BRODY ONEILL

Rivista minima di scienze, lettere ed arti Penguin
 Qui non si cela una storia con tutti i crismi, dal filo logico ineccepibile e studiati colpi di scena. Bensì l'indecisione, frutto di quell'attimo che segue la maturità, quando finalmente si è liberi di pensare a se stessi e al proprio futuro. Il senso di smarrimento di fronte all'immensità della vita e la conseguente ricerca di certezze personali, nello strenuo tentativo di fare il punto su una situazione in divenire. Una sorta di spocchioso saggio di un ventenne, narrato in maniera schietta, irriverente e a tratti comica. Punti di vista sulle più svariate questioni, comunione dei pochi saperi posseduti, ma soprattutto ricerca di se stessi e della propria strada attraverso una passione: la scrittura.
Domus Crudelis punctum books
 TY: Pretty Thing--the moment Liam McKinney first uttered those words will be embedded in my mind forever. He's mysterious, intriguing...and off-limits since he's my father's friend. Easier said than done. The moment I laid eyes on the man with the dark eyes and intense stare, he awoke a primal hunger within me unlike anything I'd ever experienced before. For some time, I've been confused about my attraction toward men, but there's no confusion when I look at him--just pure, unfettered desire to feel his body against mine, taste his flesh, breathe in his scent. So many things an experienced man like Liam could show me. But I don't just want to sate my desire for his body--the physique of a Titan, those abs practically chiseled from stone, and one particular challenge that looks more than slightly intimidating...Yes, I want all that, but also so much more. To know everything about him. There's something behind the facade he presents to the world. Sometimes, it's as though I'm offered a glimpse behind the smokescreen--to who he really is. Yet it's tricky to know the real Liam when he's determined to keep his secrets. I assumed he had a dark past. But I didn't realize he hadn't left it behind and that I'd wind up roped into it--into a dangerous world so different from the one I've spent most my life living. It's a world of secrets, deception, and peril. I quickly discover there's a price to being with Liam McKinney. But no price is too great when the reward is being the man in his arms and his heart. Being his very own Pretty Thing. *Pretty Things features two men who can't get enough of each other, action/adventure involving secret government agencies and nefarious conspiracies, and sexy shenanigans that'll make it impossible for you to forget you're in a Devon McCormack novel. The book contains references to suicidal ideation and scenes of peril that could act as triggers for some readers.
Tryst Six Venom Arcade Publishing

A remote 18th-century Hungarian castle is the setting for a dramatic meeting. Forty-one years after a tragic event two former friends must confront each other in a devastating bid to lay the past to rest. Betrayal, love, truth and friendship all come to the fore in this unforgettable play based on Sándor Márai's bestselling novel. *Embers* premiered at the Duke of York's Theatre in London's West End in February 2006.
The Years of Alienation in Italy Sourcebooks Landmark
 Remote Vision contains an English-Italian bilingual version of the most significant works in poetry and conceptual writing produced so far by Alessandro De Francesco. It is both a self-standing, coherent book and the most exhaustive collection of his poetry ever published in any language; containing a new version of the 2008 book *Objects Displaced*, the complete 2010 book *Redefinition*, the composite and still partially unpublished *Cistern*, the prose *Foreign Body in Ascending Motion* and the very recent work *Inhabited Spaces*. All the sections were rearranged for this publication by the author who decided that each section contain the complete English text followed by the complete Italian version, avoiding a face to face translation in order not to interrupt the flow of the reading. The whole book was beautifully translated by poets and Brown University alumni Belle Cushing and Dusty Neu, under the coordination of the acclaimed poet and Comparative Literature scholar Forrest Gander. This book condenses and proposes under a new light all the conceptual and emotional intensity of Alessandro De Francesco's poetry.
Athena's Child New Directions Publishing
 Barry Lyndon is a picaresque novel by William Makepeace Thackeray about a member of the Irish gentry trying to become a member of the English aristocracy. Redmond Barry of Bally Barry, born to a genteel but ruined Irish family, fancies himself a gentleman. He is a hot-tempered, passionate lad, and falls madly in love with his cousin, Nora. The lad tries to engage in a duel with Nora's suitor, an English officer named John Quinn. He is made to think that he has assassinated the man, though the pistols were actually loaded with dummy loads. Redmond flees to Dublin, where he quickly falls in with bad company in the way of con artists, and soon loses all his money. He goes on to experience a series of military adventures eventually descending into decadence. Redmond eventually bullies and seduces the Countess of Lyndon to marry him. Eventually Barry Lyndon is separated from his wife, and lodged in Fleet Prison. He spends the last nineteen years of his life in prison, dying of alcoholism-related illness.
Divination on stage Antonio Giangrande
 A Nature Book of the Year (The Times (UK)) "The hoverflies are only props. No, not only, but to some extent. Here and there, my story is about something else." A mesmerizing memoir of extraordinary brilliance by an entomologist, *The Fly Trap*

