Parrullat me gurë - Shqipëria është personazhi kryesor i këtij vëllimi. Tregime shpesh me një fund të hidhur, si ai që i jep emrin dhe vëllimit dhe

tregon praktikën absurde të bërjes së parrullave komuniste me gurë të përgatitura me detyrim nga nxënësit e shkollave.

Albania is not well known by outsiders; it was deliberately closed to the outside world during the communist era. Now it has thankfully become free

again, its borders are open and it can be visited, and it is increasingly integrating with the rest of Europe and beyond. Unfortunately, Albania has had

its share of problems in the post-communist era; it's a land of destitution and despair, thanks in part to the Albanian mafia, which has turned the

country into one of blood-feuds, kalashnikovs, and eternal crises. Yet, Albania is, in essence, a European nation like any other and will soon, it is to be

hoped, advance and take its proper place in Europe and the world. The second edition of the Historical Dictionary of Albania relates the history of this

little-known country through a detailed chronology, an introduction, a bibliography, appendixes, and over 700 cross-referenced dictionary entries on

significant persons, places, and events; institutions and organizations; and political, economic, social, cultural, and religious facets.

As the seventh and probably last state to arise from the ruins of the former Yugoslavia, Kosovo is the newest country in Europe. For centuries, Kosovo,

also known as Kosova, was part of the Ottoman Empire, and for most of the 20th century, it was a province of what was once Yugoslavia. After the

military conflict in 1998-1999 and a period of administration by the United Nations, Kosovo declared its independence from Serbia on February 17,

2008. Focusing not only on Kosovo's turbulent recent years, the second edition of the Historical Dictionary of Kosovo also relates the country's rich

culture and long history. This is done through a chronology, an introductory essay, an extensive bibliography, and over 400 cross-referenced

dictionary entries on significant persons, places, and events; institutions and organizations; and political, economic, social, cultural, and religious

facets. This book is an excellent access point for students, researchers, and anyone wanting to know more about Kosovo.
