Experience the unforgettable, heartbreaking love story set in post-World War II North Carolina about a young socialite and the boy who once stole her heart -- one of PBS's "Great American Reads". Every so often a love story so captures our hearts that it becomes more than a story-it becomes an experience to remember forever. The Notebook is such a book. It is a celebration of how passion can be ageless and timeless, a tale that moves us to laughter and tears and makes us believe in true love all over again... At thirty-one, Noah Calhoun, back in coastal North Carolina after World War II, is haunted by images of the girl he lost more than a decade earlier. At twenty-nine, socialite Allie Nelson is about to marry a wealthy lawyer, but she cannot stop thinking about the boy who long ago stole her heart. Thus begins the story of a love so enduring and deep it can turn tragedy into triumph, and may even have the power to create a miracle...

 Julian Barnes' kunstvoller Roman über eine unkonventionelle erste Liebe, die zur lebenslangen Herausforderung wird.»Würden Sie lieber mehr lieben und dafür mehr leiden, oder weniger lieben und weniger leiden? Das ist, glaube ich, am Ende die einzig wahre Frage.« Die erste Liebe hat lebenslange Konsequenzen, aber davon hat Paul im Alter von neunzehn keine Ahnung. Mit neunzehn ist er stolz, dass seine Liebe zur verheirateten, fast 30 Jahre älteren Susan den gesellschaftlichen Konventionen ins Gesicht spuckt. Er ist ganz sicher, in Susan die Frau fürs Leben gefunden zu haben, alles andere ist nebensächlich. Erst mit zunehmendem Alter wird Paul klar, dass die Anforderungen, die diese Liebe an ihn

stellt, größer sind, als er es jemals für möglich gehalten hätte. »Die einzige Geschichte« ist ein tief bewegender Roman über die Liebe. Nach »Der Lärm der Zeit« und »Vom Ende einer Geschichte« beweist Bestseller-Autor und Man Booker Prize-Träger Julian Barnes aufs Neue, dass er ein Meister im Ausloten menschlicher Abgründe ist. *Zufall und Lüge* Kiepenheuer & Witsch  
 Un hombre evoca un amor de juventud con una mujer madura. Una novela deslumbrante sobre el amor, el dolor y la memoria. «¿Preferirías amar más y sufrir más o amar menos y sufrir menos? Creo que, en definitiva, esa es la única cuestión», reflexiona al inicio de la novela su protagonista. En la década de los sesenta, cuando tenía diecinueve años y regresó de la universidad para pasar el verano en casa de sus padres, Paul se apuntó a un club de tenis en el que conoció a Susan Macleod, de cuarenta y ocho años, casada no muy felizmente y con dos hijas ya mayores. Entre ese joven inexperto en asuntos de amor y sexo y esa mujer madura, ingeniosa, inteligente y que bebe más de la cuenta se inicia una relación que marcará a Paul el resto de su vida. Ahora, muchos años después, él evoca esa aventura juvenil, se confronta con una experiencia que fue crucial e indeleble y rememora los momentos felices, pero también los dolorosos que vinieron después. Siguiendo la estela de la extraordinaria *El sentido de un final*, con la que ganó el Booker en 2011, Julian Barnes ha escrito otra novela sutil, profunda, demoledora y bellísima sobre los vericuetos del amor y el paso y el poso del tiempo. Si en su juventud el autor fue un maestro de la pirueta, un virtuoso en el manejo de los recursos literarios, en sus obras de madurez mantiene esa pericia con las formas y

estructuras narrativas, pero suma a ella una hondura solo al alcance de los escritores verdaderamente grandes. El resultado es una novela que indaga de modo deslumbrante en el placer y el dolor del deseo, en las heridas de las relaciones que dejamos atrás, en cómo el paso de los años nos transforma y en cómo afrontamos nuestro pasado.

In a museum far from home a man stumbles onto a painting of a woman for whom he once, long ago, risked everything and who then mysteriously disappeared from his life. As a young lawyer, the nameless protagonist of *The Woman on the Stairs* became entangled in the affairs of three people mired in a complex and destructive relationship. An artist, the woman whose portrait he had painted, and her husband became a triangle that drew the lawyer deeper and deeper into their tangled web. Now, encountering the painting that triggered it all, the lawyer must reconcile his past and present selves; when he eventually locates the woman, he is forced to confront the truth of his love and the reality that his life has been irrevocably changed. With *The Woman on the Stairs*, the internationally acclaimed author of *The Reader* delivers a powerful new novel about obsession, creativity, and love. Intricately crafted, poignant, and beguiling, this is Bernhard Schlink writing at his peak.

