Selected Poems of Yone Noguchi (1921) is a collection of poems by Yone Noguchi. Although he is widely recognizing as a leading poet in English and Japanese of the modernist period, Noguchi was also a dedicated literary critic who advocated for the cross-pollination of national poetries. Alongside a brilliant introduction, in which he addresses the collective power of world literature, he provides a selection of his best poems from a quarter century of work. "The time is coming when, as with international politics where the understanding of the East with the West is already an unmistakable fact, the poetries of these two different worlds will approach of one another and exchange their cordial greetings." A firm believer in plainspoken language and a practitioner of free verse, Noguchi envisioned his art as a humble contribution to the union of East and West. In his early poems written in California, he reflects on loneliness and the natural world while reveling

in the extended lines and celebratory phrases made popular by Whitman. In his third collection, From the Eastern Sea (1903) he settles into a more reserved prosody, characterized by stillness and vibrant imagery. Included in this collection are his prose poems and a series of Japanese Hokkus, whose minimalism and spiritual clarity continue to captivate readers and poets of all languages and nations. "Is there anything new under the sun? / Certainly there is. / See how a bird flies, how flowers smile!" These poems not only teach us to look, but to see the world anew. With a beautifully designed cover and professionally typeset manuscript, this edition of Yone Noguchi's Selected Poems of Yone Noguchi is a classic of Japanese American literature reimagined for modern readers.

I have composed twenty-six poems in alphabetical order A through Z. Each poem is a description of its title related to positive thinking, health, happiness, love, and life. Each poem consists of four paragraphs and one ?nal line. Each paragraph consists of ?ve lines, free verse and intentionally designed without any punctuation. The title of the book is, ABC Book of Poems for the Heart and

Soul and dedicated to my daughters, Elma and Zarah. The cover concept re?ects love, peace, harmony, and wisdom matters so important in our lives. I have chosen the pen name, Jami (which is my nick name) as the sole author of the materials. I have dealt with some basic universal concepts and have written these poems in plain English to reach out to a broad range of readers of all ages, cultures, intellect across the globe. This is my ?rst book of poems ever written and so I am very much interested in your feedback so that I can continue to write by meeting, if not exceeding your expectations. I hope you all enjoy reading these poems and generate some healthy discussions to expand on these title concepts. I wanted to thank you for reading and/or purchasing the book and hope you will continue with your reading habit for your personal and intellectual growth. Also, I wish to continue producing quality books in the years to come.

A ground breaking new book that considers all Siddal poems with reference to female and primarily male counterparts, adding substantially to knowledge of her work as a writer, and their shared contemporary concerns. Dante Rossetti, Swinburne, Tennyson, Ruskin and Keats were

either known to her or a source of influence on the Pre-Raphaelite Brotherhood with which she was associated, and certain of their texts are compared with hers to discuss interplay between erotic and spiritual love, the ballad tradition, nineteenth-century feminism, and the Romantic concept of the conjoined physical and spectral body. Siddal's artwork is used to introduce each chapter, while other Pre-Raphaelite paintings illuminate the texts and further the inter-disciplinary philosophy of the Brotherhood. This important and stimulating book focuses on the intrinsic merit of Siddal's poetics whilst advocating a research method that could have multiple applications elsewhere.

This volume of poems, prose, and musings is the first published work from Michelle, encouraged by her family, friends, and followers of her Facebook page. Michelle has endured much hardship in her life, as so many do, and has found within her a strength she couldn't have imagined she was capable of. By sharing her words and thoughts, Michelle hopes to be an inspiration for others to find their inner strength and chase their dreams. Michelle writes a lot of poetry about she or her, inspired by the women who inspired and empowered her and others throughout her life and wishes to pass on that empowerment to all sensitive souls and playful hearts.

