 The purpose of United Methodist Women "is to know God and to experience freedom as whole persons through Jesus Christ, to develop a creative supportive fellowship, and to expand concepts of mission through participation in the global ministries of the church." This Guideline is designed to help implement and guide the work of the ministry area. This is one of the twenty-six Guidelines for Leading Your Congregation 2017-2020 that cover church leadership areas including Church Council and Small Membership Church; the administrative areas of Finance and Trustees; and ministry areas focused on nurture, outreach, and witness including Worship, Evangelism, Stewardship, Christian Education, age-level ministries, Communications, and more.

 This is the story of a church that began serving a small community in Indian Territory shortly after the end of the Civil War. For many years, the church provided a place for families to worship through world wars, pandemics, and financial crises. Toward the end of the twentieth century, the church envisioned and built a new campus to serve a growing community. This bold action of faith and stewardship positioned the church for the 21st century. In 1999, with the arrival of a senior pastor with a vision of what Claremore First United Methodist Church (CFUMC) could become, the church began a remarkable period of growth and expansion of outreach ministries. For the first two decades of the 21st century, CFUMC doubled in membership and tripled in worship attendance. Through local missions, it also became known as "the church that helps people." The book describes how these extraordinary results were achieved when many mainline churches were struggling and should be of interest not only to local and statewide Methodists, but to any church or nonprofit that relies on gifts and volunteers to complete its mission. About the Author Ron Scott is a lifelong Methodist and has been a member of CFUMC since 1971. He has served in several administrative positions and ministries, and he recognized the importance of documenting the incredible story of CFUMC. In 2018, he offered to lead the effort to write a complete church history. Ron and his wife, Sally, have three children and eight

grandchildren.

"An unflinching look at the immigrant experience, an unlikely and unique friendship, and a resonant story of female empowerment."—Pam Jenoff, New York Times bestselling author of *The Woman with the Blue Star*  
*Ellis Island, 1902: Two women band together to hold America to its promise: "Give me your tired, your poor ... your huddled masses yearning to breathe free..."* A young Italian woman arrives on the shores of America, her sights set on a better life. That same day, a young American woman reports to her first day of work at the immigration center. But Ellis Island isn't a refuge for Francesca or Alma, not when ships depart every day with those who are refused entry to the country and when corruption ripples through every corridor. While Francesca resorts to desperate measures to ensure she will make it off the island, Alma fights for her dreams of becoming a translator, even as women are denied the chance. As the two women face the misdeeds of a system known to manipulate and abuse immigrants searching for new hope in America, they form an unlikely friendship—and share a terrible secret—altering their fates and the lives of the immigrants who come after them. This is a novel of the dark secrets of Ellis Island, when entry to "the land of the free" promised a better life but often delivered something drastically different, and when immigrant strength and female friendship found ways to triumph even on the darkest days. Inspired by true events and for fans of Kristina McMorris and Hazel Gaynor, *The Next Ship Home* holds up a mirror to our own times, deftly questioning America's history of prejudice and exclusion while also reminding us of our citizens' singular determination.

The three cycles of sermons included here provide a spiritual geography, an announcement of the gospel set in New York State. The sermons were given life in the vibrant life of Asbury First United Methodist Church, Rochester, New York, over several years beginning in 2000. The collection is meant to exemplify a

thematic form of preaching that addresses and creates a collective consciousness in the life a community. One series is set on "A Village Green." Another invites those along the Finger Lakes to travel "Once More to the Lake." The third traverses the major cities of the state, and their capacity to become "An Empire of the Spirit." The sermons here try to unfold an interpretation of Scripture by engaging local settings to produce a geography of the Spirit.

 This book attempts to tell of the significant events, places, and people that define us. During our journey, you will meet many of our ancestors. They are our church ancestors, and they all have an impact on making us who we are. You will notice that sometimes on the journey, the road we traveled was a very good road, but even when things seemed to be going well, there were obstacles, road blocks, and detours. Fortunately, we were always found, rescued, and directed back on course. Thanks be to God.

### A Journey of Faith

"Popular author F. Belton Joyner has revised his best-selling resource for introducing The United Methodist Church. In a humorous yet respectful style, Joyner takes the reader through illuminating questions and answers on United Methodist terms and beliefs on God, Jesus, the Bible, the church, salvation, and more. This revised edition includes new sections on United Methodism as a global church, United Methodist ministries beyond the congregation, and United Methodist theology in conversation with other Christian traditions. It has also been updated to reflect recent changes to The Book of Discipline and the orders of ministry. The book's question-and-answer format easily lends itself to use in Sunday school classes and also works for individual study. From new recruits to lifelong United Methodists, readers will gain a lively sense of what is special and important about their denominational home."--Back cover.

First United Methodist Church (UMC) of San Diego has worshipped in several locations throughout San Diego, California, since February 1869. As the city of San Diego grew, so did the church. The first locations were near the waterfront and in the neighborhood that is known today as the Gaslamp Quarter. From 1870 to 1906, the church was in the heart of what is now downtown. In 1906, the congregation decided to move a few

blocks northeast, and it worshipped from 1907 to 1963 in a Gothic Revival-style sanctuary designed by Irving J. Gill. In the late 1950s, even with additions, First Church was outgrowing its space, and so it moved again, to a location in Mission Valley. In 1963, construction began on a Spanish contemporary-style church that was completed in 1964 and continues to be an iconic landmark in San Diego. Over the years, the church's reach has expanded to multiple sites and many congregations.
