Alexis A. Nelson says, "When I gave birth to my first child, it was

overwhelming. I'll never forget I couldn't stop him from crying. I walked with him, I changed his diaper, I tried feeding him and nothing would work. My mother happened to be over that evening, and she said to give her the baby. I did and she began singing to him. Immediately he stopped crying and fell asleep. From that day forward I began creating my own lullabies. All three

of my children love when I sing to them. The music is soothing for my children and therapeutic for me. "
