BRANSON MUHAMMAD

The Whisperer St. Martin's Press

Socialism is strangely impervious to refutation by real-world experience. Over the past hundred years, there have been more than two dozen attempts to build a socialist society, from the Soviet Union to Maoist China to Venezuela. All of them have ended in varying degrees of failure. But, according to socialism's adherents, that is only because none of these experiments were "real socialism". This book documents the history of this, by now, standard response. It shows how the claim of fake socialism is only ever made after the event. As long as a socialist project is in its prime, almost nobody claims that it is not real socialism. On the contrary, virtually every socialist project in history has gone through a honeymoon period, during which it was enthusiastically praised by prominent Western intellectuals. It was only when their failures became too obvious to deny that they got retroactively reclassified as "not real socialism".

How to Ruin a Queen Albin Michel

Riding peacefully along a western trail, Lucky Luke is suddenly ambushed by an unknown assailant. After a quick gunfight, the cowboy loses his mysterious attacker, but happens upon a lone wagon beset by Apache raiders. Another quick fight later, Luke is surprised to find that the occupants

of the wagon are three lovely young women! Three sisters on their way to start a new life, and who all find the lonesome cowboy ... quite interesting.

Happy as a Dane: 10 Secrets of the Happiest People in the World Edinburgh University Press

Parti de nulle part, sans réseaux, il s'est introduit au coeur du pouvoir. Révélations sur une étoile filante qui a percuté Jupiter et créé un cataclysme en Macronie. « Le jour du retour des Bleus, je suis au sommet. À 4 heures du matin, alors que je rentre chez moi, le président m'appelle pour me dire bravo. Mais moi, j'ai ce compte à rebours dans la tête. » Alexandre Benalla a dépensé tellement d'énergie à entrer au Château ! Rien ne l'y prédestinait. Il a forcé le destin. Et, en moins d'une seconde, tout s'est effondré. Il était entré par effraction dans un monde qui n'était pas le sien : la haute fonction publique, l'Élysée, la police, les voyages officiels, les missions officieuses. Il avait gagné la confiance du Prince. Les jeunes gens bien nés le regardaient évoluer, fascinés et jaloux. Gardien des secrets, il était incontournable au Palais. En quelques heures, son nom est devenu celui d'une affaire d'État. Benalla ou l'effet domino... « Est-ce que je regrette de l'avoir embauché ? Non », répond Emmanuel Macron à une question sur l'embarrassant Alexandre, longtemps indispensable, mais qui lui a coûté si cher. Autant que les mésaventures de cet antihéros politique, ce livre met au jour les abus de pouvoir, les faux semblants, l'esprit courtisan et les hiérarchies parallèles qui règnent au sommet de l'État.

Les faux jetons Cinebook

New York Times–Bestseller: An “engrossing” history of economics, from an author with “excellent storytelling skills” and an Eisner Award-winning artist (Boing Boing). Stimulus plans: good or bad? Free markets: How free are they? Jobs: Can we afford them? Capitalism, socialism, and communism:

What’s the difference? Corporations: Are they people? For those who want to better understand what Wall Street and Washington know (or say they know), this graphic history, with clear, witty writing and quirky, entertaining art, transforms “the dismal science” of economics into a fun, fact-filled story about human nature and our attempts to make the most of what we’ve got. “Quite accessible . . . Goodwin brilliantly contextualizes economic theories with historical narrative, while Burr’s simple but elegant illustration employs classical techniques like caricaturing politicians and symbolizing big businesses (as a gleeful factory) to help the reader visualize difficult concepts.” —Publishers Weekly (starred review) “You could read ten books on the subject and not glean as much education.” —David Bach, #1 New York Times–bestselling author of *The Automatic Millionaire* “I just cannot stress enough how amazing this book is!”—Wired

Présumé coupable Routledge

From the renowned American playwright Tennessee Williams, a glimpse of college life on the eve of graduation. It's the last day of the academic year, and the students of a small, mid-western university are preparing for a bacchanalian celebration called Crazy Night. Our chaperone for the evening is Phil, a freshman on the verge of flunking out, who roves the fraternities in search of beer, women, and the meaning of life. It's just after the Great Crash, with Prohibition in sobering effect-a bleak time for college graduates and drop-outs, who have one more night to do everything, before they enter a world that offers them nothing. "Crazy Night" by Tennessee Williams is one of 20 short stories within Mulholland Books's Strand Originals series, featuring thrilling stories by the most legendary authors in the Strand Magazine archives. View the full series list at mulhollandbooks.com and listen to them all!

