Manifest Your Desires National Geographic Books
 From a New York Times bestselling and Hugo award-winning author comes a modern masterwork of science fiction, introducing a captain, his crew, and a detective as they unravel a horrifying solar system wide conspiracy that begins with a single missing girl. Now a Prime Original series. Humanity has colonized the solar system—Mars, the Moon, the Asteroid Belt and beyond—but the stars are still out of our reach. Jim Holden is XO of an ice miner making runs from the rings of Saturn to the mining stations of the Belt. When he and his crew stumble upon a derelict ship, the Scopuli, they find themselves in possession of a secret they never wanted. A secret that someone is willing to kill for—and kill on a scale unfathomable to Jim and his crew. War is brewing in the system unless he can find out who left the ship and why. Detective Miller is looking for a girl. One girl in a system of billions, but her parents have money and money talks. When the trail leads him to the Scopuli and rebel sympathizer Holden, he realizes that this girl may be the key to everything. Holden and Miller must thread the needle between the Earth government, the Outer Planet revolutionaries, and secretive corporations—and the odds are against them. But out in the Belt, the rules are different, and one small ship can change the fate of the universe. "Interplanetary adventure the way it ought to be written." —George R. R. The Essential Law of Attraction Collection Hay House Incorporated

Jerry and Esther Hicks, carried on the shoulders of Abraham and the Law of Attraction, swept up thousands of followers, publishing books and selling out workshops where they presented "The Teachings of Abraham." Tangled up in Abraham Hicks tells the story of being caught up in the enthusiasm and finding a way back out when the wheels came off Jerry and Esther's "Rock Star Monster Bus." Read about the contradictions, false lessons and greed that poisoned a once rewarding pursuit of happiness.

Just Ask! Dr. Vinay Bansal

The creator of the incredibly popular webcomic xkcd presents his heavily researched answers to his fans' oddest questions, including "What if I took a swim in a spent-nuclear-fuel pool?" and "Could you build a jetpack using downward-firing machine guns?" 100,000 first printing.

Have you ever thought about your existence? What is your purpose, and how can you find it? What is the ultimate goal of your life? Do you know what Siddhi is, and how to reach that ultimate state of bliss? This book, through its ten spokes of the wheel - Samriddhi, Sahitya, Sanskars, Sambhaav, Sadbhavna, Seva, Sakriya, Samarpan, Satarkta and Sadhna, leads us to its very core - Siddhi. These steps were described by all spiritual leaders of Sikhism, Jainism, Hinduism, Buddhism, Christian leaders like Baba Nanak, Mahavir, Arjun, Shiv, Krishna, Gautam Buddha, Jesus etc. These are also part of modern life gurus like Art of Living founder Sri Sri Ravishankar, Isha foundation head Sadguru Jaggi Vasudev, Osho founder Rajnish, Mindfulness and Vipassana founder Goenka. These steps are often described by Robin Sharma in his books 5AM Club and The Monk Who Sold his Ferrari and also by Sandeep Maheshwari and Dr. Deepak Chopra. These ideas have helped Jeff Bezos, Mark Zuckerberg, Bill Gates, Tony Robbins, Elon Musk, Joe Biden, Barack Obama, Narendra Modi, Amit Shah, Dr. Manmohan Singh, Sachin Tendulkar, Virat Kohli, Mahendra Dhoni and almost all famous personalities. These ideas are like the Secret. These were discussed in books like Ikigai, The Rudest Book ever also. These are tricks to joy, success, money, jobs, happiness, laughter, positivity, health and prosperity. This book shows you the path, the journey and its lessons are yours to take.

If you feel stuck with no idea what you should do next, lifestyle celebrity and TV pioneer Debbie Travis's new book is for you. Drawing on the tough (sometimes hilarious) lessons Debbie learned in her own leap into a new way of living, and a multitude of stories, tips and ideas to jumpstart your dreams, she's created an inspiring roadmap for change. A few years ago, Debbie Travis realized that she was no longer challenged by her wildly successful TV career and she was so busy she was missing out on the people and things that made her happy. She dared to dream about a whole new direction in life--a plan to turn a 13th-century farmhouse in Tuscany into a unique hotel and retreat for people who need a change as much as she did. And now, after a crazy amount of work, she is not only living that dream but sharing it with others. Her new book draws directly on her own experiences (when she started, Debbie could barely make a bed, let alone run a hotel in a foreign county) and the uplifting stories of personal u-turns shared by women who have come to her retreats. Debbie's "commandments" will inspire women (and men) who have lost track of who they are or what they want to be; who are going through the motions of a career that doesn't satisfy them anymore; who are wondering what to do with themselves now that their kids are gone or their marriage is over. On every page, Debbie shares the tools that helped her transform her life, and her example, her wit and her common sense advice will help motivate anyone who finds themselves standing at a crossroads wondering "What's next for me?"

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

#1 New York Times best-selling authors Esther and Jerry Hicks present The Teachings of Abraham through their timeless book, The Vortex. The Vortex will help you understand every relationship you are currently involved in, as well as every one you have ever experienced. The Law of Attraction is at the root of everything you experience. Everyone who turns up in your life – from the people you call friends or lovers, to the people you call enemies or strangers – comes in response to your Vibrational asking. You not only invite the person, but you also invite the personality traits of the person. This book uncovers a myriad of false premises that are at the heart of every uncomfortable relationship issue, and guides you to a clear understanding of the powerful creative Vortex that has already assembled the relationships that you have desired. Abraham will show you how to enter that Vortex, where you will rendezvous with everything and everyone you have been looking for. “The purpose of this book is not only to help you remember the process of creation – and to remember the Pure, Positive Energy platform from which you have come – but to help you remember the power of this Cortex and to remind you of your Emotional Guidance System so that you can consciously and deliberately achieve the Vibrational frequency of your vortex.” - Abraham Included is a link to download audio on the Law of Attraction!

