TRISTIN HIGGINS

Die Rache des Analogen Crown Archetype

In James Ellroy's riveting second novel, an ambitious beat cop is hot on the trail of a serial killer who frequents L.A. dive bars and preys on the fallen women he finds there. Los Angeles, 1951. For Officer Fred Underhill, the job is all about the wonder, an elusive quality he finds while dealing with the city's drunks, hopheads, gunselts, and burglars. When he's not reveling in the glory of cleaning up the streets, he's on the green or scoring women. But Underhill's ambition and allegiance to the badge get the better of him when a grim opportunity to prove his worth arises. Catching a serial strangler who is snuffing out women would all but ensure his place at the top. As he climbs his way up, the hungry rookie wheels and deals with some of the force's most unscrupulous officers, and when the case goes sideways and fast, the eyes of the very law he serves will be trained on him. Now Underhill's only chance to redeem himself is to pick up the trail of the soulless killer and close the case himself.

A Monstrous Commotion Heyne Verlag

Ein leidenschaftliches Plädoyer für die realen Dinge des Lebens Auf dem Weg zur digitalen Utopie geschieht etwas Eigenartiges: Wir entwickeln wieder eine Schwäche für analoge Produkte und Ideen, deren Überflüssigkeit die TechGurus beschworen hatten. Branchen, die vor Kurzem noch altmodisch anmuteten – von der Schallplattenproduktion bis hin zum Buchladen um die Ecke –, sind nun gefragt denn je. Die Rache des Analogen ist da. Unternehmern, Inhabern von kleinen Geschäften und großen Konzernen, gesprochen, die einen Markt abseits von Apps oder virtuellen Lösungen bedienen: Sie verkaufen echte Produkte zum Anfassen. Sax' Buch offenbart, dass eine durch und durch digitale Existenz wenig erstrebenswert und eine Zukunft in der wirklichen Welt für uns alle attraktiv ist.

Billy Wilder on Assignment Rizzoli Publications

Dem Zoodirektor, dem gottgleichen Oberhaupt der Anlage, ist die Frau abgehauen. Er rettet sich in die Entwürfe seines „Neuen

Nachtthierhauses", in wilde Eskapaden und immer bizarrere Wochenparolen, mit denen er sein Reich regiert. Der Professor für Schmerzforschung ist sein finsterer, unergründlicher Gegenspieler, der in seinem Privatlabor geheime Versuche an den „augenkranken Tieren" anstellt. Nachts dringen ihre Schmerzensschreie über das Gelände. Auch Papageno, der legendäre Revierchef des Vogelhauses, gehört bereits zum Zootierinventar. In den Einzelgänger verliebt sich Dorothee Matthes, die als angehende Zoologin eine Stelle im Garten antritt, um über Großkatzen zu forschen. Doch ihre leidenschaftliche Affäre zerbricht an Papagenos Erinnerungen an Jali – an eine bewegende Liebe. Papageno hat die litauische Jüdin in den dreißiger Jahren kennen gelernt, im Berlin der Olympischen Spiele. Sie will von ihm Deutsch lernen, er lernt von ihr die Sprachen, die sie kennt, vor allem die der Liebe. Beide können nur ahnen, wie bedroht Jali ist. Eines Tages verschwindet sie. Papageno hofft, im Zoo auf ihre Spuren zu stoßen. Wild und wahnsinnig: die Welt als Zoo.

Starting Out Createspace Independent Publishing Platform

"Before Billy Wilder (1906-2002) left Europe for the United States in 1934 and became a filmmaker, he worked as a newspaper reporter, first in Vienna and then in Weimar Berlin. This book, edited and introduced by Noah Isenberg and translated by Shelley Frisch, collects about 65 articles Wilder published in Austrian and German newspapers in the 1920s. The collection includes reported pieces on urban life, from a first-person account of Wilder's stint as a taxi dancer to an article about street sweepers; profiles of writers, movie stars and poker players; and dispatches from the international film scene, from reviews to interviews with such figures as Charlie Chaplin and Erich von Stroheim. Isenberg provides an introduction that gives biographical details and places the writings in context, emphasizing their historical moment and their connections to Wilder's later career"--

