In a Handful of Dust Del Rey

"A magical tale unlike anything you've read before." —Bustle "[A] richly imagined 19th-century historical fantasy." —EW, A- The thrilling first book in a YA fantasy trilogy for fans of Red Queen. In a world where social prestige derives from a trifecta of blood, money, and magic, one girl has the ability to break the spell that holds the social order in place. Sixteen-year-old Anna Arden is barred from society by a defect of blood. Though her family is part of the Luminare, powerful users of

magic, she is Barren, unable to perform the simplest spells. Anna would do anything to belong. But her fate takes another course when, after inadvertently breaking her sister's debutante spell—an important chance for a highborn young woman to show her prowess with magic—Anna finds herself exiled to her family's once powerful but now crumbling native Hungary. Her life might well be over. In Hungary, Anna discovers that nothing is quite as it seems. Not the people around her, from her aloof cousin Noémi to the fierce and handsome Romani

Gábor. Not the society she's known all her life, for discontent with the Luminare is sweeping the land. And not her lack of magic. Isolated from the only world she cares about, Anna still can't seem to stop herself from breaking spells. As rebellion spreads across the region, Anna's unique ability becomes the catalyst everyone is seeking. In the company of nobles, revolutionaries, and Romani, Anna must choose: deny her unique power and cling to the life she's always wanted, or embrace her ability and change that world forever. "A fast-paced historical fantasy full of magic, romance, and adventure!"—JESSICA DAY GEORGE, *New York Times* bestselling author of *Silver in the Blood*

Blood of Tyrants Simon and Schuster
The first book in the *New York Times* bestselling epic fantasy trilogy by award-winning author Laini Taylor. Around the world, black handprints are appearing on doorways, scorched there by winged strangers who have crept through a slit in the sky. In a dark and dusty shop, a devil's supply of human teeth grown dangerously low. And in the tangled lanes of Prague, a young art student is about to be caught up

in a brutal otherworldly war. Meet Karou. She fills her sketchbooks with monsters that may or may not be real; she's prone to disappearing on mysterious "errands"; she speaks many languages--not all of them human; and her bright blue hair actually grows out of her head that color. Who is she? That is the question that haunts her, and she's about to find out. When one of the strangers--beautiful, haunted Akiva--fixes his fire-colored eyes on her in an alley in Marrakesh, the result is blood and starlight, secrets unveiled, and a star-crossed love whose roots drink deep of a violent past. But will Karou live to regret learning the truth about herself?

Gutsy Gomez’s danger-filled journey to save those infected with the zombie plague continues in New York Times bestselling author Jonathan Maberry’s terrifying continuation of the *Rot and Ruin* saga. Gabriella “Gutsy” Gomez lost her mother, and now she’s losing her home. Gutsy and her friends, along with Benny and his crew, have just survived a massive attack on New Alamo by the Night Army—a mix of mindless shambling *los muertos* and sentient half-zombie ravagers.
