### 6 Seattle Walks Fodor's Travel

In addition to the Cascade Range and Puget Sound, this authoritative guide also leads to lesser-known destinations, including high bluffs and tide pools along the Pacific, abandoned mines and railways, and stands of old-growth forest inside the city limits.

Epic Hikes of the World ReadHowYouWant.com

Provides information on the accommodations, restaurants, museums, outdoor activities, shopping, nightlife, and sights in the city.

**National Trust Guide Seattle** University of Washington Press  
Insight City Guide Seattle is a comprehensive travel guide to this innovative and scenic city. Full-colour photos and maps throughout combine with authoritative text to inspire you to explore Seattle and its surrounding areas. Be inspired by the "Best Of Seattle" section, which highlights unmissable sights and experiences, while a comprehensive Travel Tips section gives you all the practical information and travel advice you need to plan what to do on your trip, including selective listings for hotel and restaurants. Lavish Photo Features offer a unique insight into topics such as northwestern Native American tribes, the EMP Museum and local volcanoes. Insight's trademark history and culture coverage provides a fascinating introduction to Seattle's enterprising and alternative culture, while features by local

writers delve into everything from Bill Gates and Microsoft to writers' interest in the famous rain, local wines and totem poles. Nine Places chapters cover the city, from the National Historic District of Pioneer Square and the International District to the diverse neighborhoods of Ballard and Capitol Hill, while three further excursions chapters suggest trips to across Puget Sound, around the Olympic Peninsula and out to the San Juan Islands and Cascade Mountains.

60 Hikes Within 60 Miles: Seattle Sasquatch Books

"Sentimental, heartfelt...the exploration of Henry's changing relationship with his family and with Keiko will keep most readers turning pages...A timely debut that not only reminds readers of a shameful episode in American history, but cautions us to examine the present and take heed we don't repeat those injustices."-- Kirkus Reviews "A tender and satisfying novel set in a time and a place lost forever, *Hotel on the Corner of Bitter and Sweet* gives us a glimpse of the damage that is caused by war--not the sweeping damage of the battlefield, but the cold, cruel damage to the hearts and humanity of individual people. Especially relevant in today's world, this is a beautifully written book that will make you think. And, more importantly, it will make you feel." -- Garth Stein, New York Times bestselling author of *The Art of Racing in the Rain* "Jamie Ford's first novel explores the age-old conflicts between father and son, the beauty and sadness of what happened to Japanese Americans in the Seattle area during World War II, and the depths and longing of deep-heart love. An impressive, bitter, and sweet debut." -- Lisa See, bestselling author of *Snow Flower and the Secret Fan* In the opening pages of Jamie Ford's stunning debut novel, *Hotel on the Corner of*

*Bitter and Sweet*, Henry Lee comes upon a crowd gathered outside the Panama Hotel, once the gateway to Seattle's Japantown. It has been boarded up for decades, but now the new owner has made an incredible discovery: the belongings of Japanese families, left when they were rounded up and sent to internment camps during World War II. As Henry looks on, the owner opens a Japanese parasol. This simple act takes old Henry Lee back to the 1940s, at the height of the war, when young Henry's world is a jumble of confusion and excitement, and to his father, who is obsessed with the war in China and having Henry grow up American. While "scholarshipping" at the exclusive Rainier Elementary, where the white kids ignore him, Henry meets Keiko Okabe, a young Japanese American student. Amid the chaos of blackouts, curfews, and FBI raids, Henry and Keiko forge a bond of friendship--and innocent love--that transcends the long-standing prejudices of their Old World ancestors. And after Keiko and her family are swept up in the evacuations to the internment camps, she and Henry are left only with the hope that the war will end, and that their promise to each other will be kept. Forty years later, Henry Lee is certain that the parasol belonged to Keiko. In the hotel's dark dusty basement he begins looking for signs of the Okabe family's belongings and for a long-lost object whose value he cannot begin to measure. Now a widower, Henry is still trying to find his voice--words that might explain the actions of his nationalistic father; words that might bridge the gap between him and his modern, Chinese American son; words that might help him confront the choices he made many years ago. Set during one of the most conflicted and volatile times in American history, *Hotel on the Corner of Bitter*

and Sweet is an extraordinary story of commitment and enduring hope. In *Henry and Keiko*, Jamie Ford has created an unforgettable duo whose story teaches us of the power of forgiveness and the human heart. **BONUS:** This edition contains a *Hotel on the Corner of Bitter and Sweet* discussion guide and an excerpt from Jamie Ford's *Love and Other Consolation Prizes*.

