American Dream Princeton Review

In this definitive work, two-time Pulitzer finalist Jason DeParle, author of *A Good Provider Is One Who Leaves*, cuts between the mean streets of Milwaukee and the corridors of Washington to produce a masterpiece of literary journalism. At the heart of the story are three cousins whose different lives follow similar trajectories. Leaving welfare, Angie puts her heart in her work. Jewell bets on an imprisoned man. Opal guards a tragic secret that threatens her kids and her life. DeParle traces their family history back six generations to slavery and weaves poor people, politicians, reformers, and rogues into a spellbinding epic. With a vivid sense of humanity, DeParle demonstrates that although we live in a country where anyone can make it, generation after generation some families don't. To read *American Dream* is to understand why.

Cracking the AP English Literature & Composition Exam, 2015 Edition Princeton Review

If a student needs to know it, it's in these books! Includes comprehensive glossaries of key terms, practical, targeted advice for writing high-scoring essays, updated strategies that reflect the AP test scoring change, and practice exams.
