RIVAS SIMONE

The Well-tempered Clavier Cambridge University Press

What am I? I lived a long, long time ago. I had round eyes... lots of sharp teeth... This new concept book from Caldecott Honor illustrator Suse MacDonald is sure to entertain children. As readers turn the brightly colored, die cut pages, shapes on each page come together to reveal a creature from long ago. Page by page, MacDonald's bright, cut-paper, collage-style artwork transforms circles into eyes and triangles into scales until a familiar creature is revealed, with the aid of a large fold-out page, on the final spread. This 9 X 9 jacketed hardcover has die-cut cardstock pages.

The Yankee Consul Wizards of the Coast

Anatol Lyadov (1855-1914) was a Russian composer, conductor, teacher, and collector and arranger of folksongs. Although he wrote few large-scale works, he did compose numerous piano miniatures which abound in lyrical charm. Eighteen of these are collected in this album to provide varied moderate to difficult repertoire for the pianist.

Preludes (Books 1 and 2) Alfred Music

This year marks the 20th anniversary of The Sandman series, and this final volume in The Absolute Sandman series ties into this event.

The Well-Tempered Clavier, Volume I Alfred Music Publishing

Part biography, part criticism, and part analysis, this fascinating study of one of music's greatest geniuses is above all an authoritative commentary on the entire corpus of Debussy's work for solo piano. Includes 21 illustrations.

Preludes Courier Corporation

Following the successful Hymn Prelude Library series for organ comes a comprehensive set of piano

preludes for all the hymn tunes in Lutheran Service Book. Not an adaptation of the organ series, this collection features newly composed pieces by dozens of composers who write in a variety of styles and harmonizations. The pieces are useful as preludes, postludes, offertories, and introductions and during distribution, as well as for those who play hymns at home. The durable wire binding ensures that each page lies flat against the music stand. The complete library will include 12 volumes organized alphabetically by hymn tune. Volume 3 contains preludes for tunes starting with the letters D and E.

Music and Gesture G Schirmer Incorporated

(Fred Bock Publications). 12 outstanding original compositions by Gordon Young featuring his renowned style, including: A Christmas Prelude * Jubilation * Partia on 'O Sacred Head' * Prelude on a Welsh Tune * Trumpet Tune * and more. Easy-medium difficulty level.

Etudes, Children's corner, Images book II, and other works for piano Alfred Music

This collection of Debussy's popular intermediate pieces includes "Clair de lune," "Reverie," "La petite nègre," the complete "Children's Corner Suite" and other works. The introductory pages discuss symbolist poetry, French Impressionist painters and Debussy's musical style. A variety of photographs taken throughout the composer's life are also included.

An Introduction to His Piano Music Wizards of the Coast

Collected from several sources, these teaching pieces were published separately in the 18th and 19th centuries as the Twelve Short Preludes and the Six Short Preludes. Students are often introduced to these works prior to studying the Two-Part Inventions (Alfred Edition 22528). This unique edition includes the realization of ornaments and guidance concerning tempos and articulation.

Absolute Sandman Volume Four Courier Corporation

A most impressive 220-page edition of the first volume of "The Well-Tempered Clavier," these 24 preludes and 24 fugues were painstakingly researched over a period of 10 years, using the most important original manuscript sources. Baroque scholar Willard A. Palmer's thorough introduction discusses fugal construction, articulation and other aspects of performance interpretation. Volume I of "The Well-Tempered Clavier" has been updated with a new "look" to match Volume II. This essential masterpiece is a "must-have" for all pianists.

Alfred Music

This volume showcases key theoretical ideas and practical considerations in the growing area of scholarship on musical gesture. The book constructs and explores the relations between music and gesture from a range of differing perspectives, identifying theoretical approaches and examining the nature of certain types of gesture in musical performance. The twelve chapters in this volume are organized into a heuristic progression from theory to practice, from essay to case study. Theoretical considerations about the interpretation of musical gestures are identified and phrased in terms of semiotics, the mimetic hypothesis, concepts of musical force, immanence, quotation and topic, and the work of musical gestures. The lives of musical gestures in performance are revealed through engaging with their rhythmic properties as well as inquiring into the breathing of pianists, the nature of clarinetists' bodily movements, and the physical acts and personae of individual artists, specifically Keith Jarrett and Robbie Williams. The reader is encouraged to listen to the various resonances and tensions between the chapters, including the importance given to bodies, processes, motions, expressions, and interpretations of musical gesture. The book will be of significance to musicologists, theorists, semioticians, analysts, composers and performers, as well as scholars working in different research communities with an interest in the study of gesture.

Preludes, Books I and II Complete Alfred Music

Preludes, Books I and II Complete Courier Corporation

This concise edition includes 12 pieces selected by editor Lynn Freeman Olson, based on their

frequent use with pre-college students. To impart Debussy's compositional intentions to the performer, the editor has kept editorial suggestions to a minimum. However, a glossary of selected French terms provides insight into the vivid nature of these expressive pieces.

Marvel's Black Panther Prelude Hal Leonard Corporation

Dr. Maurice Hinson caps off his extensive library of period anthologies with a comprehensive look at Impressionist compositions. This beautifully engraved edition includes works by the top 20 Impressionistic composers, an extensive foreword with historical information on each composer, specific performance notes for each piece and a look at the compositional techniques used by Impressionists.