chronicles Fredrik Sjöberg's life collecting hoverflies on a remote island in Sweden. Warm and humorous, self-deprecating and contemplative, and a major best seller in its native country, *The Fly Trap* is a meditation on the unexpected beauty of small things and an exploration of the history of entomology itself. What drives the obsessive curiosity of collectors to catalog their finds? What is the importance of the hoverfly? As confounded by his unusual vocation as anyone, Sjöberg reflects on a range of ideas—the passage of time, art, lost loves—drawing on sources as disparate as D. H. Lawrence and the fascinating and nearly forgotten naturalist René Edmond Malaise. From the wilderness of Kamchatka to the loneliness of the Swedish isle he calls home, Sjöberg revels in the wonder of the natural world and leaves behind a trail of memorable images and stories.
The Heart is Deceitful Above All Things A&C Black
 In "The Jesuit Order as a Synagogue of Jews" the author explains how Christians with Jewish family backgrounds went within less than forty years from having a leading role in the foundation of the Society of Jesus to being prohibited from membership in it. The author works at the intersection to two important historical topics, each of which attracts considerable scholarly attention but that have never received sustained and careful attention together, namely, the early modern histories of the Jesuit order and of Iberian purity of blood concerns. An analysis of the pro- and anti-converso texts in this book (both in terms of what they are claiming and what their limits are) advance our understanding of early modern, institutional Catholicism at the intersection of early modern religious reform and the new racism developing in Spain and spreading outwards.
La filosofia come forma-di-vita Lulu.com
 Dalle passeggiate con Pavese verso il santuario di Crea al concetto di simulacro in Pierre Klossowski; dal problema dell'incompiutezza delle grandi opere letterarie del Novecento al ritrovamento di un Kandinskij tra le pagine di un libro impolverato. Cosa unisce ricordi, immagini e riflessioni tanto disparate? Quale filo lega i frammenti della vita di uno studioso con i problemi teorici che cammin facendo si è trovato ad affrontare? Se è vero che considerare la filosofia un sapere esclusivamente tecnico e specialistico significa dimenticare che essa è anche un modo di vivere quel sapere, da uno all'altro degli incontri qui raccolti, il lettore vedrà progressivamente dissolversi il confine fittizio che di norma separa il piano biografico da quello teorico, l'aneddoto dal concetto. "Forma-di-vita" è il nome che, dalle ricerche di Giorgio Agamben, è parso ai curatori meglio testimoniare l'intima, segreta inscindibilità che lega il pensiero alla vita di ogni pensatore.
Brainstorming Walter de Gruyter GmbH & Co KG
 NEW YORK TIMES BESTSELLER • Two longtime friends share an intimate and urgent conversation about life, music, and their

enduring love of America, with all its challenges and contradictions, in this stunningly produced expansion of their groundbreaking Higher Ground podcast, featuring more than 350 photographs, exclusive bonus content, and never-before-seen archival material. *Renegades: Born in the USA* is a candid, revealing, and entertaining dialogue between President Barack Obama and legendary musician Bruce Springsteen that explores everything from their origin stories and career-defining moments to our country's polarized politics and the growing distance between the American Dream and the American reality. Filled with full-color photographs and rare archival material, it is a compelling and beautifully illustrated portrait of two outsiders—one Black and one white—looking for a way to connect their unconventional searches for meaning, identity, and community with the American story itself. It includes: • Original introductions by President Obama and Bruce Springsteen • Exclusive new material from the *Renegades* podcast recording sessions • Obama's never-before-seen annotated speeches, including his "Remarks at the 50th Anniversary of the Selma to Montgomery Marches" • Springsteen's handwritten lyrics for songs spanning his 50-year-long career • Rare and exclusive photographs from the authors' personal archives • Historical photographs and documents that provide rich visual context for their conversation In a recording studio stocked with dozens of guitars, and on at least one Corvette ride, Obama and Springsteen discuss marriage and fatherhood, race and masculinity, the lure of the open road and the call back to home. They also compare notes on their favorite protest songs, the most inspiring American heroes of all time, and more. Along the way, they reveal their passion for—and the occasional toll of—telling a bigger, truer story about America throughout their careers, and explore how our fractured country might begin to find its way back toward unity and global leadership.

