defining guide to daily prayer and work for Benedictine communities for fifteen centuries. The Rule also embodies the idea of a written constitution, authority limited by law and under the law, and the right of the ruled to review the legality of their superiors' actions- ideas at the heart of

the West's most treasured civic institutions. This is a fundamental contribution to the tradition of simple living that continues to experience a renaissance.

General Instruction of the Roman Missal
Ignatius Press

For fifteen centuries Benedictine monasticism has been governed by a Rule that is at once strong enough to instill order and yet flexible enough to have relevance fifteen-hundred years later. This pocket-sized, English-only edition is perfect for individual or group study.

Regula Magistri

Aeterna Press

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may

contain imperfections such as marks, notations, marginalia and flawed pages.

Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.

The Rule of St.

Benedict in English

InterVarsity Press

That the Rule of St.

Benedict has been highly and deservedly esteemed is universally admitted. The name of its holy and illustrious author, the wisdom, prudence and sublime maxims, which shine in every page of this Rule, fully establish its claim to solid merit.

Those excellent qualities obtained for it the approbation of the Holy See, in the first instance, and subsequently that of many Ecclesiastical Councils, which honoured it with the distinguished title of The Holy Rule. Many Religious Orders of the Western Church adopted it, secular princes and sovereigns studiously read it, declaring that they found in the prudent maxims, and divine wisdom inculcated by the holy Legislator, important light and assistance for the good government of their States. Aeterna Press Holy Rule of Saint Benedict Liturgical Press

The famous, classic life of St. Benedict, filled with miracles, holy stories and inspiring

idealism. Delightful reading for all ages. Describes much of what is known about St. Benedict, including the founding of the Benedictine order. *The Rule of St. Benedict* Cistercian Studies Series This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved,

reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The holy Rule of st. Benedict, tr. by a priest of Mount Melleray USCCB

Publishing

A ninth-century monk of Saint Mihiel near Verdun, Smaragdus composed his Commentary after the 816 Council of Aachen

imposed the Rule of Saint Benedict on all monasteries in the vast Carolingian Empire. His deep devotion to Christ and great reverence for Saint Benedict led him to encourage monastics to update the observance of the Rule to meet the needs of a society, period of history, and monks very different from those Benedict had known. He reminds readers today as well as then that monastic life is organized for the goal of attaining union with God by following Christ.

The Holy Rule of Saint Benedict

Oxford University Press
Fifteen centuries ago, a young monk named Benedict founded the basic monastic system of the Christian world-- a spiritual and economic organization

that thrives to this very day. "The Benedictine Rule of Leadership" presents these principles in a fresh and original way that is applicable to any manager or organization today. The Benedictine Rule of Leadership Canterbury Press For many of us, living simply is simply impossible. We just have too much to do. But one of the main reasons we think simple living is impossible is that we are unsure of how to get a simpler life started. Drawing on the powerful histories of the saints and her own personal experience, author Paula Huston shows us how living simply begins with a commitment to spiritual simplicity in

our lives. Each chapter in The Holy Way introduces a different spiritual practice, including solitude, purity, and generosity, and explores it through historical perspectives and Huston's compelling personal reflections. From Saint Anthony's chosen life of solitude to Saint Catherine of Siena's strength of conviction, Huston tells stories of courageous faith that exemplify the blessed and transformative power of being alone with God and living simply.

St. Benedict's Rule for Monasteries

Gracewing Publishing Your personal rule of life is a holistic description of the Spirit-empowered rhythms and relationships that create, redeem,

sustain and transform the life God invites you to humbly fulfill for Christ's glory. All of us have an unwritten personal rule of life. We wake at certain times, get ready for our days in particular ways, use our free time for assorted purposes and practice rhythms of work, hobbies, and worship. There is already a rule in place that you are following. Isn't it time to give up your unwritten rule and prayerfully write one that more closely matches the heartbeat of God? In this practical workbook Stephen A. Macchia looks to St. Benedict as a guide for discovering your own rule of life in community. It is a process that takes time and concerted effort; you must listen to God and discern what he

wants you to be and do for his glory. But through the basic disciplines of Scripture, prayer and reflection in a small group context you will be lead forward in a journey toward Christlikeness. The invitation is transformational, so brace yourself for sweet release. By letting go and trusting God, you will receive the gift of life in its fullest and richest form.

Commentary for Benedictine Oblates
Gracewing Publishing
Over 3 million copies sold! Essential reading for Catholics of all walks of life. Here it is - the first new Catechism of the Catholic Church in more than 400 years, a complete summary of what Catholics around the world commonly believe. The Catechism draws on the Bible, the Mass, the Sacraments, Church tradition and teaching, and the lives of saints. It comes with a complete index,

footnotes and cross-references for a fuller understanding of every subject. The word catechism means "instruction" - this book will serve as the standard for all future catechisms. Using the tradition of explaining what the Church believes (the Creed), what she celebrates (the Sacraments), what she lives (the Commandments), and what she prays (the Lord's Prayer), the Catechism of the Catholic Church offers challenges for believers and answers for all those interested in learning about the mystery of the Catholic faith. The Catechism of the Catholic Church is a positive, coherent and contemporary map for our spiritual journey toward transformation.
