This comprehensive guide is a must-have for the legions of fans of the beloved and perennially popular music known as soul and rhythm & blues. The latest in the definitive All Music Guide series, the All Music Guide to Soul offers nearly 8 500 entertaining and informative reviews that lead readers to the best recordings by more than 1 500 artists and help them find new music to explore. Informative biographies, essays and "music maps" trace R&B's growth from its roots in blues and gospel through its flowering in Memphis and Motown, to its many branches today. Complete discographies note bootlegs, important out-of-print albums, and import-only releases.

"Extremely valuable and exhaustive." -
The Christian Science Monitor
People Get Ready! iUniverse

The first true gospel music encyclopedia, *Uncloudy Days* explores the artists who profoundly influenced early rock 'n' roll and soul music and provided inspiration for millions of the faithful."--BOOK JACKET.

Oh Happy Day - Clarinet Quintet/Choir (score) Zondervan

"The Malaco Music Group has amassed the largest black gospel catalog in the world. Their new collection *The Gospel According to Malaco: Celebrating 75 Years of Gospel Music* in an unparalleled book and eight cd set which tells the story of gospel music over a seventy-five year period from the

post-war years to the present. This is the first time this story has been told in size and scope, providing the history behind one of the most important genres in music."--Malaco Music Group website.
A Dictionary of Hymnology, Setting Forth the Origin and History of Christian Hymns of All Ages and Nations ... Routledge
Who is Jesus Christ? You've never met Him in person, and you don't know anyone who has. But there is a way to know who he is. How? Jesus Christ - the divine Person revealed in the Bible - has a unique excellence and a spiritual beauty that speaks directly to our souls and says, "Yes, this is truth." It's like seeing the sun and knowing that it is light, or tasting honey and knowing that it is sweet. The depth and complexity of Jesus shatter our simple mental frameworks. He baffled proud scribes with his wisdom but was understood and loved by children. He calmed a raging storm with a word but would not get himself down from the cross. Look at the Jesus of the Bible. Keep your eyes open, and fill them with the portrait of Jesus in God's Word. Jesus said, "If anyone's will is to do God's will, He will know whether the teaching is from God or whether I am speaking on my own authority." Ask God for the grace to do His will, and you will see the truth of His Son. John Piper has written this book in the hope that all will see Jesus for who he really is and will come to enjoy him above all else.

Encyclopedia of American Gospel Music
Cambridge University Press

This is a fascinating and thoroughly researched exploration of the best-selling gospel album of all time. For two days in January 1972, Aretha Franklin sang at the New Temple Missionary Baptist Church in Los Angeles while tape recorders and film cameras rolled. Everyone there knew the event had the potential to be historic: five years after ascending to soul royalty and commercial success, Franklin was publicly returning to her religious roots. Her influential minister father stood by her on the pulpit. Her mentor, Clara Ward, sat in the pews. Franklin responded to the occasion with the performance of her life and the resulting double album became a multi-million seller - even without any trademark hit singles. But that was just one part of the story. Franklin's warm inimitable voice, virtuoso jazz-soul instrumental group and Rev. James Cleveland's inventive choral arrangements transformed the course of gospel. Through new interviews, musical and theological analyses as well as archival discoveries, this book sets the scene, traces the recording's traditional origins and pop

infusions and describes the album's enduring impact.

Seeing and savouring Jesus Christ Glissato Edizioni Musicali

The Encyclopedia of American Gospel Music is the first comprehensive reference to cover this important American musical form. Coverage includes all aspects of both African-American and white gospel from history and performers to recording techniques and styles as well as the influence of gospel on different musical genres and cultural trends.

Gospel Praise Book Baker's Plays

From Robert Johnson to Aretha Franklin, Mahalia Jackson to John Lee Hooker, blues and gospel artists figure heavily in the mythology of twentieth-century culture. The styles in which they sang have proved hugely influential to generations of popular singers, from the wholesale adoptions of singers like Robert Cray or James Brown, to the subtler vocal appropriations of Mariah Carey. Their own music, and how it operates, is not, however, always seen as valid in its own right. This book provides an overview of both these genres, which worked together to provide an expression of twentieth-century black US experience. Their histories are unfolded and questioned; representative songs and lyrical imagery are analysed; perspectives are offered from the standpoint of the voice, the guitar, the piano, and also that of the working musician. The book concludes with a discussion of the impact the genres have had on mainstream musical culture.

Billboard Glissato Edizioni Musicali
American Music: An Introduction, Second Edition is a collection of seventeen essays surveying major African American musical genres, both sacred and secular, from slavery to the present. With contributions by leading scholars in the field, the work brings together analyses of African American music based on ethnographic fieldwork, which privileges the voices of the music-makers themselves, woven into a richly textured mosaic of history and culture. At the same time, it incorporates musical treatments that bring clarity to the structural, melodic, and rhythmic characteristics that both distinguish and unify African American music. The second edition has been substantially revised and updated, and includes new essays on African and African American musical continuities, African-derived instrument construction and performance practice, techno, and quartet traditions. Musical transcriptions, photographs, illustrations, and a new audio CD bring the music to life.

Oh Happy day - Flute quintet/choir

score & parts Open Road +
Grove/Atlantic

There's nothing like a good ole gospel tune to lift your spirits, give you hope, and help you through the hard times. Gospel favorites such as Just a Little Talk with

Jesus, How Big Is God, In the Garden, and many more are the inspiration behind these 75 soul-stirring devotions and prayers. Each devotion is accompanied by an interesting tidbit about the song, its composer, and the song's importance to the world of Southern Gospel music.
