#1 NEW YORK TIMES

BESTSELLER • NOW A

STARZ ORIGINAL SERIES

Unrivaled storytelling.

Unforgettable characters.

Rich historical detail.

These are the hallmarks
of Diana Gabaldon's work.

Her New York Times

bestselling Outlander novels have earned the praise of critics and captured the hearts of millions of fans. Here is the story that started it all, introducing two remarkable characters, Claire Beauchamp Randall and Jamie Fraser, in a spellbinding novel of passion and history that combines exhilarating adventure with a love story for the ages. One of the top ten best-loved

novels in America, as seen on PBS's The Great American Read! Scottish Highlands, 1945. Claire Randall, a former British combat nurse, is just back from the war and reunited with her husband on a second honeymoon when she walks through a standing stone in one of the ancient circles that dot the British Isles. Suddenly she is a Sassenach—an "outlander"—in a Scotland

torn by war and raiding clans in the year of Our Lord . . . 1743. Claire is catapulted into the intrigues of a world that threatens her life, and may shatter her heart. Marooned amid danger, passion, and violence, Claire learns her only chance of safety lies in Jamie Fraser, a gallant young Scots warrior. What begins in compulsion becomes urgent need, and Claire finds herself torn between two very different men, in two irreconcilable lives. This eBook includes the full

text of the novel plus the following additional content: • An excerpt from Diana Gabaldon's *Dragonfly in Amber*, the second novel in the *Outlander* series • An interview with Diana Gabaldon • An *Outlander* reader's guide Praise for *Outlander* "Marvelous and fantastic adventures, romance, sex . . . perfect escape reading."—*San Francisco Chronicle* "History comes deliciously alive on the page."—*New York Daily News* *The Fiery Cross* Stockholm Text

Juillet 1776. Les treize colonies sécessionnistes ont signé leur déclaration d'indépendance, mais la guerre contre l'Empire britannique continue. Au lieu de s'engager dans l'armée de George Washington, Jamie Fraser décide de regagner l'Écosse afin de retrouver sa presse d'imprimerie. Pendant ce temps, William, fils adoptif de lord John Grey, débarque dans les colonies avec les armées envoyées par Sa Majesté pour écraser l'insurrection. Il est loin de se douter qu'il trouvera

en Amérique le secret de ses origines...

A Breath of Snow and Ashes Dell

Readers of Diana Gabaldon's Cross Stitch, Dragonfly in Amber, Voyager, and Drums of Autumn, will welcome the newest addition to the series: Through the Stones, an illustrated companion and guide to

Gabaldon's immensely popular series of Scottish historical fantasies, chronicling the adventures of Claire Randall and Jamie Fraser. Through the Stones features maps, illustrations of Highland weaponry, jewelry, and buildings, family trees of the Frasers, Randalls, and MacKenzies, glossaries and pronunciation guides to the Gaelic and other non-English terms in the books, and detailed synopses of the four novels. In addition, this lavish companion volume

includes a section containing answers to questions asked most frequently by readers (e. g. 'Is there another novel in the series?' (yes, two more) 'Who killed Jack Randall?' (You think I know?!?)), and a number of essays by the author on the origins and backgrounds of the fictional and historical characters in the novels, medicine and magic in the 18th century, the art and science of researching historical fiction, and how to cure impotence (or not) by rubbing the male parts

with a diamond.

Vingt années se sont écoulées depuis le périple

de Claire Beauchamp-Randall dans l'Écosse du XVIIIe siècle. Si l'infirmière britannique a refait sa vie depuis, le souvenir de Jamie Fraser et des années tumultueuses vécues ensemble reste intact. Aussi, lorsqu'elle apprend qu'il a survécu à la sanglante bataille de Culloden ayant marqué la défaite de l'armée écossaise, elle se trouve confrontée à un terrible dilemme. En remontant une nouvelle fois le temps, retrouvera-t-elle celui qu'elle a quitté deux décennies auparavant ?