From Caligari to Hitler Harvard University Press

The acclaimed, bestselling rock-and-roll biographer delivers the first complete, unexpurgated history of the world's greatest band. The saga of the Rolling Stones is the central epic in rock mythology. From their debut as the intermission band at London's Marquee Club in 1962 through their latest record—setting Bridges

to Babylon world tour, the Rolling Stones have defined a musical genre and experienced godlike adulation, quarrels, addiction, legal traumas, and descents into madness and death, while steadfastly refusing to fade away. Now Stephen Davis, the New York Times bestselling author of *Hammer of the Gods* and *Walk This Way*, who has followed the Stones for three decades, presents their whole story, replete with vivid details of the Stones' musical successes and personal excesses. Born into the wartime England of air-raid sirens, bombing raids, and strict rationing, the Rolling Stones came of age in the 1950s, as American blues and pop arrived in Europe. Among London's most ardent blues fans in the early 1960s was a short blond teenage guitar player named Brian Jones, who hooked up with a lorry driver's only son, Charlie Watts, a jazz drummer. At the same time, popular and studious Michael Philip Jagger—who, as a boy, bawled out a phonetic version of "La Bamba" with an eye-popping intensity that scared his parents—began sharing blues records with a primary school classmate, Keith "Ricky" Richards, a shy underachiever, whose idol was Chuck Berry. In 1962 the four young men, joined by Bill Perks (later Wyman) on bass, formed a band rhythm and blues band, which Brian Jones named the "the Rollin' Stones" in honor of the Muddy Waters blues classic. Using the biography of the Rolling Stones as a narrative spine, *Old God Almost Dead* builds a new, multilayered version of the Stones' story, locating the band beyond the musical world they dominated and showing how they influenced, and were influenced by, the other artistic movements of their era: the blues revival, Swinging London, the Beats, Bob Dylan's Stones-inspired shift from protest to pop, Pop Art and Andy Warhol's New York, the "Underground" politics of the 1960s, Moroccan energy and European orientalism, Jamaican reggae, the Glam and Punk subcultures, and the technologic advances of the video and digital revolution. At the same time, *Old Gods Almost Dead* documents the intense backstage lives of the Stones: the feuds, the drugs, the marriages, and the affairs that inspired and informed their songs; and the business of making records and putting on shows. The first new biography of the Rolling Stones since the early 1980s, *Old Gods Almost Dead* is the most comprehensive book to date, and one of the few to cover all the

band's members. Illustrated throughout with photos of pivotal moments, it is a celebration of the Rolling Stones as an often courageous, often foolish gang of artists who not only showed us new worlds, but new ways of living in them. It is a saga as raunchily, vibrantly entertaining as the Stones themselves.

The Girl who Played with Fire neobooks

Jazzliebhaber und Privatdetektiv Elia Contini wird von seiner Nachbarin gebeten, nach ihrer verschwundenen Katze zu suchen und fühlt sich in seiner Ermittlerehre gekränkt. Derweil treibt im Tessin der sogenannte "Sofakiller" sein Unwesen, der seine Opfer stets unter geschmacklosem Mobiliar zurücklässt. Als Contini mehr durch Zufall beauftragt wird, den verschwundenen Sohn eines bekannten Möbelherstellers aufzuspüren, bekommt der eigenwillige Detektiv endlich die Chance, sein Können unter Beweis zu stellen – und kommt der Polizei gehörig in die Quere ...
Abwesende Tiere Virgin Books

