### Witness Sunday School Curriculum

Group Publishing (Company)

This book is for every educator in the church whether a volunteer Sunday school teacher or seasoned pastor. It takes current educational research and applies it to teaching Sunday school for students from preschool through adult. How do preschool children learn best? How do I get the middle schoolers engaged? What's the best way to have an effective adult Bible study? How do I introduce Bible Inquiry? This book gives information and encouragement for every stage of teaching the faith: Narrative (Preschool through 2nd grade), Knowledge (3rd through 5th grades), Understanding (6th through 8th grades), Reason (9th through 12th grades), and Wisdom (adult). Whether you teach five-year-olds, teenagers, or adults, this book is what you've been hoping for. It will give you confidence that whatever curriculum you have; you can use it to its fullest. It is time to set aside the dry read-a-story-and-paste-paper-together lesson and the-answer-couldn't-be-more-obvious questions and begin something that will be meaningful to each child at every grade level, from preschool through adult.

An LAPD homicide detective must choose between justice and vengeance as he teams up with the FBI in this "thrilling" novel filled with mystery and adventure (New York Times Book Review). For maverick LAPD homicide detective Harry Bosch, the body in the

drainpipe at Mulholland Dam is more than another anonymous statistic. This one is personal . . . because the murdered man was a fellow Vietnam "tunnel rat" who had fought side by side with him in a hellish underground war. Now Bosch is about to relive the horror of Nam. From a dangerous maze of blind alleys to a daring criminal heist beneath the city, his survival instincts will once again be tested to their limit. Pitted against enemies inside his own department and forced to make the agonizing choice between justice and vengeance, Bosch goes on the hunt for a killer whose true face will shock him.

'Imagine what your students would learn if they were there when the Hebrews wandered for forty years through the wilderness. What would your students experience if they walked through an Old Testament Tabernacle? How would their lives be changed if they really understood the Kingdom of God? When it comes to learning, all the best teaching can't compare to the value of an interactive experience. When your students have the opportunity to use all their senses and personally participate in a lesson, they walk away with a greater understanding. Enter the Story gives you everything you need to help your students engage in and learn from the Bible with seven unforgettable, hands-on experiences. As you understand more about experiential learning, you'll also find detailed instructions to effectively prepare experiences on: \* Creation \* Separation \* Wanderings \* Tabernacle \* Kingdom \* The Cross \* Restoration Whether used individually or in succession, at a weekly youth group meeting or during a retreat, these practical and easy-to-use experiences

will shed new light on the Bible and allow students to truly enter into God's Story. ' *The Action Bible* Augsburg Fortress Publishing

After more than a decade in youth ministry, Michael Novelli felt like he'd tried everything to connect his students to the Bible. Then a missionary introduced him to the art of Bible storying--an imaginative way to engage in the scriptures through storytelling, creative reflection, and dialogue. He soon discovered that Bible storying was not only an effective teaching approach, but a powerful way to awaken people to new purpose and identity rooted in the biblical narrative. In 2012, Michael partnered with sparkhouse to create Echo the Story curriculum, based on his approach to Bible storying. Michael has seen people of all ages benefit from this imaginative way of encountering God through the Bible. In this book, you'll find methods for adapting Bible storying for varied contexts and ages, testimonials from people using this approach, tools to create your own Bible storying narratives, and details about the proven learning theories guiding this approach. Unleash the power of God's grace as you journey through the Old Testament. Prepare to be challenged and transformed as you explore the stories and testimonies of the Bible, where grace refuses to be tamed. Grace is a

dangerous topic. We want to domesticate it, calm it down, and stuff it into a blue blazer and a pair of khakis. But biblical grace—or charis—doesn't like to settle down. Grace is a dangerous topic because the Bible is a dangerous book. *Scandalous Grace* offers: Biblically rich viewpoints that challenge conventional interpretations; An exploration of grace in the Old Testament instead of a focus on judgment; Theological perspective that showcases a benevolent God who consistently extends redemption to those seen as irredeemable. Whether you're a seasoned theologian or seeking Christian spiritual growth, *Scandalous Grace* promises an intellectual and spiritual journey that will expand your understanding of a God whose grace knows no boundaries.

Have you ever closed your Bible and thought, What did I just read? Whether you're brand-new to the Bible or you grew up in the second pew, reading Scripture can feel confusing or boring at times. Understanding it well seems to require reading it thoroughly (and even repeatedly), but who wants to read something they don't understand? If you've ever wanted to read through the Bible or even just wanted to want to read it, *The Bible Recap* is here to help. Following a chronological Bible reading plan, these recaps explain and connect the story of Scripture, section by section. Soon you'll see yourself as a child of God who knows and loves His Word in the ways you've always hoped for. You don't have to go to seminary. You don't need a special Bible. Just start reading this book alongside your Bible and see what God has to say about Himself in the story He's telling. "Tara-Leigh gets me excited

to read the Bible. Period. I have found a trusted guide to walk me into deeper understanding of the Scriptures."--

Sunday School Specials Crossway

Part 1, Ecclesiology: The study of being adopted into God's family, also known as the Christian Church, is called Ecclesiology. Part 2, Lent: Our Bible studies will be from the parables and teachings of Jesus, as found in the gospels, during the week between Palm Sunday and Resurrection Sunday. This is known as the Passion Week, because of the intense love Jesus has for us, which he demonstrated on the cross.

When Dr. Henrietta Mears began her ministry in Hollywood, California, in the 1930s, she was facing several challenges. Sixty percent of children at the time were not attending a church of any sort. Fewer than fifteen percent of children who attended Sunday School ever made a decision to follow Jesus. Youth in their early college years were walking away from faith at an unprecedented rate. Church attendance

across the United States was experiencing a decline instead of growth. In response to the crisis, Dr. Mears instituted a set of principles that helped grow the Sunday School program at First Presbyterian Church of Hollywood from 450 to more than 4,000 in just three years. In *Sunday School Changes Everything*, you will find her fearless recommendations on how to Build your church's Christian education program both numerically and spiritually Use practical methods for training your leaders and teaching students of all stages of life Implement five ingredients of successful ministry: Jesus, the Bible, relationships, a comprehensive plan, and life change Employ 10 standards of a good curriculum that will help you answer the question of what to teach