Upon discovering that his wife is dying from cancer, seventy-four-year-old Howard Amberson decides that they should take a trip and keep a journal of their past and present experiences

[The Unabridged Journals of Sylvia Plath](#) Rivista minima di scienze, lettere ed artiThe Fly Trap

After 20 years in America, a successful businessman returns to the rustic Piedmontese communities which were riven by fascism. Much has changed since the war, and still more would like to be forgotten and buried. Memories return to the narrator as he looks at the lives and sometimes violent fates of the villagers he has known since childhood, and rediscovers the poverty, ignorance, or indifference that binds them to the hills and valleys against the beauty of the landscape and the rhythm of the seasons. With simple poetic force, Pavese weaves separate strands of narrative together, bringing them to a stark and poignant climax. Part of the new look Peter Owen Modern Classics range featuring a logo crafted by graphic design icon Alvin Lustig.

La narrazione aziendale degli ultimi 40 anni di Arredaesse, che da sempre è attiva nel contract internazionale per l'arredamento, il fit out e l'interior design. La storia di un professionista e un imprenditore, Vittorio Molteni, un esempio di quel saper fare unico, che dalla Brianza va per il mondo a promuovere il bello e il ben fatto del made in Italy.

The Swedish Cavalier Peter Owen Modern Classics (20) Magicians, necromancers and astrologers are assiduous characters in the European golden age theatre. This book deals with dramatic characters who act as physiognomists or palm readers in the fictional world and analyses the fictionalisation of physiognomic lore as a practice of divination in early modern Romance theatre from Pietro Aretino and Giordano Bruno to Lope de Vega, Calderón de la Barca and Thomas Corneille.

Praise the Human Season St. Martin's Press

Empress Elizabeth of Austria, known as Sisi, is the Princess Diana of nineteenth-century Europe. Famously beautiful, as captured in a portrait with diamond stars in her hair, she is unfulfilled in her marriage to the older Emperor Franz Joseph. Sisi has spent years evading the stifling formality of royal life on her private train or yacht or, whenever she can, on the back of a horse. Captain Bay Middleton is dashing, young, and the finest horseman in England. He is also impoverished, with no hope of buying the horse needed to win the Grand National—until he meets Charlotte Baird. A clever, plainspoken heiress whose money gives her a choice among suitors, Charlotte falls in love with Bay, the first man to really notice her, for his vulnerability as well as his glamour. When Sisi joins the legendary hunt organized by Earl Spencer in England, Bay is asked to guide her on the treacherous course. Their shared passion for riding leads to an infatuation that jeopardizes the growing bond between Bay and Charlotte, and threatens all of their futures. *The Fortune Hunter*, a brilliant new novel by Daisy Goodwin, is a lush, irresistible story of the public lives and private longings of grand historical figures.

For readers of Madeleine Miller and Claire Heywood comes the story of the most infamous monster of Greek mythology: Medusa. First, they loved her. Then, they abused her. Finally, they made her a villain. Gifted and burdened with stunning beauty, young Medusa seeks sanctuary with the Goddess Athena. But when she catches the eye of the lecherous but mighty Poseidon, she is beyond protection. Powerful men rarely answer for their actions, after all. Meanwhile, Perseus embarks on a seemingly impossible quest, equipped with only bravado and determination... Medusa and Perseus soon become pawns of spiteful and selfish gods. Faced with the repercussions of Athena's wrath, blamed for her assault, Medusa has no choice but to flee and hide. But can she do so without becoming the monster they say she is? Medusa's truth has long been lost. History tells of conquering heroes, of men with hearts of gold. Now it is time to hear the story of how history treats women who don't comply.

