 Virgil's classic tale of a hero's mythical journey comes to life in this graphic retelling for kids. From the smoldering ruins of Troy, the warrior Aeneas sets out to find a new homeland for his people. But it's no easy task, for his adventure is

filled with great sacrifice, angry gods, tragic love, and brutal battles. Will Aeneas be able to fulfill his destiny and found the mighty city of Rome? With extra background on the original Latin epic poem and its author, plus discussion questions and writing prompts, it's easy to introduce young readers to this literary classic.

**Loom Magic Xtreme!** Capstone  
 "By far, the greatest danger of Artificial Intelligence is that people conclude too early that they understand it." -Eliezer Yudkowsky  
 Artificial intelligence was nearly mankind's last invention. AI took off like a rocket, then when it racked up an impressive death toll, it crashed before it could blossom and took most high-tech industries with it. Resistance and fears became deep-set. Two decades after the infamous Rev. 4.6 incidents, humanity

hasn't quit dreaming of the wealth and power that could be at their fingertips. A new generation of mega-corporations rose from the ashes. When one melds a quantum computer to a barely functional mental patient as a PR move, there are those who seek to profit, those who want to destroy it, and Alex. Alex Sage is a typical college student trying to keep up his grades and maybe find a meaningful connection with the fairer sex. Then, an automated semi crashes into his home, killing his family and turning his head into a pin cushion in the process. Alex awakens to find most of his memories gone and an illegal AI hidden in his brain implant. Now the pet project of a tech billionaire and heavily in debt, Alex struggles to stay valuable enough to be kept online. Still grappling with the repercussions of his injuries, and threats from a dangerous anti-augmentation political movement, there are no easy answers and threats loom around every corner. Alex must use whatever resources he can to escape from under the thumb of a ruthless corporation, while keeping those he comes to love safe. "GOOD PREMISE, GREAT EXECUTION"-THEZOUAVE"ONE SMALL STEP FOR CYBER-KIND.....a well written story with a rich world"- DESMERIT"You won't be disappointed"- G4MERSYLVER

**My Little Golden Book About The White House** 978-0-473-43649-0  
 The dark web can satisfy any perversion, but two detectives might just pull the plug... Taylor never felt the blade pressed to her scalp. She wakes frightened and alone in an unfamiliar hotel room with a near shaved head and a warning... tell no one. As detectives Amanda Lacey and Jack Rutherford investigate, they venture deep into the fetish-fueled underbelly of the dark web. The traumatized woman is only the latest victim in a decade-long string of disturbing-and intensely personal-thefts. To take down a perverted black market, they'll go undercover. But just when justice seems within reach, an unexpected event sends their sting operation spiraling out of control. Their only chance at catching the culprits lies with a local reporter... and a sex scandal that could ruin them all. Dark Service is the skin-crawling fourth novel in the Detective Amanda Lacey mystery series. If you like sexual intrigue, modern-day suspense, and exploring technology's dark side, then you'll love this cutting edge thriller from international bestselling author Linda Coles. Buy Dark Service to lose yourself in the darkest corners of your imagination

today.
