When Scotland Was Jewish Rizzoli
Publications

A novel based on the true story of a remarkable woman, her lifelong relationship with birds and the joy she drew from it Len Howard was forty years old when she decided to leave her London life and loves behind, retire to the English countryside and devote the rest of her days to her one true passion: birds. Moving to a small cottage in Sussex, she wrote two bestselling books, astonishing the world with her observations on the tits, robins, sparrows and other birds that lived nearby, flew freely in and out of her windows, and would even perch on her shoulder as she typed. This moving novel imagines the story of this remarkable woman's decision to defy society's expectations, and the joy she drew from her extraordinary relationship with the natural world.

The Waverley Anecdotes, Cambridge
University Press

The first monograph illustrating the high-end contemporary residential design of Barnes Coy Architects. Throughout their twenty-five-year commitment to modern design, Barnes Coy Architects have specialized in one-of-a-kind dream houses designed for those who prefer to live in highly spatial and modern ways. *Assembled in Light* is the first exclusive look at this firm's previously unpublished body of high-end residential work. These leisure homes gleam in the sun like sleek, finely tuned machines. Everything has been custom designed, custom

made, custom treated. The houses are tastefully furnished with one-of-a-kind artisanal pieces (by Wendell Castle, Chris Lehrecke, etc.) and museum-quality collections of contemporary art hanging on the walls (such as works by Anselm Kiefer, Barbara Kruger, Richard Prince, and Cindy Sherman). They feature infinity pools, outdoor and indoor kitchens, roof decks, temperature-controlled wine cellars, and numerous guest rooms, as well as ten-foot-high doorways and floor-to-ceiling swathes of tempered glass to better gaze out at the dunes and ocean views. The new photography beautifully captures the architects' attention to detail and love of specialized materials, whether it's Carrara marble from Italy or teak from Bali. While most of the houses are located in the Hamptons in New York, a few are found as far afield as Costa Rica, California, Georgia, and Westchester County. All but three homes were built on commanding waterfront sites.

Can Scotland be considered an English colony? Is its experience and literature

comparable to that of overseas postcolonial countries? Or are such comparisons no more than patriotic victimology to mask Scottish complicity in the British Empire and justify nationalism? These questions have been heatedly debated in recent years, especially in the run-up to the 2014 referendum on independence, and remain topical amid continuing campaigns for more autonomy and calls for a post-Brexit “indyref2.” Gaelic Scotland in the Colonial Imagination offers a general introduction to the emerging field of postcolonial Scottish studies, assessing both its potential and limitations in order to promote further interdisciplinary dialogue. Accessible to readers from various backgrounds, the book combines overviews of theoretical, social, and cultural contexts with detailed case studies of literary and nonliterary texts. The main focus is on internal divisions between the anglophone Lowlands and traditionally Gaelic Highlands, which also play a crucial role in Scottish-English relations. Silke Stroh shows how the image of Scotland’s Gaelic margins changed under the influence of two simultaneous developments: the emergence of the modern nation-state and the rise of overseas colonialism.

Records of the Scottish Volunteer Force, 1859-1908 Waverley Books Limited
 Reproduction of the original: *The Heart of Scotland* by A.R. Hope Moncrieff
The Invention of Tradition Edinburgh W. Blackwood 1909.

Much of German propaganda was sinister, especially in the portrayal of Jewish citizens. American propaganda was cautionary and dark. British propaganda, on the other hand, was that the righteous should prevail and that those in the wrong - be they errant

schoolboys, bullies, or robbers, or even wartime leaders, should always fail. Rubbishing the enemy, assassinating nasty characters with humorous methods, was a technique people learned from comics. Britain was expert in this area. So enter Heath Robinson, and R F Paterson's *Mein Rant*, which we reproduce in this book, with a new introduction by leading comic archivist, Morris Heggie. *Mein Rant* is a clever and funny satire of Hitler's *Mein Kampf*, illustrated by Heath Robinson. Today, and since World War One, Heath Robinson's name has been used to describe absurdly complicated inventions that achieved very simple results. Here his work is used to great impact. *Mein Kampf* ('My Struggle'), Hitler's autobiography, was published in two volumes in 1925 and 1926 which Hitler wrote in Landsberg Prison, and R F Paterson said of it: *Mein Kampf* had neither rhyme nor reason, while my abridgement undoubtedly has rhyme. 'A conversion of Hitler's *Mein Kampf* to a delightful and pungent verse-satire. The result is an absolute triumph of the Comic Muse over intractable, almost hopeless material'.

