In this new book, Dolly's personal code of conduct is transformed into practical guidance for readers who want to know how she would handle many of the real-life challenges they themselves are facing. Calling upon Dolly's personal examples, quotes, song titles and lyrics, and famous film scenes that were meaningful to her, as well as personal anecdotes provided by her co-stars, friends, family members, and peers, *Everything I Need to Know I Learned from*

Dolly Parton provides insights into how to handle dozens of challenges, from managing heartbreak and succeeding at work, to raising children and responding to inequality. Dozens of quotes, insights and full-color photos provide a glimpse into how Dolly has lived her life and how her approach can help readers overcome anything thrown at them.

Good Words Good Press

A spirited homage to Dolly Parton that captures the unique humor, no-nonsense wisdom, flash, and sass of one of America's most iconic stars. One of twelve children raised in a shack in the foothills of the Appalachian

Mountains, Dolly Parton grew to become an international superstar famous for classic songs such as "Jolene," "9 to 5," "The Coat of Many Colors," and "I Will Always Love You." She is a reflection of the American dream, a role model for the ages, and a mentor to a whole new generation of entertainers. There is much to be learned from her unique brand, her big heart and spirituality, her grit and work ethic. This lively, illustrated book--part biography, part inspiration, part words of wisdom and life lessons--highlights the very best of the "Dolly Mama," from her quotable Dollyisms, unrelenting positivity, and powerful spirituality, to her belief in the human

ability to overcome adversity. Drawing on Dolly's two autobiographies, cookbooks and songs; as well as artifacts; books by her family members; biographies; and decades worth of television, print interviews and performances, *What Would Dolly Do?* shows you how to tap into your Inner Dolly with confidence, faith, and humor.

The Problem with Being Slightly Heroic

Routledge

The Tapu of Branderah by Louis Becke is about the voyage of English and German travelers heading to Mayou in southeast New Guinea. Excerpt: "As the rising sun had just begun to pierce the misty tropic haze of early dawn, a small, white-painted schooner of ninety or a

hundred tons burden was bearing down upon the low, densely-wooded island of Mayou, which lies between the coast of south-east New Guinea and the murderous Solomon Group—the grave of the white man in Melanesia."
