### What is Above Desperado Pub

The most feared man in the history of the corrupt police state of La Colonia was the Iguana, an unstoppable assassin of monstrous cruelty, debased appetites, and nearly super-human abilities. Now, he is seemingly dead, but his foul influence still permeates the landscape, inspiring as much terror and loathing in death as in

life. When a beautiful and ambitious American tabloid journalist travels to La Colonia to investigate the Iguana's apparent death, she herself becomes entangled in his legacy of savage transgressions and perverse desires, and even a Pulitzer Prize may not be able to wipe away the stain on her soul. Written by CyberSix creator Carlos Trillo and illustrated by Roberto Mandrafina, and the sequel to *The Big Hoax*, *The Iguana* is a brutal satire, as disturbing as it is sardonic. Not for the faint of heart, *The Iguana* is another essential Venture

graphic album, published in collaboration with Strip Art Features, and available for the first time in an English-language edition!

### Exterminator 17 Blank Slate Books

First the first time, the complete *Kaos Moon*, the esoteric cult classic from the late nineties, in one volume! Enjoy the beautiful and detailed artwork by popular European creator David Boller. The mountains of Siberia were once ruled by clans of powerful Shamans, until soldiers invaded the highlands and enslaved the population and exterminated their religion.

Only three powerful Shamans survived the attack unscathed. Katja Zakkov is experiencing strange visions. By merely touching people and objects, she can see images of past events. As the flashbacks intensify, she discovers that she's the reincarnation of an ancient, beautiful Shaman called Kaos Moon. One of the three Shamans, which survived the attacks. The other two, Shrasa and Varg, both now in altered states of existence, have been embroiled in a bitter battle over revenge. Katja realizes that she and her alter ego Kaos Moon hold the key to the balance of the triumvirate. This collection holds the brand-new origin "Shaman Rising" story, all four regular issues published by Caliber Comics, as well four additional short-stories and previously unpublished paintings and sketches.

1948. The creation of the Hebrew state is proving to be not exactly a peaceful affair, starting with the Egyptian bombs that are regularly falling on Tel-Aviv. All that Israel has to fight the lethal enemy 'Spitfires' are some old 'Mezek', flown by Jewish volunteers from all over the world, but also

mercenaries from rather more sinister backgrounds. Bjorn is one of those mercenaries. He's come to risk his life for several million dollars, a fact that galls his brothers-in-arms, who are fighting not for cash but for their ideals!

Based on a true story, *Once Upon a Time in France* follows the life of Joseph Joanovici, a Romanian Jew who immigrated to France in the 1920s and became one of the richest men in Europe as a scrap-metal magnate. For some, he was a villain. For others, a hero. As Germany occupies France, Mr. Joseph thinks his influence can keep his family safe, but he soon finds that the only way to stay one step ahead of the Nazis is to keep his friends close and his enemies closer. Though he plays both sides of the fence as a Nazi collaborator and French resistant, a tangled web of interests forms around him that proves it will take a lot more than money to pay for the survival of his family. An international

bestseller with over 1 million copies sold, the French series *Once Upon a Time in France*, collected here in one omnibus edition, has won the BDGest'Arts Best Scenario Award, BDGest'Arts Album of the Year, and Angoulême International Comics Festival Best Series Award, among many others.

"Set in the snowy wastelands of Canada around 1912, this provocative graphic novel deals with complex moral choices. Jesuit Joe, the protagonist, is of French-Canadian and Mohawk descent and is embarked on an obsessive religious search for the Absolute. His actions reflect a disturbed personality with an unorthodox ethical code. He kills with terrible ease and reveals an unmatched cruelty and ferocity, yet when his mood suddenly shifts, he is capable of unexpected acts of kindness and compassion. He wears the red serge jacket of the Canadian Mounties that he found in a hut, which gives rise to a series of misunderstandings when he is mistaken for a member of the Canadian Mounted Police, and is tracked by his nemesis, Sergeant Fox, whose mission is to capture Jesuit Joe and bring him to justice." In *Hector Umbra*, Oesterle skilfully employs the stylistic devices of the detective novel and science fiction. He also enriches his abstruse and mysterious adventure by taking critical sideswipes at the widespread dissemination of conspiracy theories, the sensationalism of the media and the fashion fixation of club culture. The focal point of his stories is Hector Umbra, a painter, who goes in search of his friend DJ Osaka, who has suddenly disappeared. Readers will be entranced by this wild and colourful world packed with freaks, villains and aliens.
