Pearson Scott Foresman Christine Cameron is at a crossroads. Again. She has survived the murder of her lover and found new romance. She has won the challenge of a hostile takeover of her company and made it thrive. Now all she has to do is repeat the process all over again. But this time her life will hang in the balance.

Evidence suggests her girlfriend is cheating. At work, an evil power monger is trying to cut Chris out of power. Chris decides, after nearly dying on a hiking trip in the Mojave Desert, that she needs to hone her survival skills and reflect on her relationship. And she wants to do it in the company of an exciting new woman she meets while recovering from her accident. Little does she know

the secrets that will be uncovered in a modern day ghost town and the danger that waits as she seeks a compass for her life. Finding Polaris is about adventure, love, integrity and survival. Borrowing from recent history, the novel is set in the rugged desert bordering Joshua Tree National Park and is loosely based on events that happened to the one time flourishing town of Eagle

Mountain, now an abandoned monument to the ambition of a pioneer in the art of corporate profiteering.

Prentice Hall
In 1962, the Heritage Series of Black Poetry, founded and edited by Paul Breman, published Robert Hayden's A

Ballad of Remembrance . By 1975, the Series had published 27 volumes by some of the twentieth-century's most important and influential poets. As elaborated in Lauri Ramey's extensive scholarly introduction, this innovative volume has dual purposes: To provide primary sources that recover the history and legacy of this groundbreaking publishing venture, and to serve as a research companion for

scholars working on the Series and on twentieth-century black poetry. Never-before-published primary materials include Paul Breman's memoir, retrospectives by several of the poets published in the Series, a photo-documentary of W.E.B. Du Bois's 1958 visit to The Netherlands, poems by poets represented in the Series, and scholarly essays. Also included are bibliographies

of the Heritage poets and of the Heritage Press Archives at the Chicago Public Library. This reference work is an essential resource for scholars working in the fields of black poetry, transatlantic studies, and twentieth-century book history.
