Aegypt University of Toronto Press
 In the first comprehensive selection and translation of Dulce María Loynaz's poetry, James O'Connor invites us to hear the haunting voice of Cuba's celebrated poet, whom the Nobel Laureate Juan Ramón Jiménez terms in his Foreword, "archaic and new...tender, weightless, rich in abandon." Widely published in Spain during the 1950s, Loynaz's poetry was almost forgotten in Cuba after the Revolution. International recognition came to her late: at the age of ninety she was living in seclusion in Havana when the Royal Spanish Academy awarded her the 1992 Cervantes Prize, the highest literary accolade in the Spanish language. The first English publication of her work, *Absolute Solitude* contains a selection of poems from each of Loynaz's books, including the acclaimed prose poems from *Poems with No Names*, a selection of posthumously published work. From the Trade Paperback edition.

Two Solitudes Abrams

Answering the anti-Quebec rhetoric of Diane Francis, Barbara Amiel, and others, this book demonstrates to Quebecers and English Canadians alike that English Canada has a rich and unique culture, and concludes with a vibrant plea for a new Canada based on the recognition of three peoples or nations--English, French (Quebec, Acadia, French Canada) and native--with guarantees for minority rights.

There is more than one history of the world. Before science defined the modern age, other powers, wondrous and magical, once governed the universe. Historian Pierce Moffett moves to the New England countryside to write a book about Aegypt, driven by an idea he dare not believe: that the physical laws of the universe once changed and may change again. Yet the notion is not his alone. Something waits at the locked estate of Fellowes Kraft, something for which Pierce and those near him have long sought without knowing it: a key, perhaps, to Aegypt.

Two Solitudes Routledge

England in the middle of World War II, a war that seems fated to go on forever, a war that has become a way of life. Heroic resistance is old hat. Everything is in short supply, and tempers are even shorter. Overwhelmed by the terrors and rigors of the Blitz, middle-aged Miss Roach has retreated to the relative safety and stupefying boredom of the suburban town of Thames Lockdon, where she rents a room in a boarding house run by Mrs. Payne. There the savvy, sensible, decent, but all-too-meeek Miss Roach endures the dinner-table interrogations of Mr. Thwaites and seeks to relieve her solitude by going out drinking and necking with a wayward American lieutenant. Life is almost bearable until Vicki Kugelmann, a seeming friend, moves into the adjacent room. That's when Miss Roach's troubles really begin. Recounting an epic battle of wills in the claustrophobic confines of the boarding house, Patrick Hamilton's *The Slaves of Solitude*, with a delightfully improbable heroine, is one of the finest and funniest books ever written about the trials of a lonely heart.

Solitude Harper Collins

Canadian Science Fiction, Fantasy, and Horror: Bridging the Solitudes exposes the limitations of the solitudes concept so often applied uncritically to the Canadian experience. This volume examines Canadian and Québécois literature of the fantastic across its genres--such as science fiction, fantasy, horror, indigenous futurism, and others--and considers how its interrogation of colonialism, nationalism, race, and gender works to bridge multiple solitudes. Utilizing a transnational lens, this volume reveals how the fantastic is ready-made for exploring, in non-literal terms, the complex and problematic nature of intercultural engagement.

This early work by Radclyffe Hall was originally published in 1928 and we are now republishing it with a brand new introductory biography. 'The Well of Loneliness' is a novel that follows an upper-class Englishwoman who falls in love with another woman while serving as an ambulance driver in World War I. Marguerite Radclyffe Hall was born on 12th August 1880, in Bournemouth, England. Hall's first novel *The Unlit Lamp* (1924) was a lengthy and grim tale that proved hard to sell. It was only published following the success of the much lighter social comedy *The Forge* (1924), which made the best-seller list of *John O'London's Weekly*. Hall is a key figure in lesbian literature for her novel *The Well of Loneliness* (1928). This is her only work with overt lesbian themes and tells the story of the life of a masculine lesbian named Stephen Gordon.

Multitude: A Post-Apocalyptic Thriller (Dimension Space Book Two) Penguin

A story of identity, connection and forgiveness, *A Convergence of Solitudes* shares the lives of two families across Partition in India, Operation Babylift in Vietnam, and two referendums in Quebec. Sunil and Hima, teenage lovers, bravely defy taboos in pre-Partition India to come together as their country divides in two. They move across the world to Montreal and raise a family, but Sunil shows symptoms of schizophrenia, shattering their newfound peace. As a teenager, their daughter Rani becomes obsessed with Québécois supergroup *Sensibilité*--and, in particular, the band's charismatic, nationalistic frontman, Serge Giglio--whose music connects Rani to the province's struggle for cultural freedom. A chance encounter leads Rani to babysit Mélanie, Serge's adopted daughter from Vietnam, bringing her fleetingly within his inner circle. Years later, Rani, now a college guidance counselor, discovers that Mélanie has booked an appointment to discuss her future at the school. Unmoved by her father's staunch patriotism and her British mother's bourgeois ways, Mélanie is struggling with deep uncertainty about her

identity and belonging. As the two women's lives become more and more intertwined, Rani's fascination with Melanie's father's music becomes a strange shadow amidst their friendship.