No matter who you are today there is a poem in this book that will touch your heart. Sometimes in life we find ourselves in situations in which there seems to be no hope. We sometimes feel like prisoners in our own bodies and feel as though everything around us is crumbling. I truly found that true hope, love, peace, joy etc., comes from God. I decided to look unto Jesus the author and finisher of my faith. Poetry For The Soul is a book filled with heartfelt poems designed to encourage, strengthen, motivate and much more. I hope this book will be as much as a blessing to you, the reader, as writing it has been to me. Therefore we also, since we are surrounded by so great a cloud of witnesses, let us lay aside every weight, and the sin which so easily ensnares us, and let us run with endurance the race that is set before us, looking unto Jesus, the author and finisher of our faith, who for the joy that was set before Him endured the cross, despising the shame, and has sat down at the right hand of the throne of God. ~Hebrews 12:1-2~

Since the late twentieth century, there has been a strategic campaign to recover the impact of Victorian women writers in the field of English literature. However, with the increased

understanding of the importance of interdisciplinarity in the twenty-first century, there is a need to extend this campaign beyond literary studies in order to recognise the role of women writers across the nineteenth century, a time that was intrinsically interdisciplinary in approach to scholarly writing and public intellectual engagement.

To mark the publication of Leonard Cohen's final book, The Flame, McClelland & Stewart is proud to reissue six beautiful editions of Cohen's cherished early works of poetry. A freshly packaged series for devoted Leonard Cohen fans and those who wish to discover one of the world's most adored and celebrated writers. Originally published by McClelland & Stewart in 1978, Death of a Lady's Man reinvented Cohen on the printed page, featuring a daring series of poems and prose poems, each of which is addressed—and often rebutted—in accompanying pieces of commentary. Maddening, thrilling, and truly singular, Cohen's sixth book contains some of the most challenging and startling work of his oeuvre. It is a genre-busting masterpiece well ahead of its time.

This book is raw feelings, real emotions of my life nothing more or less. I hope it may help some one as it did myself. I had no real friends or female companionship when I wrote most these poems. I wrote most of these poems when I was angry or distressed. God Bless! Robbie L. Hardin

The Lady and the Poet McClelland & Stewart

The poetry of Christina Rossetti is often described as 'gothic' and yet this term has rarely been examined in the specific case of Rossetti's work. Based on new readings of the full range of her writings, from 'Goblin Market' to the devotional poems and prose works, this book explores Rossetti's use of Gothic forms and images to consider her as a Gothic writer. Christina Rossetti's Gothic analyses the poet's use of the grotesque and the spectral and the Christian roots and Pre-Raphaelite influences of Rossetti's deployment of Gothic tropes.

Excerpt from A Life's Love All sweet expression in one perfect whole, All lights and shadows of my lady's soul, Chiefly the rippling laugh that softly shines Across the corresponding facial lines Gaze with intensity Why I could swear I've seen it move as I was standing there, And look to me and speak to me by signs. It is my lady's face made pure for ever By the undying power of that painter's art, As Dante, with wild passionate endeavour, Portrayed the endless mistress of his heart. My Ladys Soul iUniverse

Set against the sumptuousness and intrigues of Queen Elizabeth I's court, this powerful novel

reveals the untold love affair between the famous poet John Donne and Ann More, the passionate woman who, against all odds, became his wife. Ann More, fiery and spirited daughter of the Mores of Loseley House in Surrey, came to London destined for a life at the court of Queen Elizabeth and an advantageous marriage. There she encountered John Donne, the darkly attractive young poet who was secretary to her uncle, the Lord Keeper of the Great Seal. He was unlike any man she had ever met—angry, clever, witty, and in her eyes, insufferably arrogant and careless of women. Yet as they were thrown together, Donne opened Ann's eyes to a new world of passion and sensuality. But John Donne—Catholic by background in an age when it was deadly dangerous, tainted by an alluring hint of scandal—was the kind of man her status-conscious father distrusted and despised. The Lady and the Poet tells the story of the forbidden love between one of our most admired poets and a girl who dared to rebel against her family and the conventions of her time. They gave up everything to be together and their love knew no bounds.

Defining Pre-Raphaelite Poetics offers a range of Pre-Raphaelite literary scholarship, provoking innovative discussions into the poetic form, gender dynamics, political engagement, and networked communities of Pre-Raphaelitism. The authors in this collection position Pre-Raphaelite poetics broadly in the sense of poesis, or acts of making, aiming to identify and explore the Pre-Raphaelites' diverse forms of making: social, aesthetic, gendered, and sacred. Each chapter examines how Pre-Raphaelitism takes up and explores modes of making and re-making identity, relationality, moral transformations, and even, time and space. Essays explore themes of formalist or prosodic approaches, expanded networks of literary and artistic influence within Pre-Raphaelitism, and critical legacies and responses to Pre-Raphaelite poetry and arts, codifying the methods, forms, and commonalities that constitute literary Pre-Raphaelitism.