Holy Week Vintage

Au coeur de l'affaire Benalla Au coeur de l'été 2018, la France découvre les images chocs de deux collaborateurs de l'Élysée procédant à l'interpellation musclée d'un couple de manifestants en marge du défilé du 1er mai. L'affaire Benalla éclate. Alors que le sulfureux chargé de mission multiplie les interviews, Vincent Crase, " le deuxième homme ", " l'acolyte ", se mure, lui, dans le silence. Jusqu'à ce livre. Où l'ancien salarié de La République en Marche dévoile les coulisses d'un parti présidentiel déconnecté du terrain, dont la surdité et l'arrogance préfiguraient la crise des " gilets jaunes ". Où, de sa mise à pied discrète à sa détention provisoire, il déroule le récit glaçant d'un homme ordinaire broyé par une tempête médiatique hors norme. Où, reconnaissant leur " erreur ", il dresse un portrait personnel et sans concession de son " ami Alex ", dont il éclaire la part d'ombre.

Benalla, la vraie histoire Plon

The Grammarians Ohio University Press

L’aventure littéraire de Jean-Paul Massé a commencé avec l’édition des deux cent deux premières lettres écrites du 20 juillet 2014 au 31 décembre 2017. Ces premières Lettres imaginaires furent adressées à son cousin qui appartient au clergé catholique. Très vite, elles eurent entre autres destinataires le président de la République française. Si l’auteur de ces missives aime écrire, il aime aussi comprendre la société dans laquelle il vit. Ces lettres couvrent les trois premières années du quinquennat d’Emmanuel Macron et racontent trois événements majeurs de cette gouvernance : l’affaire Benalla, le mouvement des Gilets jaunes et la pandémie de la Covid-19. Jean-Paul Massé se revendique comme un esprit libre et légèrement voltairien. Avec ces nouvelles Lettres imaginaires, il en apporte la preuve.

Mediarchy Stock

Will the freedom struggle end in a bloodbath? Only two men can avert it. . . . Nelson Mandela, the anti-apartheid hero and first leader of the new South Africa, is an international symbol of the power of a popular movement to fight structural racism. But that nonviolent struggle for equality and justice very nearly spiraled into an all-out race war that would have only ended in "the peace of graveyards." As the first post-apartheid elections approach in 1994, with South African blacks poised to take power, the nation's whites fear reprisal. White nationalist militias claiming 50,000 well-armed former soldiers stand ready to fight to the death to defend their cause. They need someone who can lead and unite them. That man is General Constand Viljoen, former chief of apartheid South Africa's military. Mandela knows that he can't avert a bloodbath on his own. He will have to count on his archenemy. Throughout those historic months, the two men meet in secret. Can they trust each other? Can they keep their followers and radical fringe elements from acts of violence? The mettle of these two men will determine the future of a nation. The drama of this contest and the history that pivoted on it comes vividly to life in visual form. Veteran British journalist John Carlin teams up with Catalan artist Oriol Malet to create a historically and artistically rich graphic novel with obvious relevance to today's polarized politics.

Purifying the Land of the Pure Da Capo Press

The Third Edition of *Journalism Next: A Practical Guide to Digital Reporting and Publishing* is the most informed, practical, and succinct guide to digital technology for journalists. Author Mark Briggs’ forward-thinking techniques and accessible style prepares today’s journalists for tomorrow’s media landscape transformations. Readers will learn how to effectively blog, crowdsouce, use mobile technology, mine databases, and expertly capture audio and video to report with immediacy, cultivate community, and convey compelling stories. Briggs helps readers quickly improve their digital literacy by presenting the basics and building on them to progress towards more specialized skills within multimedia. Readers will become equipped to better manage online communities and build an online audience. *Journalism Next* is a quick yet valuable read that provides a detailed roadmap for journalists to reference time and time again.