**Secret Seattle (Seattle Walk Report)** University of Washington Press

"A creative travel guide and journal to the city of Seattle, Washington, filled with historical tidbits and information as well as journal and art prompts"--

**Hiking Washington's History** Mountaineers Books

Seattleites often play in the mountain ranges they can see from their city—but sometimes you just need a hike you can do before lunch. That's what you get with *Urban Trails: Seattle*. A thriving city of more than seven hundred thousand residents within a metropolitan area of nearly four million, Seattle has become a big city, with rapid growth and an increasing number of new arrivals every year. Thanks to the foresight of early city planners, however, the city's large park system contains a wide array of trails that traverse manicured lawns, nature preserves, old-growth forest groves, historic districts, and vibrant neighborhoods—as well as trails that travel along lakeshores, cascading creeks, and stretches of Puget Sound shoreline. Within this sprawling metropolis you'll also find some of the best long-distance paved trails in the Northwest. They thread together parks and greenbelts that call out for further exploration and adventures. Whether you like to hike, run, or walk, you'll find countless options among Seattle's urban trails, giving you many

reasons to never leave the city when seeking excellent outdoor adventures. Features of this guide include: Easy to reference maps Trail distance and high point Indicates trail suitability for walkers, hikers, and runners Trailhead amenities Info for families with kids and for dog owners Sidebars on area history, nature, and sights

**Seattle Stairway Walks** Sasquatch Books

*Walking Washington's History: Ten Cities*, a follow-up to Judy Bentley's bestselling *Hiking Washington's History*, showcases the state's engaging urban history through guided walks in ten major cities. Using narrated walks, maps, and historic photographs, Bentley reveals each city's aspirations. She begins in Vancouver, established as a fur trade emporium on a plain above the Columbia River, and ends with Bellevue, a bedroom community turned edge city. In between, readers crisscross the state, with walks through urban Olympia, Walla Walla, Tacoma, Seattle, Everett, Bellingham, Yakima, and Spokane. Whether readers pass through these cities as tourists or set out to explore their home terrain, they will discover both the visible and invisible markers of Washington history underfoot. ♦

Insight Guides: Seattle City Guide Sasquatch Books

Sound and the San Juan Islands- outdoor activities chapter covers kayaking, hiking, biking, windsurfing and more

#### Nature Obscura Moon Travel

Not far from Seattle skyscrapers live 150-year-old clams, more than 250 species of fish, and underwater kelp forests as complex as any terrestrial ecosystem. For millennia, vibrant Coast Salish communities have lived beside these waters dense with nutrient-rich foods, with cultures intertwined through exchanges across the waterways. Transformed by settlement and resource extraction, Puget Sound and its future health now depend on a better understanding of the region's ecological complexities. Focusing on the area south of Port Townsend and between the Cascade and Olympic mountains, Williams uncovers human and natural histories in, on, and around the Sound. In conversations with archaeologists, biologists, and tribal authorities, Williams traces how generations of humans have interacted with such species as geoducks, salmon, orcas, rockfish, and herring. He sheds light on how warfare shaped development and how people have moved across this maritime highway, in canoes, the mosquito fleet, and today's ferry system. The book also takes an unflinching look at how the Sound's ecosystems have suffered from human behavior, including pollution, habitat destruction, and the effects of climate change. Witty, graceful, and deeply informed, *Homewaters* weaves history and science into a fascinating and hopeful narrative, one that will introduce newcomers to the astonishing life that inhabits the Sound and offers longtime residents new insight into and appreciation of the waters they call home. A Michael J. Repass Book  
*Seattle* Falcon Guides

