Mrs Dalloway Duke  
University Press  
A Christmas Carol is  
Charles Dickens' most  
famous book and  
arguably the world's most  
read Christmas story.  
Here, we follow Ebenezer  
Scrooge, a miserly and  
mean-spirited  
businessman, who  
undergoes a total

transformation and  
becomes a kind person  
after being haunted by  
ghosts on Christmas Eve.  
It is one of the great  
classics of world  
literature, here  
accompanied by other  
classics from Dickens'  
Christmas repertoire, like  
A Christmas Tree and The  
Seven Poor Travellers.  
CHARLES DICKENS  
[1812-1870], born in  
Portsmouth, England, was  
the most popular English-  
language novelist of his

time. He created a  
fictional world that  
reflected the social and  
technological changes  
during the Victorian era.  
Among his most famous  
works are David  
Copperfield, Oliver Twist,  
Great Expectations, A Tale  
of Two Cities, A Christmas  
Carol, and The Pickwick  
Papers.

Join J. M. Coetzee and  
Thomas Keneally in  
rediscovering Nobel  
Laureate Patrick White In  
1973, Australian writer  
Patrick White was  
awarded the Nobel Prize  
in Literature "for an epic  
and psychological  
narrative art which has

introduced a new  
continent into literature."  
Set in nineteenth-century  
Australia, Voss is White's  
best-known book, a  
sweeping novel about a  
secret passion between  
the explorer Voss and the  
young orphan Laura. As  
Voss is tested by  
hardship, mutiny, and  
betrayal during his  
crossing of the brutal  
Australian desert, Laura  
awaits his return in  
Sydney, where she  
endures their months of  
separation as if her life  
were a dream and Voss  
the only reality. Marrying

a sensitive rendering of  
hidden love with a stark  
adventure narrative, Voss  
is a novel of extraordinary  
power and virtuosity from  
a twentieth-century  
master. For more than  
seventy years, Penguin  
has been the leading  
publisher of classic  
literature in the English-  
speaking world. With  
more than 1,700 titles,  
Penguin Classics  
represents a global  
bookshelf of the best  
works throughout history  
and across genres and  
disciplines. Readers trust  
the series to provide

authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Mrs Dalloway (Collins Classics) HarperCollins UK Bring on the Books for Everybody is an engaging assessment of the robust popular literary culture that has developed in the United States during the past two decades. Jim Collins describes how a once solitary and print-

based experience has become an exuberantly social activity, enjoyed as much on the screen as on the page. Fueled by Oprah's Book Club, Miramax film adaptations, superstore bookshops, and new technologies such as the Kindle digital reader, literary fiction has been transformed into best-selling, high-concept entertainment. Collins highlights the infrastructural and cultural changes that have given rise to a flourishing reading public at a time when the future

of the book has been called into question. Book reading, he claims, has not become obsolete; it has become integrated into popular visual media. Collins explores how digital technologies and the convergence of literary, visual, and consumer cultures have changed what counts as a "literary experience" in phenomena ranging from lush film adaptations such as *The English Patient* and *Shakespeare in Love* to the customer communities at Amazon. Central to Collins's

analysis and, he argues, to contemporary literary culture, is the notion that refined taste is now easily acquired; it is just a matter of knowing where to access it and whose advice to trust. Using recent novels, he shows that the redefined literary landscape has affected not just how books are being read, but also what sort of novels are being written for these passionate readers. Collins connects literary bestsellers from The Jane Austen Book Club and Literacy and Longing in

L.A. to Saturday and The Line of Beauty, highlighting their depictions of fictional worlds filled with avid readers and their equations of reading with cultivated consumer taste.

A Room of One's Own

Penguin UK

Penguin Readers is an ELT graded reader series for learners of English as a foreign language. With carefully adapted text, new illustrations and language learning exercises, the print edition also includes

instructions to access supporting material online. Titles include popular classics, exciting contemporary fiction, and thought-provoking non-fiction, introducing language learners to bestselling authors and compelling content. The eight levels of Penguin Readers follow the Common European Framework of Reference for language learning (CEFR). Exercises at the back of each Reader help language learners to practise grammar, vocabulary, and key exam

skills. Before, during and after-reading questions test readers' story comprehension and develop vocabulary. Mrs Dalloway, a Level 7 Reader, is B2 in the CEFR framework. The longer text is made up of sentences with up to four clauses, introducing future perfect simple, mixed conditionals, past perfect continuous, mixed conditionals, more complex passive forms and modals for deduction in the past. On a June morning in 1923, Clarissa Dalloway is preparing for

a party she is giving that evening. As she walks through London, her thoughts are of the past and her choice of husband. At the same time, and also in London, Septimus Smith is being driven mad by shell shock. At the party that evening, their stories come together. Visit the Penguin Readers website Exclusively with the print edition, readers can unlock online resources including a digital book, audio edition, lesson plans and answer keys. **Night and Day** Univ. of

Manitoba Press  
Clarissa Dalloway, elegant and vivacious, is preparing for party and remembering those she once loved. In another part of London, Septimus Warren Smith is shell-shocked and on the brink of madness. Smith's day interweaves with that of Clarissa and her friends, their lives converging as the party reaches its glittering climax.