The Forms of Historical Fiction

Waverley Books Limited

On a summer's day, Ellen returns to the coastal town she grew up in: Victory Point. Revisiting old haunts and people from her past, she feels increasingly disconnected from her previous life, and exhausted by her constant struggle to forge a path ahead. Exploring the town, Ellen searches for some comfort in her own history that could give her the strength to move forward in her own life. *Victory Point* explores the concept of how we live and choose to be remembered, asking whether we should strive for a higher calling, or if a simple,

domestic legacy is the most honest and admirable achievement we can hope for. Set in a town that is itself an architectural experiment, this graphic novel is a poignant and heartfelt search for meaning in life.

Literature of the Highlands Waverley Books Limited

The Waverley Scotland Tartan Cloth Commonplace Notebooks each with 176 pages (left blank, right ruled), acid-free, thread sewn, 80 gsm cream shade pages, are bound in genuine Scottish tartan cloth over board, with round cornered cover and book block corners, stained edges and a matching elastic enclosure. Each volume has a ribbon-marker and an expandable inner note holder made of cardboard and cloth, and removable booklet with background notes, with a Clan Map of Scotland, and with an individual bookmark, giving detail on the specific tartan used for the binding. The tartan cloth is supplied by and produced with the authority of Kinloch Anderson Scotland, holders of Royal Warrants of Appointment as Tailors and Kiltmakers to HM The Queen, HRH The Duke of Edinburgh and HRH The Prince of Wales.

A Scottish Tradition London, David Nutt

Includes 47 coloured plates of uniforms. *Traditions of Edinburgh* Waverley Books Limited

Essential reading for students and practitioners of urban design, this collection of essays introduces the 6 dimensions of urban design through a range of the most important classic and contemporary key texts. Urban design as a form of place making has become an increasingly significant area of academic endeavour, of public policy and professional practice. Compiled by the authors of the best selling Public Places

Urban Spaces, this indispensable guide includes all the crucial definitions and various understandings of the subject, as well as a practical look at how to implement urban design that readers will need to refer to time and time again.

Uniquely, the selections of essays that include the works of Gehl, Jacobs, and Cullen, are presented substantially in their original form, and the truly accessible dip-in-and-out format will enable readers to form a deeper, practical understanding of urban design.

Bird Cottage Pushkin Press

The Movie Brats is about power in the American film industry - how the legendary moguls lost it, and how a new young generation of filmmakers came to inherit it. The authors submit that social changes in America - and not just the advent of television - were the true cause of Hollywood's decline and tell how the movie brats - the first film school graduates and movie buffs to gain real power in the industry - took over the demoralized Hollywood of the 1960s and 1970s. Six top directors show how they succeeded and how the deals were made: Francis Coppola, George Lucas, Brian DePalma, John Milius, Martin Scorsese, Steven Spielberg.

In the summer of 1745 'Bonnie Prince Charlie', grandson of James VII and II landed on the Isle of Eriskay in the Outer Hebrides of Scotland. He would be the Jacobite Stuarts' last hope in the fight to regain the three kingdoms of England, Scotland and Ireland. A major new exhibition on Bonnie Prince Charlie and the Jacobites opens at the National Museum of Scotland, and tells a compelling story of love, loss, exile, rebellion and retribution. It will challenge many of the misconceptions that still

surround this turbulent period in European history. This book has eight specially commissioned essays on the Jacobites and includes a catalogue that showcases the rich wealth of objects in the exhibition. Exhibition: National Museums of Scotland, Edinburgh, UK (23.06.-12.11.2017).

Urban Design Reader London : Blackie
The idiosyncratic master Chester Brown continues his thoughts on sex work "The Bible is Chester Brown's holy harlot. He plumbs the mysteries of her depths while she schools him in the ways of love. Like all of Chester's work, *Mary Wept Over the Feet of Jesus* is confounding, yet addictive, instantly re-readable, and expands with revelations in his hundred pages of notes. A work of passion, research, and elegant clarity. My new favourite."—Craig Thompson, author of *Blankets* and *Habibi* "Chester Brown is both God's and the devil's gift to the world."—David Henry Sterry, author of *Hos*, *Hookers*, *Call Girls* and *Rent Boys* "Chester's work never fails to surprise and delight me. Since I always enjoy mythic and legendary tales of harlots, I knew I would like *Mary Wept Over the Feet of Jesus*, but I was pleased and impressed by the way he used all these stories to illustrate a larger theme about humanity's relationship to Divinity and the role my profession plays in that relationship. Chester shows that spirituality and sexuality, which are so often depicted in our culture as opposed to one another, are actually deeply intertwined."—Maggie McNeill, author of *The Honest Courtesan* The iconoclastic and bestselling cartoonist of *Paying for It: A comic-strip memoir about being a john* and *Louis Riel* returns and with a polemical interpretation of the Bible that will be one of the most controversial and talked-about graphic novels of 2016.