Plutocracy Straight Talk About...(Crabtre

On m’avait prévenue, c’est un univers très fermé. Barricadé derrière ses règles de confidentialité. Tout ce qui se dit au conseil doit rester au conseil. On m’a dissuadée de chercher. On m’a affirmé que la « caste », c’était fini. Que tout désormais n’est qu’éthique et ouverture. On m’a assurée qu’avec l’arrivée en leur sein de femmes, d’étrangers et même de salariés, ces hauts lieux de pouvoir n’ont plus rien à cacher. À l’ère de la transparence tous azimuts, les conseils d’administration sont pourtant les dernières forteresses. Protégés par de hauts murs de silence, c’est là que les « premiers de cordée » se rassemblent. Ils viennent des grandes écoles, de la haute administration et même de la politique. Ils y nouent de

fructueuses alliances avec les héritiers des grandes fortunes. Ils se réunissent, une dizaine de fois par an, aux étages nobles de LVMH, Carrefour, Total, Orange... Ils y décident de notre avenir. Vont-ils créer des emplois en France ou en supprimer ? Investir dans la recherche ou maximiser les profits ? Fermer des sites ou relocaliser des industries ? Ces nomenklaturistes du XXIe siècle disent œuvrer pour le bien commun. Ont-ils rompu avec le capitalisme à la française, incestueux et dominateur ? Ou se sont-ils contentés de tout changer pour que rien ne change ? Journaliste et écrivain, Sophie Coignard a publié de nombreuses enquêtes sur les dessous des administrations et des organisations, dont Un État dans l’État. Le contre-pouvoir maçonnique (Albin Michel, 2009), L’Oligarchie des incapables (Albin Michel, 2012) et, avec Romain Gubert, La Caste cannibale. Quand le capitalisme devient fou (Albin Michel, 2013).

Hearts at Sea Mulholland Books

Nathalie Quintane circumvents the biographical to explore this well-known story from inside Joan's experience.

Gods of Howl Mountain

Bootlegger Rory Docherty has returned home to the fabled mountain of his childhood - a misty wilderness that holds its secrets close and keeps the outside world at gunpoint. Slowed by a wooden leg and haunted by memories of the Korean War, Rory runs bootleg whiskey for a powerful mountain clan in a retro-fitted '40 Ford coupe. Between deliveries to roadhouses, brothels, and private clients, he lives with his formidable grandmother, evades federal agents, and stokes the wrath of a rival runner.

And the People Stayed Home (Family Book, Coronavirus Kids Book, Nature Book) Le Lys Bleu Éditions

« Tout s’est joué au cours de la campagne présidentielle. Pour gravir la plus haute marche du pouvoir sans carrière politique, ni même un parti derrière lui, Emmanuel Macron a utilisé les réseaux plus ou moins avouables de la République... Lobbys divers et variés, agents d’influence, communicants rois, “intermédiaires”, barbouzes, barons locaux et loges franc-maçonnes. Tous se sont empressés. Le candidat puis le président les a accueillis avec un large sourire, utilisés, parfois manipulés et ensuite souvent oubliés. »M.E.

Twelve Years a Slave John Wiley & Sons

At the height of the Nazi extermination campaign in the Warsaw Ghetto, a young Jewish woman, Irena, seeks the protection of her former lover, a young architect, Jan Malecki. By taking her in, he puts his own life and the safety of his family at risk. Over a four-day period, Tuesday through Friday of Holy Week 1943, as Irena becomes increasingly traumatized by her situation, Malecki questions his decision to shelter Irena in the apartment where Malecki, his pregnant wife, and his younger brother reside. Added to his dilemma is the broader context of Poles’ attitudes toward the “Jewish question” and the plight of the Jews locked in the ghetto during the final moments of its existence. Few fictional works dealing with the war have been written so close in time to the events that inspired them. No other Polish novel treats the range of Polish attitudes toward the Jews with such unflinching honesty. Jerzy Andrzejewski’s Holy Week (*Wielki Tydzien*, 1945), one of the significant literary works to be published immediately following the Second World War, now appears in English for the first time. This translation of Andrzejewski’s Holy Week began as a group project in an advanced Polish language course at the University of Pittsburgh. Class members Daniel M. Pennell, Anna M. Poukish, and Matthew J. Russian contributed to the translation; the instructor, Oscar E. Swan, was responsible for the overall accuracy and stylistic unity of the translation as well as for the biographical and critical notes and essays.