Alfred Döblin (1878-1957) studied medicine in Berlin and specialized in the treatment of nervous diseases. Along with his experiences as a psychiatrist in the workers' quarter of Berlin, his writing was inspired by the work of Holderlin,

Schopenhauer and Nietzsche and was first published in the literary magazine, *Der Sturm*. Associated with the Expressionist literary movement in Germany, he is now recognized as one of the most important modern European novelists. *Berlin Alexanderplatz* is one of the masterpieces of modern European literature and the first German novel to adopt the technique of James Joyce. It tells the story of Franz Biberkopf, who, on being released from prison, is confronted with the poverty, unemployment, crime and burgeoning Nazism of 1920s Germany. As Franz struggles to survive in this world, fate teases him with a little pleasure before cruelly turning on him. Foreword by Alexander Stephan Translated by Eugene Jolas>

"Wagemutig" - das steht für couragiert, kühn, verwegen. Was gibt uns den "Mut, mutig zu sein" - und auch so zu leben? Gerade in Zeiten, in denen die Welt auf dem Kopf steht, ist es wichtig, nach den Quellen des eigenen Lebensmutes zu fragen. In den Essays geht es u.a. um Lebensmut, Tee-Beutel-Sprüche, geistigen Mumpitz, den Umgang mit Ängsten, Noahs fatales Schweigen, den Sinn langweiliger Texte, schrecklich-schöne Jahre, knarrende Schlafzimmertüren, die Kunst, abschiedlich zu leben - und darum, wie Gott zum ersten Mal jazzte.

Moving and unsentimental story of inner reconstruction after a devastating loss Shortlisted for the prestigious Premio Strega in Italy in 2014, this is the story of a broken family coming to terms, in the aftermath of the earthquake in L'Aquila in 2009, with the loss of one of

them - a twin sister, a daughter, a mother - while living in temporary accommodation on the outskirts of the city. The terse and clean voice of the spiky, single, thirty-something female narrator wards off sentimentality while guiding us through the inner reconstruction undertaken by each character individually and by the family as a whole, letting us witness the extraordinary poetic power of love and the renewal of hope.

 Marie Benedict widmet sich Hedy Lamarr, einer Frau, die das Weltgeschehen maßgeblich beeinflusst hat und deren Errungenschaften vergessen wurden. Das Buch erzählt die Geschichte der Schauspielerin, Glamour-Ikone und Wissenschaftlerin. Die Schönheit von Hedy Lamarr, die mit bürgerlichem Namen Hedwig Maria Kiesler hieß und jüdischer Abstammung war, führte sie zu einer kometenhaften Schauspielkarriere in Wien und zur Heirat mit einem österreichischen Waffenhändler. Durch ihn hatte sie Zugriff auf die Pläne des Dritten Reichs, ein Wissen, das sie später nutzte, um an der Seite der Alliierten zu kämpfen. Im Jahr 1937 verließ sie ihren gewalttätigen Ehemann und floh über Paris und London nach Hollywood. Dort wurde sie zu Hedy Lamarr, dem weltberühmten Filmstar. Was keiner wusste: Sie war Erfinderin. Und sie hatte eine Idee, die dem Land helfen könnte, die Nazis zu bekämpfen und die moderne Kommunikation zu revolutionieren ... wenn ihr nur jemand zugehört hätte.

Her ability has been both a power and a problem. And when she finds herself the recipient of a sudden act of kindness, Carrie feels like she's finally been given a chance to be normal. She hopes that the nightmare of her classmates' vicious taunts is over . . . but an unexpected and cruel prank turns her gift into a weapon of horror so destructive that the town may never recover.

Winner of the German Book Prize, *The Capital* is an "omniscient, almost Balzacian" (Steven Erlanger, New York Times) panorama of splintered Europe. A highly inventive novel of ideas written in the rich European tradition, *The Capital*—epic in scope, but so particular in details—transports readers to the cobblestoned streets of twenty-first-century Brussels. Chosen as the European Union's symbolic capital in 1958 for no reason other than Belgium coming first alphabetically, this elusive setting has never been examined so intricately in literature. Here, in Robert Menasse's "great EU novel" (*Politico*), tragic heroes, clever schemers, and involuntary accomplices play out the effects of a fiercely nationalistic "union." Recalling the Balzacian conceit of assembling a vast parade of characters whose lives conspire to form a driving central plot, Menasse adapts this technique with modern sensibility to reveal the hastily assembled capital in all of its eccentricities. We meet, among others, Fenia Xenopoulou, a Greek Cypriot recently "promoted" to the

