A NEW YORK TIMES BESTSELLER B is for Beautiful, Brave, and Bright! And for a Book that takes a Bold journey through the alphabet of Black history and culture. Letter by letter, The ABCs of Black History celebrates a story that spans continents and centuries, triumph and heartbreak, creativity and joy. It's a story of big ideas--P is for Power, S is for Science and Soul. Of significant moments--G is for Great Migration. Of iconic figures--H is for Zora Neale Hurston, X is for Malcom X. It's an ABC book like no other, and a story of hope and love. In addition to rhyming text, the book includes back matter with information on the events, places, and people mentioned in the poem, from Mae Jemison to W. E. B. Du Bois, Fannie Lou Hamer to Sam Cooke, and the Little Rock Nine to DJ Kool Herc.

It is the year 4022; all of the ancient country of Usa has been buried under many feet of detritus from a catastrophe that occurred back in 1985. Imagine, then, the excitement that Howard Carson, an amateur archeologist at best, experienced when in crossing the perimeter of an abandoned excavation site he felt the ground give way beneath him and found himself at the bottom of a shaft, which, judging from the DO NOT DISTURB sign hanging from an archaic doorknob, was clearly the entrance to a still-sealed burial chamber. Carson's incredible discoveries, including the remains of two bodies, one of them on a ceremonial bed facing an altar that appeared to be a means of communicating with the Gods and the other lying in a porcelain sarcophagus in the Inner Chamber, permitted him to piece together the whole fabric of that extraordinary civilization.

He came. He saw. He conquered. Julius Caesar was a force to be reckoned with as a savvy politician, an impressive orator, and a brave soldier. Born in Rome in 100 BC, he quickly climbed the ladder of Roman politics, making allies--and enemies--along the way. His victories in battle awarded him the support of the people, but flush from power, he named himself dictator for life. The good times, however, would not last much longer. On the Ides of March, Caesar was brutally assassinated by a group of senators determined to end his tyranny, bringing his reign to an end.

Inspire the next generation of outstanding people who will change the world with Little People, BIG DREAMS!

The Boers Reached Africa - Ancient History Illustrated Grade 4 Children's Ancient History Penguin

An expanded edition of the only comprehensive illustrated history of New York—with more than 600 ravishing photographs and illustrations—that tells the remarkable 400-year-long story of the city from its beginning in 1624 up to the current moment. The companion volume to the acclaimed PBS series. This landmark book traces the spectacular growth of New York from its initial settlement on the tip of Manhattan through the destruction wrought by the Revolutionary War to its rise as the nation's premier commercial capital and industrial center and as a magnet for immigrant hopes and dreams in the 19th century to its standing as a beacon of modern culture in the 20th century and as a worldwide symbol of resilience in the 21st century. The story continues here with new chapters delivering a sweeping portrait of New York at the dawn of the 21st century, when it emerged after decades of decline to assert its place at the very center of a new globalized culture. Here is a city challenged—indeed, sometimes shaken to its

core—by a series of profound crises: the aftermath of 9/11, the continual struggle with racial injustice, the financial crisis of 2008, the devastation of Superstorm Sandy, the still unfolding cataclysm of the COVID-19 pandemic—whose earliest and deadliest urban epicenter was New York itself. Here too is a lively portrait of the city's vibrant street life and culture: the birth of hip-hop in the South Bronx, Christo and Jeanne-Claude's Gates in Central Park, the musicals of Broadway, the explosion in location filmmaking in every borough, the pivotal rise of the tech industry, and so much more. The history of this city—especially in the tumultuous and transformative two decades detailed in the new chapters—is an epic story of rebirth and growth, an astonishing transfiguration, still in progress, of the world's first modern city into a model and prototype for the global city of the future.