[Long Live Latin](#) Anchor

"Offering an alternative, female-focused history, *Women in Design* is an essential new tome dedicated to the innovators who have shaped the design world" – ELLE Decoration Featuring more than 100 profiles of pioneering women designers, some who have achieved global recognition such as Ray Eames, Charlotte Perriand and Zaha Hadid, it also introduces the fascinating and often untold stories of lesser-known designers, who have similarly shaped and enriched the story of design. An excerpt from the book: "This book is, first and foremost, a celebration of some truly remarkable women whose careers in design have been exceptional. They can rightly be called exceptional because, despite the odds stacked against them, the women featured here created significant bodies of work within what was – and to a certain extent still is – the male-dominated field of design. By highlighting their extraordinary achievements, our intention is to contextualize the role of women in design over the last one hundred years or so in order to trace how the status of female designers has evolved, while at the same time assessing where it stands today. In the past, all too often the work of female designers was overlooked in the literature on design, while also being woefully under-represented in exhibitions and museum collections. This book seeks to redress these outstanding omissions. The primary reasons for this paucity of representation are that – as in other male-dominated professions – women were often either largely excluded from certain areas of endeavour or had no option but to take on subordinate roles. Women designers and their work have, also, all too often been assessed through the lens of the patriarchy, meaning they have either been entirely defined by their gender or their contributions have been subsumed under that of their 'more famous' husbands, brothers,

fathers or lovers. This book attempts to tell a very different story, one that appraises their activities within the wider landscape of the feminist movement – both past and present. It is only now that women designers working in developed free-market economies are beginning to enjoy anything like equality with their male counterparts when it comes to professional access and recognition, let alone parity of remuneration. As for women living elsewhere in the world, having any kind of professional career, let alone one in design, is still often largely an impossible dream."

[The Fortune Hunter](#) Laurence King Publishing

The complete, uncensored journals of Sylvia Plath—essential reading for anyone who has been moved and fascinated by the poet's life and work. "A genuine literary event.... Plath's journals contain marvels of discovery." —The New York Times Book Review Sylvia Plath's journals were originally published in 1982 in a heavily abridged version authorized by Plath's husband, Ted Hughes. This new edition is an exact and complete transcription of the diaries Plath kept during the last twelve years of her life. Sixty percent of the book is material that has never before been made public, more fully revealing the intensity of the poet's personal and literary struggles, and providing fresh insight into both her frequent desperation and the bravery with which she faced down her demons.

[Far from Mogadishu](#) Marvel Entertainment

"Susan Vreeland set a high standard with *Girl in Hyacinth Blue*....

The *Passion of Artemisia* is even better.... Vreeland's unsentimental prose turns the factual Artemisia into a fictional heroine you won't soon forget." —People A true-to-life novel of one of the few female post-Renaissance painters to achieve fame during her own era against great struggle. Artemisia Gentileschi led a remarkably "modern" life. Vreeland tells Artemisia's captivating story, beginning with her public humiliation in a rape trial at the age of eighteen, and continuing through her father's betrayal, her marriage of convenience, motherhood, and growing fame as an artist. Set against the glorious backdrops of Rome, Florence, Genoa, and Naples, inhabited by historical characters such as Galileo and Cosimo de' Medici II, and filled with rich details about life as a seventeenth-century painter, Vreeland creates an inspiring story about one woman's lifelong struggle to reconcile career and family, passion and genius.

The Passionate Pen

Collects Avengers Origins: Vision (2011) #1, Giant-Size Avengers (1974) #4, Marvel Team-Up (1972) #129-130. These two mighty Avengers shared one of the greatest romances in the entire Marvel-Verse! They are the synthezoid Vision and the reality-manipulating Scarlet Witch — and these are some of their most action-packed adventures! First, the Vision is unleashed on the Avengers by his "father" — the evil android, Ultron! Vision's control of his density makes him a formidable opponent, but his inner nobility soon sees him turn on his inhuman creator! Joining the team, Vision soon finds love with Wanda Maximoff, the Scarlet Witch — and their far-out wedding is one of the greatest Avengers stories ever told! Wanda and Vision make one heck of a team — but even with Spider-Man by their side, can they defeat the dark sorcerer Necrodamus?

[The Luck of Barry Lyndon](#) BookRix

All murders must be avenged. While the rest of Greece mourns for the war that has taken their husbands away, Clytemnestra fears the day it will bring hers back. When her husband willingly sacrifices their eldest daughter to appease the Gods, Clytemnestra vows to do whatever it takes to protect her remaining children. But in doing so she faces losing them altogether. A story of love, loss and bitter betrayals, *A Spartan's Sorrow* shows that sometimes you must risk it all to protect the ones you love. If you are a fan of vengeful Gods and fierce family rivalries you will love Hannah Lynn's epic tale of ancient Greece's most formidable Queen.
