Packed with weird-but-true facts and tons of animal info, this Level 3 Reader tours the diverse grasslands, watering holes, rain forests, and deserts of Africa. Get up close to some of the most amazing animals in Africa, including big cats, crocs, pangolins, hippos, rhinos, elephants, and more. Find out how fast a cheetah can sprint, how much a croc can fit in its massive jaws, and more wild

stuff. Kids also get an introduction to the importance of animal conservation. National Geographic Fact Readers feature the same expert-vetted running text as traditional readers--with a bonus of 100 fun facts sprinkled throughout! A fact roundup at the end of each book lets kids review what they've learned. (Plus, they can impress their friends with their animal expertise!) *Sharks!*

National Geographic Books Kids will learn all about the exciting lives of wild cats - including tigers, leopards, lynx, cheetahs, mountain lions, and more - in this new National Geographic Kids Reader. The level 1 text provides accessible, yet wide-ranging, information for beginning readers. Bats National Geographic Books Describes how birds tweet and bees buzz in the daylight before entirely

different creatures awaken and prowl after dark.

Sea Otters

Geographic Readers: Wild Cats (Level 1) National Geographic Books You look straight ahead. You try to breathe normally. You can smell the scent of the huge cat that is staring back. You are a cameraman. He is the King of Beasts. Your only thought is "I hope he has eaten today." Let National Geographic Explorers-in-Residence Dereck and Beverly Joubert bring you closer to the power and

majesty of the regal African lion. With fewer than 25,000 wild lions now left on Earth, the authors make a passionate plea to young readers to take an active role in securing a future for these magnificent

creatures.