The Wheel Of Spirituality Ask and It Is Given

What happens when you bring together one of the most inspirational spiritual teachers of all time and the Master Sages of the Universe? A magical, insightful, invigorating encounter you will never forget! In this tradepaper edition of the awe-inspiring book based on a live event held in Anaheim, California, Dr. Wayne W. Dyer sits down with Esther Hicks and the wise Collective Consciousness known as Abraham. Wayne asks all the questions he has accumulated from his more than 40 years of teaching others about self-reliance and self-discovery, and Abraham delivers the answers we all need to hear. Topics include: • Parenting, parents, and the continuum of life • Can we reach the state of "love that has no opposite"? • Dharma, destiny, and being on your path • Dealing with bad news • Are there ascended masters and guides? • Monsanto and GMOs • and many more! While Wayne and Esther have been friends for years, this is the first time that he engages with Abraham in an extended dialogue about life's many lessons and perplexing questions. Read this book and experience this extraordinary meeting of the minds for yourself!

The Vortex Canongate U.S.

Sunlight is beginning to spill across the Malibu coastline as I begin this Preface. And the deep indigo tint of the Pacific Ocean at this time of the morning seems to match the depth of pleasure I'm feeling as I'm imagining the value you're about to receive from the revelations within this book. Ask and It Is Given is certainly a book about our "asking" being answered by All-That-Is. But it's primarily about how whatever we're asking for is being given to us - and it's also the first book to ever, in such clear terminology, give us the simple practical formula for how to ask for, and then how to receive, whatever we want to be, do, or have. Decades ago, while searching for plausible answers to my never-ending quest to know what "It" is all about, I discovered the word ineffable (meaning "incapable of being expressed in words"). Ineffable coincided with a conclusion I'd formed relative to It. I had decided that the closer we get to knowing the "Non-Physical," the fewer words we have for clearly expressing It. And so, any state of complete knowing would also, therefore, be a state of ineffability. In other words, at this point in our time-space reality the Non-Physical cannot be clearly expressed with physical words. Throughout physical history, we've evolved to, through, and into billions of philosophies, religions, opinions, and beliefs. Yet, with the billions upon billions of thinkers thinking, concluding, and passing their beliefs on to the next generations, we have not - at least not in any words we can agree on - found physical words to express the Non-Physical. This book offers you a hands-on course in spiritual practicality. It's a how-to book in the broadest sense of the term - that is, how to be, do, or have anything that pleases you. This book also teaches you how not to be, do, or have anything that displeases you.----Jerry

Please note: This is a companion version & not the original book. Sample Book Insights: #1 All physical humans have Non-Physical counterparts. There is no exception to that. All who are physically focused have access to the broader perspective of what is Non-Physical. However, most physical beings have developed strong patterns of resistance that thwart their clear connection to their own Source. #2 This book will help you understand who you are, where you come from, and where you are going. It will teach you how you create your own experiences and why all your power is in your present moment.

“Every part of your life is experienced through the perspective of your physical body, and when you feel good, everything you see looks better. And so, there are few things of greater value than the achievement of health and physical well-being. “Not only does a good-feeling body promote positive thoughts, but, also, positive thoughts promote a good-feeling body. It is our expectation that as you ponder these cards, a new point of attraction will begin to be activated within you that eventually can lead to a wonderful mood or attitude, for if you are able to find feelings of relief even when your body is hurting or sick, you will find physical improvement, because your thoughts create your reality.” — Esther & Jerry

Ask and It Shall Be Given Hay House, Inc

A delight for readers of Where'd You Go, Bernadette, this blockbuster debut set in 1960s California features the singular voice of Elizabeth Zott, a scientist whose career takes a detour when she becomes the star of a beloved TV cooking show. Elizabeth Zott is not your average woman. In fact Elizabeth Zott would be the first to point out that there is no such thing as an average woman. But it's the 1960s and despite the fact that she is a scientist, her peers are very unscientific when it comes to equality. The only good thing to happen to her on the road to professional fulfillment is a run-in with her super-star colleague Calvin Evans (well, she stole his beakers). The only man who ever treated her—and her ideas—as equal, Calvin is already a legend and Nobel nominee. He's also awkward, kind and tenacious. Theirs is true chemistry. But as events are never as predictable as chemical reactions, three years later Elizabeth Zott is an unwed, single mother (did we mention it's the early 60s?) and the star of America's most beloved cooking show Supper at Six. Elizabeth's singular approach to cooking ("take one pint of H2O and add a pinch of sodium chloride") and independent example are proving revolutionary. Because Elizabeth isn't just teaching women how to cook, she's teaching them how to change the status quo. Laugh-out-loud funny, shrewdly observant and studded with a dazzling cast of supporting characters (including the best canine character in years), Lessons in Chemistry is as original and vibrant as its protagonist.

Summary of Esther & Jerry Hicks's Ask and It Is Given Ballantine Books

The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing

your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.