Fuite, tempêtes, intrigues politiques et prophéties étranges : la suite d'une série incontournable ! [The Outlander Series 8-Book Bundle](#) Dell Features a preview of the much-anticipated new Outlander novel, *Written in My Own Heart's Blood!* Joan MacKimmie is on her way to Paris to take up her vocation as a nun. Yet her decision is less a matter of faith than fear, for Joan is plagued by mysterious voices that speak of the future, and by visions that mark those about to die. The

sanctuary of the nunnery promises respite from these unwanted visitations . . . or so she prays. Her chaperone is Michael Murray, a young widower who, though he still mourns the death of his wife, finds himself powerfully drawn to his charge. But when the time-traveling Comte St. Germain learns of Joan's presence in Paris, and of her link to Claire Fraser--La Dame Blanche--Murray is drawn into a battle whose stakes are not merely the life but the very soul of the

Scotswoman who, without even trying, has won his heart.

National Geographic Books
Perfect for readers of the bestselling Outlander novels—and don't miss The Outlandish Companion Volume Two! #1 New York Times bestselling author Diana Gabaldon has captivated

millions of readers with her critically acclaimed Outlander novels, the inspiration for the Starz original series. From the moment Claire Randall stepped through a standing stone circle and was thrown back in time to the year 1743—and into a world that threatens life, limb, loyalty, heart, soul, and everything else Claire has—readers have been hungry to know everything about this world and its inhabitants, particularly a Scottish soldier named Jamie

Fraser. In this beautifully illustrated compendium of all things Outlandish, Gabaldon covers the first four novels of the main series, including: • full synopses of Outlander, Dragonfly in Amber, Voyager, and Drums of Autumn • a complete listing of the characters (fictional and historical) in the first four novels in the series, as well as family trees and genealogical notes • a comprehensive glossary and pronunciation guide to Gaelic terms and usage • The Gabaldon Theory of

Time Travel, explained • frequently asked questions to the author and her (sometimes surprising) answers • an annotated bibliography • essays about medicine and magic in the eighteenth century, researching historical fiction, creating characters, and more • professionally cast horoscopes for Jamie and Claire • the making of the TV series: how we got there from here, and what happened next (including “My Brief Career as a TV Actor”) • behind-the-

scenes photos from the Outlander TV series set For anyone who wants to spend more time with the Outlander characters and the world they inhabit, Diana Gabaldon here opens a door through the standing stones and offers a guided tour of what lies within.

L'Appel du highlander - Livres 8-10 (Clan MacDonald) Dell

"In her now classic novel Outlander, Diana Gabaldon told the story of Claire Randall, an English ex-combat nurse who walks through a stone

circle in the Scottish Highlands in 1946, and disappears ... into 1743. ... Now the story continues in *Written in My Own Heart's Blood*. 1778: France declares war on Great Britain, the British army leaves Philadelphia, and George Washington's troops leave Valley Forge in pursuit. At this moment, Jamie Fraser returns from a presumed watery grave to discover that his best friend has married his wife, his illegitimate son has discovered (to his horror) who his father really is,

and his beloved nephew, Ian, wants to marry a Quaker. Meanwhile, Jamie's wife, Claire, and his sister, Jenny, are busy picking up the pieces. The Frasers can only be thankful that their daughter Brianna and her family are safe in twentieth-century Scotland. Or not. In fact, Brianna is searching for her own son, who was kidnapped by a man determined to learn her family's secrets. Her husband, Roger, has ventured into the past in search of the missing boy

. . . never suspecting that the object of his quest has not left the present. Now, with Roger out of the way, the kidnapper can focus on his true target: Brianna herself."--Dust jacket.

 Diana Gabaldon,
 bestselling author of the acclaimed *Outlander* series, weaves an engrossing tale of war, history, and suspense in this original novella—now available as a standalone e-book—featuring returning hero Lord John Grey. London, 1759. After

a high society electric-eel party leads to a duel that ends badly, Lord John Grey feels the need to lie low for a while. Conveniently, before starting his new commission in His Majesty's army, Lord John receives an urgent summons. An old friend from the military, Charlie Carruthers, is facing court-martial in Canada, and has called upon Lord John to serve as his character witness. Grey voyages to the New World—a land rife with savages (many of them

on his own side) and cleft by war—where he soon finds that he must defend not only his friend’s life but his own.