Directorate-General for Culture. When tasked with revamping the boring image of the European Commission with the Big Jubilee Project, she endorses her Austrian assistant Martin Sussman's idea to proclaim Auschwitz as its birthplace—of course, to the horror of the other nation states. Meanwhile, Inspector Émile Brunfaut attempts to solve a gritty murder being suppressed at the highest level; Matek, a Polish hitman who regrets having never become a priest, scrambles after taking out the wrong man; and outraged pig farmers protest trade restrictions as a brave escapee squeals through the streets. These narratives and more are masterfully woven, revealing the absurdities—and real dangers—of a fracturing Europe. A tour de force from one of Austria's most esteemed novelists, *The Capital* is a mordantly funny and piercingly urgent saga of the European Union, and an aerial feat of sublime world literature.

A town under quarantine during the 1918 flu epidemic must reckon with forces beyond their control in a powerful, sweeping novel of morality in a time of upheaval "An American variation on Albert Camus' *The Plague*."—Chicago Tribune NAMED ONE OF THE BEST BOOKS OF THE YEAR BY USA TODAY AND CHICAGO TRIBUNE • WINNER OF THE JAMES FENIMORE COOPER PRIZE FOR HISTORICAL FICTION Deep in the mist-shrouded forests of the Pacific Northwest is a small mill town called Commonwealth, conceived as a haven for workers weary of exploitation. For Philip Worthy, the adopted son of the town's founder, it is a haven in another sense—as the first place in his life he's had a loving family to call his own. And yet, the ideals that define this outpost

are being threatened from all sides. A world war is raging, and with the fear of spies rampant, the loyalty of all Americans is coming under scrutiny. Meanwhile, another shadow has fallen across the region in the form of a deadly virus striking down vast swaths of surrounding communities. When Commonwealth votes to quarantine itself against contagion, guards are posted at the single road leading in and out of town, and Philip Worthy is among them. He will be unlucky enough to be on duty when a cold, hungry, tired—and apparently ill—soldier presents himself at the town's doorstep begging for sanctuary. The encounter that ensues, and the shots that are fired, will have deafening reverberations throughout Commonwealth, escalating until every human value—love, patriotism, community, family, friendship—not to mention the town's very survival, is imperiled. Inspired by a little-known historical footnote regarding towns that quarantined themselves during the 1918 epidemic, *The Last Town on Earth* is a remarkably moving and accomplished debut.

'Just \*wonderful\*. A breath of fresh air in a book. Sal is a story with incredible heart, told so beautifully and with such clarity and grace I can hardly believe it's a debut! I loved it' JOANNA CANNON, author of *THE TROUBLE WITH GOATS AND SHEEP* 'NEW FACE OF FICTION 2018' This is a story of something like survival. Sal planned it for almost a year before they ran. She nicked an Ordnance Survey map from the school library. She bought a compass, a Bear Grylls knife, waterproofs and a first aid kit from Amazon using stolen credit cards. She

read the SAS Survival Handbook and watched loads of YouTube videos. And now Sal knows a lot of stuff. Like how to build a shelter and start a fire. How to estimate distances, snare rabbits and shoot an airgun. And how to protect her sister, Peppa. Because Peppa is ten, which is how old Sal was when Robert started on her. Told in Sal's distinctive voice, and filled with the silent, dizzying beauty of rural Scotland, Sal is a disturbing, uplifting story of survival, of the kindness of strangers, and the irrepressible power of sisterly love; a love that can lead us to do extraordinary and unimaginable things.

From the bestselling, Booker Prize-winning author of *The Sense of an Ending* comes "a brilliant, rueful look at love—what we do for it, how we experience it and what makes it die" (People). One summer in the sixties, in a staid suburb south of London, nineteen-year-old Paul comes home from university and is urged by his mother to join the tennis club. There he's partnered with Susan Macleod, a fine player who's forty-eight, confident, witty, and married, with two nearly adult daughters. She is a warm companion, her bond with Paul immediate. And soon, inevitably, they are lovers. Basking in the glow of one another, they set up house together in London. Decades later, Paul looks back at how they fell in love and how—gradually, relentlessly—everything fell apart. As he turns over his only story in his mind, examining it from different vantage points, he finds himself confronted with the contradictions and slips of his own memory—and the ways in which our narratives and our lives shape one another. Poignant, vivid and profound,