Wes Anderson's beloved films announce themselves through a singular aesthetic - one that seems too vivid, unique, and meticulously constructed to possibly be real. Not so - in *Accidentally Wes Anderson*, Wally Koval collects the world's most Anderson-like sites in all their faded grandeur and pop-pastel colours, telling the story behind each stranger than-fiction-location. Based on the viral online phenomenon and community of the same name, *Accidentally Wes Anderson* celebrates the unique aesthetic that millions of Anderson fans love - capturing the symmetrical, the atypical, the unexpected, the vibrantly patterned, and distinctively coloured in arresting photographs from around the world. Authorised by Wes Anderson himself, and appealing to the millions who love his films, this book is also for fans of *Cabin Porn* and *Van Life* - and avid travellers and aspiring adventurers of all kinds.

**Seattle Townscape Walks** Apa Publications (UK) Limited  
For thousands of years people have traveled across Washington's spectacular terrain, establishing footpaths and roads to reach hunting grounds and coal mines high in the mountains, fishing sites and trade emporiums on the rivers, forests of old growth, and homesteads and towns on prairies. These traditional routes have been preserved in national parks, restored by cities and towns, salvaged from old railroad tracks, and opened to hikers by Indigenous communities. In this new, full-color edition of the first-ever hiking guide to the state's historic trails, historian and hiker Judy Bentley teams up with veteran guidebook author Craig Romano to lead adventurers of all abilities along trails on the coast, over mountains, through national forests, across plateaus, and on the banks of the Columbia River. Features include: • 44

hikes, including 12 new additions • Full-color trail maps • A trails timeline that connects hikes to key events • Updated trail descriptions • Accounts from diaries, journals, and archives • Historical overviews of 8 regions of the state • Contemporary and historical photographs Bentley and Romano offer an essential boots-on-the ground history of some of the state's most fascinating places.

*Hotel on the Corner of Bitter and Sweet* Hachette UK

Seattle has one of the world's most lovely natural settings. Explore the waterfront, Pikes Market, charming neighborhoods and the University of Washington on foot. Fall in love with this beautiful city as you walk.

*Easy Hikes Close to Home: Seattle (including Bellevue and Outlying Areas)* Mountaineers Books

Instagram sensation Seattle Walk Report uses her distinctive comic style and eagle eye to illustrate the charming and quirky people, places, and things that define Seattle's neighborhoods. Leveraging the growing popularity of Seattle Walk Report on Instagram, this charming book features comic book-style illustrations that celebrate the distinctive and odd people, places, and things that define Seattle's neighborhoods. The book goes deep into the urban jungle, exploring 24 popular Seattle neighborhoods, pulling out history, notable landmarks, and curiosities that make each area so distinctive. Entirely hand-drawn and lettered, Seattle Walk Report will be peppered with fun, slightly interactive elements throughout which make for an engaging armchair read, in addition to a fun way to explore the city's iconic, diverse, hipster, historic, and grand neighborhoods.

\* The only guidebook to stairway walks in Seattle \* Explore Seattle neighborhoods in a new way with these interesting walks in Seattle \* Written for people of all ages who want to get

outside, exercise, and explore Often called a "city of neighborhoods," Seattle is shaped by soaring mounds like Queen Anne and Capitol Hill and by indentations such as Ravenna Ravine and Deadhorse Canyon. Weaving together the hills, bluffs, and canyons are stairs -- lots and lots of stairs. In fact, there are over 600 publicly accessible Seattle stairways within the city limits!

And to explore Seattle by these stairs opens up stunning views and a whole new, intimate side of the Emerald City. Seattle

Stairway Walks: An Up-and-Down Guide to City Neighborhoods is the city's first guidebook to 25 of the best neighborhood walks that feature public Seattle stairways. Each route description

includes driving and public transit directions to the starting point, full-color photos, a detailed map, QR codes for saving

abbreviated directions on your smart phone, tips on sections that are family-friendly, suggestions for cafes and pubs for that

perfect espresso and sandwich en route, fascinating sidebars on Seattle's neighborhood history and community anecdotes, and

much, much more.

