MAURICIO CAROLYN

Book of the Black Bass Academy of Natural Sciences
 The Portrayal of the Child in Children's Literature (Proceedings of the 6th Conference of the Irscl Bordeaux, 1983).
Proceedings of the Academy of Natural Sciences of Philadelphia KARTHALA Editions
 Le but premier de ce livre est bien d'ouvrir les yeux de milliers de personnes. C'est ce que Jésus a passé les trois années de son ministère à faire. Vu qu'il a demandé à ses disciples d'aller annoncer à toutes les nations tout ce qu'il a prescrit, et bien me voilà , c'est ce que je fais. Voir Matthieu 28, 19 - 20. Cela n'a pas été facile pour lui et ce ne sera pas facile pour moi non plus. Ce n'est pas qu'une mince affaire vu le lavage de cerveau que des millions ont reçu. Il ont tué Jésus parce qu'il colportait la vérité et ils ont tué Louis Riel pour la même raison. Ils ont même essayé d'éliminer Jésus avant même qu'il commence à marcher. Tout ça prouve que la vérité n'est pas bienvenue dans ce royaume qu'est le monde. Dieu m'a demandé dans un rêve de faire connaître au monde

tout ce que je sais sur la vérité qu'on nous a cachée et aussi sur les mensonges que certains nous ont fait avalé. Le rêve. Je pleurais et je disais à Dieu que cela ne servait à rien d'en parler à qui que ce soit, puisque personne, mais personne n'écoutait. Il m'a dit alors: Tu n'as pas à t'inquiéter pour ça, Moi Je te demande d'en parler peu importe ce qu'ils en pensent ou ce qu'ils en disent, de cette façon, tous ceux à qui tu en as parlé sauront que Je leur ai envoyé quelqu'un. Alors ils ne pourront pas me le reprocher. Fin de rêve.

Corinne, Or, Italy BRILL

What fires the blood, freezes the heart, twists the mind and drives a person to kill? G. M. Ford, author of the critically acclaimed Leo Waterman mystery novels, returns with a stunning tale of

serial lies, corruption, and murder -- and throws an unforgettable new pair of investigators into the mad cosmopolitan mix of present-day Seattle. Frank Corso is a difficult man. A defrocked journalist vilified for allegedly making up "facts" on a major crime story while working for the sacrosanct New York Times, he now lives in virtual seclusion on a boat moored on the opposite end of the country - - surviving on the substantial royalties from a bestselling book and on his pay for the occasional column in a local tabloid, the Seattle Sun. Yet it's Corso whom the slow and sheltered Leanne Samples asks for when she walks into the Sun offices and announces that her courtroom testimony, which put Walter Leroy Himes on Death Row, was a lie. Several years earlier, eight Seattle women were slain over the course of eighty days, their bodies carefully displayed in Dumpsters throughout the city by a maniac whom the press dubbed "the Trashman." Leanne Samples would have been victim number nine, she claimed at the time, had she not barely escaped from the clutches of Walter Himes, a large, unwashed, prime sociopathic example of wasted humanity Now Himes is only six days away from execution and everyone wants him dead: the victims' families, the police, the general populace ... even the mayor himself. And Himes will die, unless Frank Corso can quickly change a public opinion that the public does not want changed.

But this death train may be impossible for Corso to derail, even with the able assistance of photographer Meg Dougherty. Despite Leanne's shocking confession, the authorities seem unusually keen on having Himes disposed of permanently. And highly situated members of the Seattle PD refuse to consider requesting a stay of execution -- even in the face of the most startling evidence of all: a brutal new murder that bears the Trashman's unmistakable signature. With the clock relentlessly ticking down to Lethal Injection Day, Corso and Dougherty have suddenly made powerful, perhaps deadly, new enemies by getting themselves deeply into something that goes far beyond right, wrong, truth, and justice. And the key to a case that again threatens to devastate a city now ties in a hastily scrawled "tag" on an alley wall: the first three