Mary Wept Over the Feet of Jesus is the retelling in comics form of nine biblical stories that present Chester Brown's fascinating and startling thesis about biblical representations of prostitution. Brown weaves a connecting line between Bathsheba, Ruth, Rahab, Tamar, Mary of Bethany, and the Virgin Mother. He reassesses the Christian moral code by examining the cultural implications of the Bible's representations of sex work. *Mary Wept Over the Feet of Jesus* is a fitting follow-up to Brown's sui generis graphic memoir *Paying for It*, which was reviewed twice in *The New York Times* and hailed by sex workers for Brown's advocacy for the decriminalization and normalization of prostitution. Brown approaches the Bible as he did the life of Louis Riel, making these stories compellingly readable and utterly pertinent to a modern audience. In classic Chester Brown fashion, he provides extensive handwritten endnotes that delve into the biblical lore that informs *Mary Wept Over the Feet of Jesus*.

Pickle the Spy Legare Street Press
The tartans of 72 Highland clans are presented in full-page, full-color, large-format illustrations. With a new introduction to tartans by J. Charles Thompson, Fellow of the Scottish Tartan Society and a noted authority in the field. A must for costume, textile and fashion designers and historians, and an eye-filling pleasure for all.

The Antiquary Waverley Books Limited
A story about friendships and commitment to one another so incredible you wouldn't believe it if it wasn't true. Kevan is just one of the guys. It's impossible to know him and not become a little more excited about life. He is an inspiring man permeated by

joy, unafraid of sorrow, full of vitality and life! His sense of humor is infectious and so is his story. He grew up, he says, at "belt-buckle level" and stayed there until Kevan's beloved posse decided to leave his wheelchair at the Atlanta airport, board a plane for France, and have his friends carry him around Europe to accomplish their dream to see the world together! Kevan's beloved posse traveled to Paris, England, and Ireland where, in the climax of their adventure, they scale 600 feet up to the 1,400-year-old monastic fortress of Skellig Michael. In *WE CARRY KEVAN* the reader sits with Kevan, one head-level above everyone else for the first time in his life and enjoys camaraderie unlike anything most people ever experience. Along the way they encounter the curiosity and beauty of strangers, the human family disarmed by grace, and the constant love of God so rich and beautiful in the company of good friends. *WE CARRY KEVAN* displays the profound power of friendship and self-sacrifice.

Scottish Politics Holt McDougal

This book explores examples of this process of invention and addresses the complex interaction of past and present in a fascinating study of ritual and symbolism.

Victory Point Courier Corporation

The popular image of Scotland is dominated by widely recognized elements of Celtic culture. But a significant non-Celtic influence on Scotland's history has been largely ignored for centuries? This book argues that much of Scotland's history and culture from 1100 forward is Jewish. The authors provide evidence that many of the national heroes, villains, rulers, nobles, traders, merchants, bishops, guild members, burgesses, and ministers of Scotland were of Jewish descent, their ancestors originating in France and Spain. Much of the traditional historical account of Scotland, it is proposed, rests on fundamental interpretive errors, perpetuated in order to affirm Scotland's identity as a Celtic, Christian society. A more accurate and profound understanding of Scottish history has thus been buried. The authors' wide-ranging research includes examination of census records, archaeological artifacts, castle carvings, cemetery inscriptions, religious seals, coinage, burgess and guild member rolls, noble genealogies, family crests, portraiture, and geographic place names.

Assembled in Light Northwestern University Press

Harry Shaw's aim is to promote a fuller understanding of nineteenth-century historical fiction by revealing its formal possibilities and limitations. His wide-ranging book establishes a typology of

the ways in which history was used in prose fiction during the nineteenth century, examining major works by Sir Walter Scott—the first modern historical novelist—and by Balzac, Hugo, Anatole France, Eliot, Thackeray, Dickens, and Tolstoy.
