NOW A MAJOR MOTION PICTURE starring Robert Duvall and Lucas Black This book is about influence and inspiration and a deeper, more profound way of looking at life. The story is based on thousands of athletes who author and performance psychologist Dr. David Cook has counseled, and the great mentors and teachers from whom he has learned. Told through the lives of two characters—an eccentric rancher with a passion for teaching truth, and a young golf professional at the end of his rope looking to escape the pressures of the game—they represent each one of us in our various stages of growth. And through them we are reminded that, in life, we must be willing to coach and be coached. Life is never the same once you've been to Utopia. "Read it. Devour it. Keep it as a reference book. You'll be glad you did.

Golf's Sacred Journey is a remarkable and encouraging story with an entirely different approach on how to succeed in your golf game."—Zig Ziglar, leading motivational expert and bestselling author "This book is full of wisdom that will enhance your game and I believe it just may change your life."—David Robinson, NBA MVP, 1992 Olympic Gold Medalist, Two Time World Champion

This engaging and thoroughly updated text provides a cross-national perspective on the use and regulation of both legal and illegal drugs. It examines and critiques drug policies in the United States and abroad in terms of their scope, goals, and effectiveness. Authors Clayton J. Mosher and Scott Akins also discuss the physiological, psychological, and behavioral effects of legal and illicit drugs; the patterns and correlates of use; theories of the causes of drug use; and the policies that govern that usage. **Features and Benefits** Thoroughly reviews use of and regulation policies of both illegal and legal drugs, including the use of energy drinks and muscle enhancers like steroids and human growth hormones. Very up to date statistics and discussions of emerging trends and policies. Provides more coverage of drug policy issues than comparable books with particular attention to contrasting policies in countries around the world. Coverage of drug "epidemics" for new legal and illegal drugs not found in other books on drugs.