HarperCollins is proud to present its incredible

range of best-loved, essential classics.

*Being Dead* HarperCollins UK

The first historical novel by the Nobel Prize-winning author of *Kristin Lavransdatter* A Penguin Classic More than a decade before writing *Kristin Lavransdatter*, the trilogy about fourteenth-century Norway that won her the Nobel Prize, Sigrid Undset published *Gunnar's Daughter*, a brief, swiftly moving tale about a more violent period of her country's history, the Saga Age. Set

in Norway and Iceland at the beginning of the eleventh century, *Gunnar's Daughter* is the story of the beautiful, spoiled Vigdis Gunnarsdatter, who is raped by the man she had wanted to love. A woman of courage and intelligence, Vigdis is toughened by adversity. Alone she raises the child conceived in violence, repeatedly defending her autonomy in a world governed by men. Alone she rebuilds her life and restores her family's honor—until an

unremitting social code propels her to take the action that again destroys her happiness. First published in 1909, *Gunnar's Daughter* was in part a response to the rise of nationalism and Norway's search for a national identity in its Viking past. But unlike most of the Viking-inspired art of its period, *Gunnar's Daughter* is not a historical romance. It is a skillful conversation between two historical moments about questions as troublesome in Undset's own time—and

in ours—as they were in the Saga Age: rape and revenge, civil and domestic violence, troubled marriages, and children made victims of their parents' problems. [The Yellow Wallpaper and Other Stories](#)

### **The Voyage Out**

HarperCollins UK

A haunting new novel about love, death, and the afterlife, from the author of *Quarantine* Baritone

Bay, mid-afternoon. A couple, naked, married almost thirty years, are lying murdered in the dunes. "Their bodies had expired, but anyone could tell--just look at them--that Joseph and Celice were still devoted. For while his hand was touching her, curved round her shin, the couple seemed to have achieved that peace the world denies, a period of grace, defying even murder. Anyone who found them there, so wickedly disfigured, would nevertheless be bound to

see that something of their love had survived the death of cells. The corpses were surrendered to the weather and the earth, but they were still a man and wife, quietly resting; flesh on flesh; dead, but not departed yet."

**The Waves (Collins Classics)** Random House Trade Paperbacks

In this stunningly designed book of classic fairy tales, award-winning author Philip Pullman has chosen his fifty favourite stories from the Brothers Grimm and presents them in a 'clear as water' retelling, in his unique

and brilliant voice. These new versions show the adventures at their most lucid and engaging yet. Pullman's Grimm Tales of wicked wives, brave children and villainous kings will have you reading, reading aloud and rereading them for many years to come.

*To the Lighthouse* Mrs Dalloway  
Originally published in 1928 this classic story by Virginia Woolf was modelled on her friend Vita Sackville-West's personality. Orlando chooses her own sexual

identity as she lives through 3 centuries as both a man and a woman.

A Room of One's Own

Farrar, Straus and Giroux  
A Nonconformist Novel with No Central Character  
"Either we are men, or we are women. Either we are cold, or we are sentimental. Either we are young, or growing old. In any case life is but a procession of shadows,

and God knows why it is that we embrace them so eagerly, and see them depart with such anguish, being shadows." - Virginia Woolf, *Jacob's Room*

*Jacob's Room* is not your typical Victorian English novel. The fact that there is no real protagonist stands out the most. Jacob is not actually a character, only a collection of memories, feelings and sensations. His life is like a room seen through the eyes of other people. This Xist Classics edition has been professionally formatted

for e-readers with a linked table of contents. This eBook also contains a bonus book club leadership guide and discussion questions. We hope you'll share this book with your friends, neighbors and colleagues and can't wait to hear what you have to say about it.

### **Orlando** Modernista

This volume combines two books which were among the greatest contributions to feminist literature this century. Together they form a brilliant attack on sexual inequality and a

passionate polemic which draws a startling comparison between the tyrannous hypocrisy of the Victorian patriarchal system and the evils of fascism. Virginia Woolf makes the connection between war and the economy and a woman's role (or lack there of) in both. *A Room of One's Own*, first published in 1929, is a witty, urbane and persuasive argument against the intellectual subjection of women, particularly women writers. The sequel, *Three Guineas*, is a passionate

polemic which draws a startling comparison between the tyrannous hypocrisy of the Victorian patriarchal system and the evils of fascism.

*The Waves* Harper Collins  
HarperCollins is proud to present a range of best-loved, essential classics.