Dear Reader, Some people grow up wanting to be lion tamers or astronauts. I've always wanted to be a writer. One day, during a slow afternoon at my day job, I thought: What would I write? Inspiration struck . . . an earl who fell in love with a spy! And thus Lady Rogue was born. Christine "Kit" Brantley is masquerading as a boy because her mission is to spy on Alexander Cale, the Earl of Everton. It doesn't take long for Alex to see through her disguise. Who would mistake this enchanting, albeit cheeky, chit for a lad? Alex is determined to discover the real reason Kit is in London, but as he's dragged into one escapade after another, he finds himself succumbing to her charm and spirit. I love this book, and I love the new package. In my mind it's a depiction of the first time Kit puts on a ball gown, and the way Alex Cale feels when he first sees her as a lady . . . Ah, me, now I'm getting sentimental. Enjoy!
Suzanne Enoch P.S. Oh, and Lady Rogue also marks the debut of Mr. Francis Henning, who's made an appearance in every historical I've written since.

Behind the Bars Vintage

Underworld opens – famously – at the Dodgers-Giants 1951 National League final, where Bobby Thomson hits The Shot Heard Round the World and wins the pennant race for the Giants. But on the other side of the planet, another highly significant shot was fired: the USSR's first atomic detonation. And so begins a masterpiece of gloriously symphonic storytelling. Don DeLillo loosely follows the fate of the winning baseball as the book swells

and rolls through time. He offers a panoramic vision of America, defined by the overarching conflict of the cold war. This is an awe-inspiring story, seen in deep, clear detail, of men and women, together and apart, as they search for meaning, survival and connection in the toughest of times.

Revolution auf dem Mars Es ist die größte Herausforderung, der sich die Menschheit je gegenüber sah: die Besiedlung unseres Nachbarplaneten Mars. Die Verwandlung einer lebensfeindlichen Wüstenwelt in einen blauen Planeten wie die Erde. Von der ersten bemannten Landung auf dem Mars über die frühen Kolonien und ihre Auseinandersetzungen, welche Form von Gesellschaft sie erbauen sollen, bis zum riskanten Versuch, das Klima einer ganzen Welt zu verändern – Kim Stanley Robinson erzählt in seiner Mars-Trilogie die Geschichte der Zukunft wie ein großes historisches Epos.

Clandestine Orion

Eine phantastische Heraufbeschwörung der 70er Jahre – eine Komödie, bei der einem das Lachen im Hals stecken bleibt... Mitten in den wilden Siebzigern gehen die vier Freunde Trotter, Harding, Anderton und Chase in Birmingham zur Schule, in einem England, das Lady Di, Tony Blair und Handys noch nicht kennt, dafür aber Roxy Music, Vinylplatten und Schlaghosen. Als Redakteure der Schülerzeitung versuchen die vier, eher schlecht als recht, sich auf dem laufenden zu halten und zu begreifen, was es auf sich hat mit Rassismus, Klassenkampf und Punk Rock. Doch im Privaten sind es ganz andere Dinge, die ihnen Kopfzerbrechen bereiten, zum Beispiel die Sache mit Cicely Boyd ... "Brillant, witzig, unerbittlich wahrheitssuchend." (Evening Standard)

Remember the 80's? The Virgin Encyclopedia of 80's Music is a complete handbook of information and opinion about the history of the most fragmented and frequently maligned decade in the history of popular music. Here are 1000 entries on the bands, musicians, songwriters, producers and record labels - everyone who had a significant impact on the development of rock and pop music in those ten years, from the New Romantics who brought colour and image to fill the gap left by punk and the new wave, to the stadium acts who provided a launch pad for Live Aid, to the myriad variations of house and techno spawned in the latter half of the Eighties. As well as all the giants of the period the encyclopedia has the range and depth to include artists who flourished briefly and yet were quintessential to the decade. A perfect mix of fact and informed opinion contained in one single volume, distilled from the Encyclopedia of Popular Music, universally acclaimed as the world's leading source of reference on rock and pop history. Informed, infatuating and invaluable.
Neu-vermehrtes Historisch- und Geographisches Allgemeines Lexicon Harry N. Abrams

