The book chronicles Pearson's life in East Baltimore , including her birth as a 3 pound crack baby , her placement into foster care and her eight-year prison sentence in Jessup, Maryland , on second-degree murder charges. Grace After Midnight - Wikipedia Grace After Midnight: A Memoir. While Felicia is a brilliant actor in a truly chilling role, what's most remarkable about \"Snoop\" is what she has overcome in her life. Snoop was born a three-pound cross-eyed crack baby in East Baltimore. Those streets are among the toughest in the world, but Snoop was tougher. Grace After Midnight: A Memoir by Felicia Pearson This memoir, with a ghostly hand doing most of the writing, is a shockingly frank window on a Baltimore childhood. I say childhood, but 'snoop' has had a wider and more brutal range of life experience than anyone twice her age should be exposed to. Drugs, assault, prostitution, murder and jail all rear their ugly head before the age of 16. Grace After Midnight: A Memoir: Amazon.co.uk: Ritz, David ...