Benalla, la vraie histoire Simon and Schuster

2051. The world's largest company, The Company, has seized power on a planetary scale and runs the world as if it were a business. In a plutocracy, the richer one is, the more powerful one is. In this context, an anonymous citizen becomes compelled to uncover how the world came to this situation, without paying any attention to the official version. Several members of the government end up encouraging him to carry out this investigation by giving him access to all information. He decides to discover the true history of The Company and the various interests that are trying to influence his investigation.

Economix Simon and Schuster

What was the Roswell incident? Why did people in the Stone Age paint pictures on cave walls? What is the Larsen effect? What was the "Wow!" signal? How do carnivorous plants catch their prey? What is absolute zero? Author Fabcaro, smitten by science, tackles countless scientific subjects alongside artist Julien/CDM in this illustrated "encyclopedia." Through humor and irony, they manage to make even the trickiest topics accessible to all—in just one page!

Mémoires d’un criminologue Seven Stories Press

Pour la première fois, le criminologue Laurent Montet revient sur sa carrière internationale dans un récit autobiographique inédit. Le scientifique apolitique, praticien éclectique et fervent défenseur de l’État de droit explique son engagement malgré les nombreux obstacles d’opposants. Après avoir servi la justice et les forces de l’ordre, il continue de dénoncer les graves dérives sécuritaires et politico-commerciales qui ont contribué à entraver sa vie professionnelle et qui gangrènent les coulisses du pouvoir en France. À PROPOS DE L’AUTEUR Laurent Montet est journaliste d’investigation et chercheur indépendant. Docteur en criminologie à l’Uniludes en Suisse, il est spécialisé dans le renseignement et l’analyse comportementale, après vingt-deux ans passés à servir diverses autorités de par le monde. Membre de Transparency International et de la Maison des lanceurs d’alerte, il dénonce les affaires sensibles sur le site Im-media-libre.fr.

Le grand manipulateur NBM

Poetry and Identity in Quattrocento Naples approaches poems as acts of cultural identity and investigates how a group of authors used poetry to develop a poetic style, while also displaying their position toward the culture of others. Starting from an analysis of Giovanni Pontano’s Parthenopeus and *De amore coniugali*, followed by a discussion of Jacopo Sannazaro’s *Arcadia*, Matteo Soranzo links the genesis and themes of these texts to the social, political and intellectual vicissitudes of Naples under the domination of Kings Alfonso and Ferrante. Delving further into Pontano’s literary and astrological production, Soranzo illustrates the consolidation and eventual dispersion of this author’s legacy by looking at the symbolic value attached to his masterpiece *Urania*, and at the genesis of Sannazaro’s *De partu Virginis*. Poetic works written in neo-Latin and the vernacular during the Aragonese domination, in this way, are examined not only as literary texts, but also as the building blocks of their authors’ careers.

Form and Object Sarah Crichton Books

This international bestseller shows why the Danes are happy and how we can be, too. For decades Denmark has ranked at the top of the world's happiness surveys. How is it that these 5.6 million Danes are so content when they live in a country that is dark and cold nine months of the year and where income taxes are at almost 60 percent? At a time when talk across the Western world is focused on unemployment woes, government

overreach, and anti-taxation lobbies, our Danish counterparts seem to breathe a healthier and fresher air. Interweaving anecdotes and research, Malene Rydahl explores how the values of trust, education, and a healthy work-life balance with purpose—to name just a few—contribute to a “happy” population. From eye-opening stories about open-air vegetable stands to babies safely left unattended while parents have coffee, to very generous paternity leave policies, Rydahl provides tips that we can all apply to our daily lives regardless of where we live.