#### Wanderlust Seattle Mountaineers Books

Linnea Westerlind has visited each of Seattle's 426 city parks, an effort which she documented on her blog, [YearofSeattleParks.com](http://YearofSeattleParks.com)—making her the absolutely perfect person to guide you to just the right park for your picnic, an outing with the kids, family reunion, or simply a fun new place to explore. *Discovering Seattle's Parks* is based on Westerlind's blog, but for this new guidebook she has revisited and further researched every single park she describes, and now includes even more detailed information and descriptions. Organized by neighborhood, such as Downtown, Queen Anne, or Northeast Seattle, the guide features full-color photos throughout and simple, illustrated maps for the largest parks with more complex trail systems. Each park's listing includes: • Icons for key features—playgrounds, viewpoints, waterfront spots, hidden parks, and dog parks • Public transportation and parking directions • Details on the park's history • Highlights such as public art, water features, cycling paths, and more • Color photographs that capture the park's essence *Discovering Seattle's Parks* will keep families, walkers, dog-lovers, and kids of all ages busy with year-round exploration and fun!

#### Eastside Seattle Walks Little Bigfoot

◆ We are undertaking the most tremendous move ever made by LABOR in this country, a move which will lead ◆ NO ONE KNOWS WHERE! ◆ With these words echoing throughout the city, on February 6, 1919, 65,000 Seattle workers began one of the most important general strikes in US history. For six tense yet nonviolent days, the Central Labor Council negotiated with

federal and local authorities on behalf of the shipyard workers whose grievances initiated the citywide walkout. Meanwhile, strikers organized to provide essential services such as delivering supplies to hospitals and markets, as well as feeding thousands at union-run dining facilities. Robert L. Friedheim's classic account of the dramatic events of 1919, first published in 1964 and now enhanced with a new introduction, afterword, and photo essay by James N. Gregory, vividly details what happened and why. Overturning conventional understandings of the American Federation of Labor as a conservative labor organization devoted to pure and simple unionism, Friedheim shows the influence of socialists and the IWW in the city's labor movement. While Seattle's strike ended in disappointment, it led to massive strikes across the country that determined the direction of labor, capital, and government for decades. *The Seattle General Strike* is an exciting portrait of a Seattle long gone and of events that shaped the city's reputation for left-leaning activism into the twenty-first century.

#### **Seattle Family Adventures** Lonely Planet

With stories of 50 incredible hiking routes in 30 countries, from New Zealand to Peru, plus a further 150 suggestions, Lonely Planet's *Epic Hikes of the World* will inspire a lifetime of adventure on foot. Important Notice: The digital edition of this book may not contain all of the images found in the physical edition.

#### Accidentally Wes Anderson Ballantine Books

With wonder and a sense of humor, Nature Obscura author Kelly Brenner aims to help us rediscover our connection to the natural world that is just outside our front door--we just need to know

where to look. Through explorations of a rich and varied urban landscape, Brenner reveals the complex micro-habitats and surprising nature found in the middle of a city. In her hometown of Seattle, which has plowed down hills, cut through the land to connect fresh- and saltwater, and paved over much of the rest, she exposes a diverse range of strange and unknown creatures. From shore to wetland, forest to neighborhood park, and graveyard to backyard, Brenner uncovers how our land alterations have impacted nature, for good and bad, through the wildlife and plants that live alongside us, often unseen. These stories meld together, in the same way our ecosystems, species, and human history are interconnected across the urban environment.

#### *Epic Drives of the World* Creabunda Books

Get to Know Seattle's Vibrant and Historic Neighborhoods Grab your walking shoes, and become an urban adventurer. Clark Humphrey guides you through 35 unique walking tours in the vibrant young city that's a crossroads of world trade and cultures.
