Recueil Des Cours, Collected Courses 1938 Martinus Nijhoff
Publishers

This publication aims to provide a valuable and practical tool for those countries where court decisions in the copyright domain are scarce or non-existent - either because copyright law is a fairly new phenomenon or because legislation has not been extensively applied. To that effect, this publication examines a carefully selected number of court decisions illustrating general principles of copyright law, drawn from common law, civil law and the legislative systems of Arab countries. As the basic principles

illustrated here are to a large extent commonly shared, many of the cases presented have a wider relevance, going beyond the confines of the legal system of which they form a part. L'objet du présent recueil est d'offrir un outil précieux et commode aux pays dont la jurisprudence en matière de droit d'auteur est restreinte ou inexistante, soit parce que le droit d'auteur est une réalité relativement nouvelle pour eux, soit parce que la législation en vigueur dans ce domaine n'a pas été largement appliquée. À cette fin, le présent ouvrage expose un certain nombre de décisions de justice, soigneusement sélectionnées, qui illustrent les principes généraux du droit d'auteur et qui émanent de la common law, du droit civil et des systèmes législatifs des pays arabes. Compte tenu de la valeur quasi universelle de ces principes fondamentaux, la pertinence des cas présentés va bien

souvent au-delà des limites du système juridique dont ils relèvent.

The "Judicial Reports" are organized chronologically by case. Within each case, one will find the text of Indictments, reviews of Indictments and, where applicable, deferral requests. Thereafter the text of a public review of the

Indictment pursuant to Rule 61 may follow. The publication also contains the texts of the Orders, Decisions and Judgements, as well as the separate and/or dissenting opinions that may accompany a given Trial Chamber or Appeals Chamber ruling. The "Judicial Reports" will contribute to a greater knowledge of the judicial activities of the ICTY. Various annexes, such as a table of cases, a list of Indictments and Indictees, a table of Deferrals and of Rule 61 Procedures, as well as a table of references, facilitates the use of these volumes.

Cultural and intellectual dynamism often stand in close relationship to the expression of viewpoints and positions that are in tension or even conflict with one another. This phenomenon has a particular relevance for Early Modern Europe, which was heavily marked by polemical discourse. The dimensions and manifestations of this Streitkultur are being explored by an International Network funded by the Leverhulme Trust (United Kingdom). The present volume contains the proceedings of the Network's first colloquium, which focused on the forms of Renaissance conflict and rivalries, from the perspectives of history, language and literature.

A bibliography and index are included.

Monthly Bulletin La Guerre de 1914-1918 Subject-index of the London Library, St. James's Square, London For Peace in Europe Amorcé par l'arrêt Köbler, un mouvement jurisprudentiel récent a conduit la Cour de justice à concevoir divers mécanismes qui permettent aux justiciables de sanctionner, directement ou indirectement, une juridiction nationale qui a méconnu son obligation de renvoi préjudiciel. C'est ainsi que les justiciables pourront solliciter la remise en cause de la chose décidée, voire de la chose jugée ou encore, chercher à engager la responsabilité «judiciaire» de l'État. On pressent pourtant que les solutions, très restrictives, forgées par la Cour de justice sont supplantées par les dispositifs nationaux. Ceux-ci paraissent en effet plus aisés à actionner, voire plus performants, qu'il s'agisse de la violation du droit au juge légal, comme en Allemagne ou en Espagne, ou encore de l'introduction du dispositif législatif suédois. La présentation – sans égal à ce jour – de près de vingt rapports nationaux permettra de mieux apprécier l'effectivité de la protection juridictionnelle dont disposent les justiciables via le renvoi préjudiciel. L'intérêt de cet ouvrage est d'autant plus vif que l'adhésion prochaine de l'Union européenne à la Convention

européenne des droits de l'homme se traduira vraisemblablement par une revitalisation des dispositions permettant de sanctionner une violation de l'obligation de renvoi préjudiciel. Cet ouvrage s'adresse principalement aux magistrats et aux avocats, ainsi qu'aux universitaires spécialisés dans l'étude du droit processuel.

