La preuve va être faite que les fonds marins recèlent des énergies fantastiques que personne encore ne soupçonnait... L'astrologue Capricorne et son assistante Ash Grey sont sollicités par l'inspecteur Azakov. Motif : l'aider à poursuivre un sous-marin géant construit en secret par on ne sait qui !

Plongeant dans les profondeurs de l'océan, le mystérieux submersible les entraîne vers le point d'origine de lumières étranges qui émanent des abysses... Tout au fond, les découvertes sont pour le moins sidérantes. Non seulement Capricorne y est mis en présence de l'énigmatique Cube numérique, mais il s'y heurte surtout à un nouvel adversaire auquel il se sent inexplicablement lié...

This stunning 400-page Atlas is a unique and powerful publication which brings to light stories of environmental change at more than 100 locations spread across every country in Africa. There are more than 300 satellite images, 300 ground photographs and 150 maps, along with informative graphs and charts that give a vivid visual portrayal of Africa and its changing environment that provide scientific evidence of the impact that natural and human activities have had on the continent's environment over the past several decades. The observations and measurements of environmental change help gauge the extent of progress made by African countries towards reaching the United Nation's Millennium Development Goals. More importantly, this book contributes to the knowledge and understanding that are essential for adaptation and remediation, and should be of immense value to all those who want to know more about Africa and who care about the future of this continent.

"Meet a young man named Odd . . . who helps the dead get even." From the infinite imagination of #1 New York Times bestselling author Dean Koontz comes the suspenseful graphic-novel debut of a natural-born hero with a supernatural twist. Odd Thomas is a regular nineteen-year-old with an unusual gift: the ability to see the lingering spirits of the dead. To Odd, it's not such a big deal. And most folks in sleepy Pico Mundo, California, are much more interested in the irresistible pancakes Odd whips up at the local diner. Still, communing with the dead can be useful. Because while some spirits only want a little company . . . others want justice. When the sad specter of a very frightened boy finds its way to him, Odd vows to root out the evil suddenly infecting the sunny streets of Pico

Mundo. But even with his exceptional ability—plus the local police and his pistol-packing girlfriend, Stormy, backing him—is Odd any match for a faceless stalker who's always a step ahead . . . and determined to kill again?

The FAO Yearbook of Forest Products is a compilation of statistical data on basic forest products for all countries and territories of the world. It contains a series of annual data on the volume of production and the volume and value of trade in forest products. It includes tables showing the direction of trade and average unit values of trade for certain products. Statistical information in the yearbook is based primarily on data provided to the FAO Forestry Department by the countries through questionnaires or official publications. In the absence of official data, FAO makes an estimate based on the best information available.

Abrégé De L'Histoire Générale Des Voyages Cambridge University Press

In this #1 New York Times bestselling thriller from Harlan Coben, a dead man's secrets fall into the hands of a vigilante antihero—drawing him down a dangerous road. Over twenty years ago, the heiress Patricia Lockwood was abducted during a robbery of her family's estate, then locked inside an isolated cabin for months. Patricia escaped, but so did her captors — and the items stolen from her family were never recovered. Until now. On the Upper West Side, a recluse is found murdered in his penthouse apartment, alongside two objects of note: a stolen Vermeer painting and a leather suitcase bearing the initials WHL3. For the first time in years, the authorities have a lead — not only on Patricia's kidnapping, but also on another FBI cold case — with the suitcase and painting both pointing them toward one man. Windsor Horne Lockwood III — or Win, as his few friends call him — doesn't know how his suitcase and his family's stolen painting ended up with a dead man. But his interest is piqued, especially when the FBI tells him that the man who kidnapped his cousin was also behind an act of domestic terrorism — and that the conspirators may still be at large. The two cases have baffled the FBI for decades, but Win has three things the FBI doesn't: a personal connection to the case; an ungodly fortune; and his own unique brand of justice.

Popular Astronomy Archaia

A man with the ability to talk to ghosts who tell him where to find missing people loses his gift when the ghosts abandon him after he helps a young woman search for her husband. Anxious to get his gift back, he hires Rork, an investigator of paranormal mysteries with his own special abilities, to help him find the ghosts again. Their quest takes them through forest and desert, through visions and fantastical encounters, through run-ins with distracters and a blast from the past...

The Collector Ballantine Group

Thomas was sure that escape from the maze meant he and the Gladers would get their lives back. But no one knew what sort of life they were going back to. The earth is a wasteland. Government and order have disintegrated and now Cranks, people driven to murderous insanity by the infectious disease known as the Flare, roam the crumbling cities hunting for their next victim...and meal. Thomas can only wonder - does he hold the secret of freedom somewhere in his mind? Or will he forever be at the mercy of WICKED? The pulse-pounding sequel to *The Maze Runner*.

Un Capricorne a trépassé mais New York ne peut rester longtemps sans son protecteur. Et, tandis que Ron Dominic expiait une vie compliquée, le Capricorne que nous connaissons bien réapparaissait, avec plus de questions que jamais. Quel est le plan de Dahmaloch ? Pourquoi l'homme aux mains tatouées a-t-il ressuscité Ira Zeus à la tête des Mentors ? Et surtout, qui ou qu'est-ce que « Xenon »... ?

Far from the auction halls of the elite, The Collector seeks out rare and mysterious artifacts across the world. At home in the salons of Paris as he is in the jungles of Borneo, The Collector is a man who has dedicated his life to finding objects very special and almost unknown , which tracks through his research in a variety of locations. But beware, a man who comes into possession of such items does not hesitate to use any means without scruple. Set against the backdrop of late 19th-century colonialism, *The Collector* is a delightful, swashbuckling adventure by a master of European comic
