In this mischievous and utterly original debut, Hansel and Gretel walk out of their own story and into eight other classic Grimm-inspired tales. As readers follow the siblings through a forest brimming with menacing foes, they learn the true story behind (and beyond) the bread crumbs, edible houses, and outwitted witches. Fairy tales have never been more irreverent or subversive as Hansel and Gretel learn to take charge of their destinies and become the clever architects of their own happily ever after.

Do you have a favorite superhero? I know I do. Some wear capes; some can fly; and others, like the hero in this book, just do it. Today is Career Day in the classroom at Good Deeds Elementary, and you will get to meet a real-life hero. He doesn't have super strength, and he can't read minds, but he is one of the strongest and brightest heroes you'll ever meet. He is willing to do whatever it takes to make sure everyone in the world is safe. At Career Day, while all the other parents came up to speak and tell the classroom about their jobs, Joseph decided to take the stage in his father's place. This is a story about honor, courage, commitment, and one little boy's love for his father and for his country. In this story you will see, through Joseph's eyes, who his father truly is. You will learn about the sacrifices men and women of the military make and the sacrifices their families make as well. We miss chances all the time to thank these real-life heroes. After you read this, you will be sure to thank anyone in a military uniform for their service. Good Deeds Elementary is joining Yellow Ribbon Fund in changing the lives of the families of injured armed forces members. 25% of proceeds from Career Day will be donated to Yellow Ribbon Fund. Yellow Ribbon Fund was established in February 2005 to serve our injured service members as they returned home from the battlefields of Iraq and Afghanistan. Yellow Ribbon Fund was one of the first veteran service organizations to recognize the importance of keeping the family together during the critical recuperation phase. Through the creation of their key programs: Crossroads and Keystone, they are able to make an impact on veterans and their families all around the world. For more info go to yellowribbonfund.org

Peace Studies Gratitude Dear Mr. McCarthy: My favorite thing about Peace Studies has been all the guest speakers. Each one brought something new to the forefront of my mind, reminding me how self-absorbed we all can be. I hope to someday emulate the qualities all these speakers possess: kindness, perseverance, bravery, humility, and passion. From learning about poverty and immigration, to peace movements and protests, I have learned so much more in peace studies than I could ever learn in a chemistry or US history class. Elizabeth Mulvihill Dear Mr. McCarthy: Through your lessons you have exposed the lowest parts of human nature, our follies, and our brutality, but through all the wonderful speakers you brought in I have seen true generosity, tenacity, optimism, grit, and love for humankind. I have never felt so much love in a classroom until now So much change in our world is influenced by greed, hate, and self-interest. I am happy to have encountered the few who are not, thanks to your class. I've become a better person who is ready to be more active in the community and more ready to share her love with the world. Thanks, thanks, and thanks again. Elizabeth Stephens