From beloved New York Times and USA Today bestselling author Marie Benedict comes the story of a not-so-famous scientist who not only loved Albert Einstein, but also shaped the theories that brought him lasting renown. In the tradition of Beatriz Williams and Paula McClain, Marie Benedict's *The Other Einstein* offers us a window into a brilliant, fascinating woman whose light was lost in Einstein's enormous shadow. This novel resurrects Einstein's wife, a brilliant physicist in her own right, whose contribution to the special theory of relativity is hotly debated. Was she simply Einstein's sounding board, an assistant performing complex mathematical equations? Or did she contribute something more? Mitza Maric has always been a little different from other girls. Most twenty-year-olds are wives by now, not studying physics at an elite Zurich university with only male students trying to outdo her clever calculations. But Mitza is smart enough to know that, for her, math is an easier path than marriage. Then fellow student Albert Einstein takes an interest in her, and the world turns sideways. Theirs becomes a partnership of the mind and of the heart, but there might not be room for more than one genius in a marriage. Marie Benedict illuminates one pioneering woman in STEM, returning her to the forefront of history's most famous scientists. "The Other Einstein takes you into Mileva's heart, mind, and study as she tries to forge a place for herself in a scientific world dominated by men."—Bustle Recommended by PopSugar, Bustle, Booklist, Library

September AD 81. Flavia and her friends learn of the mysterious and sudden death of the Emperor Titus. Was his death natural? Or was it murder? As the four detectives investigate this mystery, they little dream how much their lives - as well as the future of Italy - will be changed as a result.

The Only Story Die einzige Geschichte From the best-selling author of One Day comes a bittersweet and brilliantly funny coming-of-age tale about the heart-stopping thrill of first love--and how just one summer can forever change a life. Now: On the verge of marriage and a fresh start, thirty-eight year old Charlie Lewis finds that he can't stop thinking about the past, and the events of one particular summer. Then: Sixteen-year-old Charlie Lewis is the kind of boy you don't remember in the school photograph. He's failing his classes. At home he looks after his depressed father--when surely it should be the other way round--and if he thinks about the future at all, it is with a kind of dread. But when Fran Fisher bursts into his life and despite himself, Charlie begins to hope. In order to spend time with Fran, Charlie must take on a challenge that could lose him the respect of his friends and require him to become a different person. He must join the Company. And if the Company sounds like a cult, the truth is even more appalling: The price of hope, it seems, is Shakespeare, Romeo and Juliet learned and performed in a theater troupe over the course of a summer. Now: Charlie can't go the altar without coming to

terms with his relationship with Fran, his friends, and his former self. Poignant, funny, enchanting, devastating, Sweet Sorrow is a tragicomedy about the rocky path to adulthood and the confusion of family life, a celebration of the reviving power of friendship and that brief, searing explosion of first love that can only be looked at directly after it has burned out.

This volume reflects the work results of a group of researchers from various academic disciplines and different countries applying the concept authority (Herrschaft) to Southeastern Europe. Up to now, there is no scholarly consensus upon how to define the Weberian term authority (Herrschaft), not to mention the difficulties to translate it into other languages. In essays written by specialists on Southeast European Studies, this volume opens a broad field of interpretation, examining various forms of authority in Southeast European countries. This cross-disciplinary volume includes contributions on charisma, patrimonialism, gender, violence, constitutional procedures and architecture, both historically and in the present.

WINNER OF THE PULITZER PRIZE • NATIONAL BESTSELLER • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. Die Literaturbesprechung wendet sich Romanen, Dramen, und Gedichten zu und etabliert am Ende die Literaturgeschichten, die uns noch heute beschäftigen. Die Literaturbetrachtung gewinnt mit den poetischen und fiktionalen Schriften einen Gegenstand, mit dem sie sich bis in den Schulunterricht ausbreiten kann.

Gleichzeitig verändert sie den Markt, dem sie sich zuwendet. Im Blick auf das Romanangebot des frühen 18.

Jahrhunderts wird dies deutlich: einen skandalösen, aktuellen, ungemein europäischen Markt nehmen die Leser in Leipzig wie in London vor 1720 wahr, wenn sie den Romanmarkt berühren, einen Markt, der sich gegenwärtig als historischer und politischer unter kaum ertraglichen Manieren den privatesten Nutzungen anbot.