Experience and research have long shown an intrinsic link

between human rights, conflict and development. This interdependence between different areas, doctrines, and disciplines calls for a genuinely coherent, holistic approach in International Affairs. With the challenges the work for the protection and respect of humanity encounters, this book intends to bring together articles and ideas that indicate the complexity of such an endeavor. The chapters, written by academics and practitioners encompass snapshots of crucial development lines as well as conceptual ideas and frameworks. In doing so the book provides insight to the principal understanding that peace efforts, encapsulating human rights, conflict management and development, can only be sustained and flourish as long as conflicting parties have at least a minimal consensus and will to settle their differences peacefully. As a Liber Amicorum for Joseph Voyame the book honors the determination for humanity and respect for human dignity and peaceful mitigation of conflict which marked his life and work.

L'obligation de renvoi préjudiciel à la Cour de justice

Martinus Nijhoff Publishers

Le processus d'union européenne voit aujourd'hui un point d'arrêt sur le plan politique et institutionnel, malgré les étapes décisives réalisées après la Seconde Guerre mondiale. Il reste en effet à affronter des thèmes et des problèmes qui, pendant l'entre-deux-guerres, animèrent le débat entre les pionniers de l'européanisme. Si, à l'époque, leurs propositions restèrent sans suite, ayant une issue destructrice pour la paix et l'Europe, cet héritage idéal si précieux a permis une continuité et de germer par la suite. Ce livre a pour but de présenter une série d'idées, d'initiatives, de programmes, qui entre les deux guerres

entendirent promouvoir le maintien d'un ordre international pacifié, partant du névralgique contexte européen. Il en ressort ainsi un humus significatif et transversal, opposé aux tendances inexorablement prédominantes dans la politique et les institutions, mais aussi dans la société civile. Ses animateurs oeuvrèrent dans les organisations internationales, les partis, les mouvements, les associations de type non seulement politique, de même que dans l'historiographie, la littérature, le théâtre, le cinéma, le sport, signalant les éléments en vue d'une renaissance de la cohabitation pacifique sur le plan européen et international. Despite the decisive steps forward made since the Second World War, the process of European unification has come to a standstill at a political and institutional level. Issues and problems which were already the subject of debate among the pioneers of Europeanism between the two wars have still to be addressed. Although at the time their proposal as a whole went unheeded, with destructive consequences for peace and for Europe, this valuable legacy of ideals has nevertheless guaranteed a continuity and a subsequent blossoming. The purpose of this book is to examine a series of ideas, initiatives and programmes which, between the two World Wars, aimed to promote the maintenance of a pacified international order, starting from the crucial European context. What emerges is a significant and transversal humus, that countered the inexorably prevailing tendencies in politics and institutions, and even in society. Its exponents operated in international organisations, in parties, and in movements and associations not necessarily of a political stamp, as well as in historiography, literature, theatre, cinema and sport, laying the foundations for a rebirth of peaceful co-

existence at European and international level.

Assisting the Victims of Armed Conflict and Other

Disasters Martinus Nijhoff Publishers

This third volume in a much praised series on The French Revolution and the Creation of Modern Political Culture examines the way in which the Revolution has been portrayed in European thought and its impact upon the development of political philosophy in the nineteenth century. Opening with the influence of Burke and other contemporaries of the Revolution and the

ensuing debate over the question "Why the Terror?", this volume explores such diverse themes as the legacy of the Revolution on the political and social evolution of Germany, England, Italy and Russia; the crisis it brought about in the Catholic Church; and the difficulties encountered in determining the end of the Revolution. By showing that the upheaval in European politics and philosophy caused by the French Revolution continued to shape nations, peoples and thought, the texts brought together in this volume permit a better understanding of the event's extraordinary complexity.