Hugh MacLennan: A Writer's Life New York Review of Books
Hugh MacLennan is one of Canada's great writers. Five-time winner of the Governor General's Award, his work includes some of the best loved and most read Canadian novels of all time: *Two Solitudes*, *The Watch That Ends the Night*, *Barometer Rising*. In this widely praised biography, written with the full cooperation of MacLennan, Elspeth Cameron describes his early life in Nova Scotia, his complex relationships with his father and mother, and the many reverses until his first great success in 1941 with *Barometer Rising*. Cameron's critical assessment of his work, up to and including the dense, experimental *Voices in Time*, places MacLennan firmly among the first rank of 20th century Canadian nationalist intellectuals, along with Harold Innes, Donald Creighton and George Grant. *Hugh MacLennan: A Writer's Life* is a sympathetic and perceptive account that explores the many fascinating links between MacLennan's life and his writings.

Beyond Two Solitudes Simon and Schuster

An occult historian's journey of discovery continues in the second volume of this renowned literary fantasy series by "a deliciously elegant writer" (Kirkus). In *The Solitudes*, John Crowley introduced readers to Pierce Moffett, a scholar whose area of expertise lies beyond the realm of our daily reality: a land of the imagination known as Ægypt. Retreating to the quiet of upstate New York, Moffett discovers the works of Fellows Kraft, an uncanny source of hermetic revelations. Now, in *Love & Sleep*, Moffett begins to understand the true importance—and power—of his studies. His search for a secret history of the world has brought him to the threshold of a new era . . . one in which magic works and angels speak to humankind. John Crowley's Ægypt Cycle is widely regarded as a masterpiece of fantasy literature. Harold Bloom included both *The Solitudes* and *Love & Sleep* in his *Western Canon*.

The Slaves of Solitude Penguin

An epic masterpiece of world literature, in a magnificent new translation by one of the most acclaimed translators of our time. A towering figure of the Renaissance, Luis de Góngora pioneered poetic forms so radically different from the dominant aesthetic of his time that he was derided as "the Prince of Darkness." *The Solitudes*, his magnum opus, is an intoxicatingly lush novel-inverse that follows the wanderings of a shipwrecked man who has been spurned by his lover. Wrenched from civilization and its attendant madness, the desolate hero is transported into a natural world that is at once menacing and sublime. In this stunning edition Edith Grossman captures the breathtaking beauty of a work that represents one of the high points of poetic achievement in any language.

The Watch that Ends the Night Vintage

The poet and author's "beautiful . . . wise and warm" journal of time spent in her New Hampshire home alone with her garden, her books, the seasons, and herself (Eugenia Thornton, *Cleveland Plain Dealer*). "Loneliness is the poverty of self; solitude is richness of self." —May Sarton
May Sarton's parrot chatters away as Sarton looks out the window at the rain and contemplates returning to her "real" life—not friends, not even love, but writing. In her bravest and most revealing memoir, Sarton casts her keenly observant eye on both the interior and exterior worlds. She shares insights about everyday life in the quiet New Hampshire village of Nelson, the desire for friends, and need for solitude—both an exhilarating and terrifying state. She likens writing to "cracking open the inner world again," which sometimes plunges her into depression. She confesses her fears, her disappointments, her unresolved angers. Sarton's garden is her great, abiding joy, sustaining her through seasons of psychic and emotional pain. *Journal of a Solitude* is a moving and profound meditation on creativity, oneness with nature, and the courage it takes to be alone. Both uplifting and cathartic, it sweeps us along on Sarton's pilgrimage inward. This ebook features an extended biography of May Sarton.

Alternately reverential and comical, *One Hundred Years of Solitude* weaves the political, personal, and spiritual to bring a new consciousness to storytelling. One Hundred Years of Solitude Open Road Media

The *Breakfast Club* meets *The Silver Linings Playbook* in this powerful, provocative, and heartfelt novel about twelve strangers who come together to make the most of their final days, from New York Times bestselling and award-winning author J. Michael Straczynski. Mark Antonelli, a failed young writer looking down the barrel at thirty, is planning a cross-country road trip. He buys a beat-up old tour bus. He hires a young army vet to drive it. He puts out an ad for others to join him along the way. But this will be a road trip like no other: His passengers are all fellow disheartened souls who have decided that this will be their final journey—upon arrival in San Francisco, they will find a cliff with an amazing view of the ocean at sunset, hit the gas, and drive out of this world. The unlikely companions include a young woman with a chronic pain sensory disorder and another who was relentlessly bullied at school for her size; a bipolar, party-loving neo-hippie; a gentle coder with a literal hole in his heart and blue skin; and a poet dreaming of a better world beyond this one. We get to know them through access to their texts, emails, voicemails, and the daily journal entries they write as the price of admission for this trip. By turns tragic, funny, quirky, charming, and deeply moving, *Together We Will Go* explores the decisions that brings these characters together, and the relationships that grow between them, with some discovering love and affection for the first time. But as they cross state lines and complications to the initial plan arise, it becomes clear that this is a novel as much about the will to live as it is the choice to end it. The final, unforgettable moments as they hurtle toward the outcomes awaiting them will be remembered for a lifetime.