Meet Nick Sax: a corrupt, intoxicated ex-cop turned hitman, adrift in a stinking twilight world of casual murder, soulless sex, eczema, and betrayal. With a hit gone wrong, a bullet in his side, the cops and the mob on his tail, and a monstrous child killer in a Santa suit on the loose, Nick and his world will be changed forever this Christmas by a tiny blue horse called Happy. This deluxe edition of HAPPY! includes 10 extra pages of story by creators GRANT MORRISON and DARICK ROBERTSON. Collects HAPPY! #1-4

Old Gods Almost Dead A&C Black

Mit ihren strohblonden Haaren, dem coolen Sex-Appeal und lässigen Straßenimage ist Debbie Harry viel mehr als nur eine Frau in einer Band. Sie ist eine Mode-, Musik- und Kunstikone, das Gesicht einer ganzen Ära. Als Sängerin von Blondie führte sie eine der einflussreichsten und erfolgreichsten Bands der späten Siebziger und frühen Achtziger an, einer Zeit, als New York im Fokus der Aufmerksamkeit stand. Sie war Stammgast im Studio 54, auf dem Cover des Rolling Stone, Objekt von Warhols berühmten Siebdrucken und Anführerin der Musikvideo-Revolution. Harrys Einfluss auf die heutige Popkultur nicht zu

unterschätzen. Sie selbst umgab sich immer mit der Aura des Mysteriösen und Unanahbaren und hielt bewusst Abstand zu den Medien und den Fans ... bis jetzt! Denn in ihrer heiß ersehnten Autobiografie erzählt sie erstmals die ganze Geschichte – von den Tagen als Adoptivkind in New Jersey bis heute, wo sie mit über siebenzig Jahren immer noch ihr Publikum begeistert.

Grüner Mars Hachette UK

The sensational first novel from the Booker Prize-winning author of *The Luminaries*. Set in the aftermath of a sex scandal at an all-girls' high school, Eleanor Catton's internationally acclaimed award-winning debut is a provocative and darkly funny novel about the elusiveness of truth, the slipperiness of identity, and the emotional compromises we make to belong. When news spreads of a high school teacher's relationship with one of his students, the teenage girls at Abbey Grange are jolted into a new awareness of their own potency and power. Although no one knows the whole truth, the girls have their own ideas about what happened. As they obsessively examine the details of the affair with the curiosity and jealousy native to any adolescent girl, they confide in their saxophone teacher, an enigmatic woman who is only too happy to play both confidante and stage manager to her students. But when the local drama school decides to turn the scandal into a play, the boundaries between fact and fantasy soon

break down as dramas both real and imagined begin to unfold. Sharply observed, brilliantly crafted, and infused with a deliciously subversive wit, *The Rehearsal* is at once a vibrant portrait of teenage longing and adult regret, and a shrewd exposé of how we are all performers in life, from one of the most bold and exciting voices in contemporary fiction.

The Dada Painters and Poets Princeton University Press

A vampire never gets old. But neither do his enemies. When a figure from Ethan's dark past makes a splashy debut in Chicago, Merit and her Master don't know whether he's friend or foe. But they'll have to figure out soon, because trouble is brewing in the Windy City. At an exclusive society soiree attended by the upper echelons of the human and supernatural worlds, Merit and Ethan barely stop the assassination of a guest. When the target turns out to be a shady businessman with a criminal edge, Merit suspects a human vendetta. But the assassins have fangs. The connections to Chicago's Houses go deeper than Merit knows, and even one wrong move could be her last... Geheimauftrag für SAX (4): SPECTATOR II Vintage

When I first met Jasmine Greene, she came in as raindrops. I was the awkward musician, and she was the high school queen. The

only things we had in common were our music and our loneliness. Something in her eyes told me her smile wasn't always the truth. Something in her voice gave me a hope I always wished to find. And in a flash, she was gone. Years later, she was standing in front of me on a street in New Orleans. She was different, but so was I. Life made us colder. Harder. Isolated. Caged. Even though we were different, the broken pieces of me recognized the sadness in her. Now she was back, and I wouldn't make the mistake of letting her go again. When I first met Jasmine Greene, she came in as raindrops. When we met again, I became her darkest storm.