Diana Gabaldon's acclaimed Outlander series blends rich historical fiction with riveting adventure and a truly epic love story. Now, with this convenient seven-volume eBook bundle, discover the novels that have won Gabaldon millions of fans and introduced readers to the brilliant Claire Randall and valiant Highlander Jamie Fraser. "Great fun .

. . marvelous and fantastic adventures, romance, sex . . . perfect escape reading."—San Francisco Chronicle, on Outlander The year is 1946. Claire Randall is a British ex-combat nurse on a postwar second honeymoon with her husband in the Scottish Highlands. Walking alone one afternoon, she passes through a circle of standing stones and is hurled back in time to a Scotland simmering with war in the year of our Lord 1743. Catapulted into an intrigue of rival clans and

rising armies that threatens her life, she's obliged to wed Jamie Fraser, a gallant young Scots warrior, as the only way to survive. Thus begins a series of unrivaled storytelling that has become a modern classic. This bundle includes: OUTLANDER DRAGONFLY IN AMBER VOYAGER DRUMS OF AUTUMN THE FIERY CROSS A BREATH OF SNOW AND ASHES AN ECHO IN THE BONE "Diana Gabaldon is a born storyteller . . . the pages practically turn

themselves."—The Arizona Republic, on Dragonfly in Amber "A feast for ravenous readers of eighteenth-century Scottish history, heroism, and romance."—Kirkus Reviews, on Outlander Outlander - Ferne Ufer Salamandra Bolsillo Read the first three books in the million-copy bestselling Outlander series that inspired the TV show. What if your future was the past? Book 1: Outlander 1946, and Claire Randall goes to the Scottish Highlands with her husband Frank. It's a

second honeymoon, a chance to learn how war has changed them and to re-establish their loving marriage. But one afternoon, Claire walks through a circle of standing stones and vanishes into 1743, where the first person she meets is a British army officer - her husband's six-times great-grandfather. Unfortunately, Black Jack Randall is not the man his descendant is, and while trying to escape him, Claire falls into the hands of a gang of Scottish outlaws, and finds herself

a Sassenach - an outlander - in danger from both Jacobites and Redcoats. Marooned amid danger, passion and violence, her only chance of safety lies in Jamie Fraser, a gallant young Scots warrior. What begins in compulsion becomes urgent need, and Claire finds herself torn between two very different men, in two irreconcilable lives. Book 2: Dragonfly in Amber For twenty years Claire Randall has kept her secrets. But now she is returning with her grown

daughter to the majesty of Scotland's mist-shrouded hills. Here Claire plans to reveal a truth as stunning as the events that gave it birth: about the mystery of an ancient circle of standing stones, about a love that transcends the boundaries of time, and about James Fraser, a warrior whose gallantry once drew the young Claire from the security of her century to the dangers of his. Now a legacy of blood and desire will test her beautiful daughter as Claire's

spellbinding journey continues in the intrigue-ridden court of Charles Edward Stuart, in a race to thwart a doomed uprising, and in a desperate fight to save both the child and the man she loves. Book 3: Voyager Jamie Fraser is lying on the battlefield of Culloden, where he rises wounded, to face execution or imprisonment. Either prospect pales beside the pain of loss - his wife is gone. Forever. But sometimes forever is shorter than one thinks. In

1746, Claire Fraser made a perilous journey through time, leaving her young husband to die at Culloden, in order to protect their unborn child. In 1968, Claire has just been struck through the heart, discovering that Jamie Fraser didn't die in battle. But where is Jamie now? With the help of her grown daughter, Claire sets out to find the man who was her life - and might be once again. *Outlander (Tome 2) - Le talisman* Editora Arqueiro "Incrível, audacioso, empolgante...
