AUGUST ELSA

Dizionario pascoliano Gallucci editore

A Riotorto c'è una via così piccolina e stretta che ci passano soltanto gatti e bimbi in bicicletta tutti gli altri stanno fuori, morti di curiosità che vorrebbero sapere quella strada dove va... La sensibilità di Gianmaria Testa indaga l'assurdo di questo nostro mondo con lo sguardo puro dei bambini. Le figure di Valerio Berruti rappresentano con straordinaria delicatezza lo stupore dei più piccoli. Tre preziose filastrocche senza età.

Show Dad how much you care with this warm story of parent appreciation from the creators of The Perfect Hug and The Biggest Kiss, which School Library Journal called "a wonderful cuddle-up-and-read choice." When the clock ticks around to a bright new day, I know today will be filled with fun things to do with dad. From his stubbly kisses to his sky-high piggyback rides to his bedtime stories, no one is quite like dad. This charming picture book is a celebration of fathers everywhere!

Lagos Review of English Studies Simon and Schuster

Join Jules on an imaginative quest for a pet in this hilarious picture book filled with vibrant illustrations and a wild menagerie of animals. Jules has a plan, a wild plan. He wants a pet, but first,

he has to convince his reluctant mom. He asks for a lion! Then he tries for a hippo. He even says he wants a goat. Mark Janssen's noisy, boisterous illustrations bring this romping story to life as animals from Jules' imagination swing and stomp onto the pages. Children will love the fun premise of the book. And it won't be long before parents are asked, "May I please have a pet lion?"

Melchiorre Cafà Tate

How does a very small girl hide a very large lion? It's not easy, but Iris has to do her best, because mums and dads can be funny about having a lion in the house. Luckily, there are lots of good places to hide a lion - behind the shower curtain, in your bed, and even up a tree. A funny, heart-warming story about a very special friendship.

Read the book that inspired the classic coming-of-age film! From award-winning German author Michael Ende, *The Neverending Story* is a classic tale of one boy and the book that magically comes to life. When Bastian happens upon an old book called *The Neverending Story*, he's swept into the magical world of Fantastica--so much that he finds he has actually become a character in the story! And when he realizes that this mysteriously enchanted world is in great danger, he also discovers that he is the one chosen to save it. Can Bastian overcome the barrier between reality and his imagination in order to save Fantastica? "An instantaneous leap into the magical . . . Energetic, innovative, and perceptive"—*The Washington Post* "A trumpet blast for the imagination."—*Sunday Times*

Catalogo cumulativo, 1886-1957 del Bollettino delle pubblicazioni italiane Penguin

Reminiscent of Scheherazade and *One Thousand and One Nights*, Gianni Rodari's *Telephone Tales* is many stories within a story. Every night, a traveling father must finish a bedtime story in the time that a single coin will buy. One night, it's a carousel that adults cannot comprehend, but whose operator must be some sort of magician, the next, it's a land filled with butter men who melt in the sunshine. Awarded the Hans Christian Anderson Award in 1970, Gianni Rodari is widely considered to be Italy's most important children's author of the 20th century. Newly re-illustrated by Italian artist Valerio Vidali (*The Forest*), *Telephone Tales* entertains, while questioning and imagining other worlds.

Hailed by Terry Eagleton in the *Guardian* as "definitive," this is the only complete and authoritative edition of Antonio Gramsci's deeply personal and vivid prison letters.

Dizionario illustrato dei pittori Midsea Books

This publication is the first truly collective attempt to study the work of Melchiorre Cafà. In a variety of studies, it discusses specific and synoptic issues related to his oeuvre. The book also presents a check-list of works by (or attributed to) the artist; this check-list aims at establishing a critical repertory of his oeuvre.

Telephone Tales Olschki

From the bestselling author of *A Lion in Paris* comes this beautifully illustrated celebration of what makes each child unique. Through bold and sensitively observed portraits and a thought-provoking text, Beatrice Alemagna inspires children, and adults reading with them, to consider their own identity. Destined to become a classic, *What Is a Child?* is a must-have for every

school, library, and bedside table.
