PRECIOUS ADRIENNE

Fairway Harvard
 University Press
 "Of Mice and Men" is a

novella written by John
 Steinbeck, first published
 in 1937. Set during the
 Great Depression in
 California, it tells the story
 of two displaced migrant
 ranch workers, George
 Milton and Lennie Small,

who are trying to make a
 living during tough
 economic times. George is
 a small, quick-witted man,
 while Lennie is a
 physically strong but
 mentally disabled man
 with a childlike innocence.

The two have a close bond, with George serving as a protector and caretaker for Lennie. The story follows their journey as they seek employment and dream of owning their own piece of land, which they call a little farm where they can live off the fat of the land. However, their dreams are constantly threatened by the harsh realities of their circumstances and the cruelty of the world around them. The novella explores themes of friendship, loneliness, isolation, and the harshness of society, as well as the plight of marginalized individuals during the Great Depression. It is a poignant and timeless work that continues to resonate with readers due to its powerful portrayal of human relationships and the struggle for survival.

Corpus Papyrorum

Judaicarum Legare Street Press

By showing how both interpretations have gained support in the more recent past, this work aims to provide a better understanding of the issues involved in the study of pottery today."--

Curriculums for STEM education programs have been successfully implemented into numerous school systems for many years. Recently, the integration of arts education into such programs has proven to be significantly beneficial to students, resulting in a new method of teaching including science, technology, engineering, art, and mathematics. Cases on STEAM Education in Practice is an essential research publication for the latest scholarly information on curriculum development, instructional design, and educational benefits of STEAM learning initiatives. Featuring coverage on a range of topics including fine arts, differentiated instruction, and student engagement, this book is ideally designed for academicians, researchers, and professionals seeking current research on the implementation of STEAM education.

Amazing English Palala Press

Stone Cold is a Carnegie Medal-winning thriller by Robert Swindells. It is one of The Originals from Penguin - iconic, outspoken, first. A tense

thriller plot is combined with a perceptive and harrowing portrait of life on the streets as a serial killer preys on the young and vulnerable homeless. Link, aged 17, is distrustful of people until he pairs up with Deb, another homeless youngster. But what Deb doesn't tell him is that she's an ambitious young journalist on a self-imposed assignment to track down the killer and she's prepared to use herself as bait ... The Originals are the pioneers of fiction for young adults. From political awakening, war and unrequited love to addiction, teenage pregnancy and nuclear holocaust, The Originals confront big issues and articulate difficult truths. The collection includes: The Outsiders - S.E. Hinton, I Capture the Castle - Dodie Smith, Postcards from No Man's Land - Aidan Chambers, After the First Death - Robert Cormier, Dear Nobody - Berlie Doherty, The Endless Steppe - Esther Hautzig, Buddy - Nigel Hinton, Across the Barricades - Joan Lingard, The Twelfth Day of July - Joan Lingard, No Turning Back - Beverley Naidoo, Z for Zachariah - Richard C. O'Brien, The Wave - Morton Rhue, The Red

Pony - John Steinbeck, The Pearl - John Steinbeck, Stone Cold - Robert Swindells.

This book provides original and stimulating listening practice across a range of levels and topics. The activities are designed around authentic scenarios and help students develop specific listening skills, such as listening for details, identifying emotions or listening for opinions. The book is suitable for A2-B2 level students and is an ideal supplement in mixed ability as well as mixed level classes. Spiral binding maximises the longevity of the book and accompanying Audio CDs include recordings for all listening tasks from the book. The recordings expose students to a variety of native and non-native accents and cover a range of genres from radio and television to academic lectures, presentations and

conversational dialogues.

International Legal English
Teacher's Book is an

essential companion for
any teacher wishing to

use International Legal

English in the classroom.

The book offers invaluable
background information

about the law topics
discussed, giving teachers
the confidence to explore
these topics with their
students. The Teacher's
Book guides the teacher
through the exercises in
the book and suggests
optional consolidation
activities along the way. It
includes 45 extra
photocopiable activities
and adds a whole new
communicative dimension
to the course, with lots of
ideas for discussion and
role-plays.
