Sleeping Murder

Berkley
One by one, the guests arrived at the mansion on Indian Island, summoned by a mysterious host. And one by one, with terrifying meticulousness, they were stalked by a cunning murderer. Utterly baffling...and yet there was a pattern, concealed in a nursery rhyme hanging

over the fireplace.

A Study Guide for Agatha Christie's "Murder on the Orient Express" Gale, Cengage Learning

Just after midnight, a snowdrift stops the Orient Express in its tracks. The luxurious train is surprisingly full for the time of the year, but by the morning it is one passenger fewer. Murder on the Orient Express Harper Collins Named a New York Times Best Book to Give The world's greatest detective, Hercule Poirot--legendary star of Agatha Christie's Murder on the Orient Express and Death on the Nile--returns to solve a delectably twisty mystery in this "masterful and multi-

layered puzzle...adding a new dimension to a much-loved series" (NPR). "Yet again, the diminutive man with the little gray cells delivers the goods." -- Wall Street Journal

Hercule Poirot is traveling by luxury passenger coach from London to the exclusive Kingfisher Hill estate. Richard Devonport has summoned the renowned detective to prove that his fiancée, Helen, is innocent of the murder of his brother, Frank. Poirot will have only days to investigate before Helen is hanged, but there is one strange condition attached: he must conceal his true reason for being there from the rest of the Devonport family. The coach is forced to stop when a distressed

woman demands to get off, insisting that if she stays in her seat, she will be murdered. Although the rest of the journey passes without anyone being harmed, Poirot's curiosity is aroused, and his fears are later confirmed when a body is discovered with a macabre note attached . . . Could this new murder and the peculiar incident on the coach be clues to solving the mystery of who killed Frank Devonport? And if Helen is innocent, can Poirot find the true culprit in time to save her from the gallows?

due to drop in at the excavation site. But with Louise suffering from terrifying hallucinations, and tension within the group becoming almost unbearable, Poirot might just be too late. . . .

Melodrama / 5m, 3f / Int. The author comes forth with another hit about a group of strangers stranded in a boarding house during a snow storm, one of

whom is a murderer. The suspects include the newly married couple who run the house, and the suspicions that are in their minds nearly wreck their perfect marriage. Others are a spinster with a curious background, an architect who seems better equipped to be a chef, a retired Army major, a strange little man who claims his car has overturned in a drift, and a jurist who makes life miserable for everyone. Into their midst comes a policeman, traveling on skis. He no sooner arrives, than the jurist is killed. Two down, and one to go. To get to the rationale of the murderer's pattern, the policeman probes the background of everyone present, and rattles a lot of

skeletons. Another famous Agatha Christie switch finish! Chalk up another superb intrigue for the foremost mystery writer of her time.

Murder at the Vicarage*

When Hercule Poirot and his sidekick Arthur Hastings arrive in the French village of Merlinville-sur-Mer to meet their client Paul Renauld they learn from Paris police that he has been found that morning stabbed in the back with a letter opener and left in a newly dug grave adjacent to a local golf course. Among the plausible suspects are Renauld's wife Eloise, his son Jack, an unknown visitor of the previous day, Renauld's immediate

neighbor Madame Daubreuil, and the mysterious "Cinderella" of Hasting's recent acquaintance—all of whom Poirot has reason to suspect. Poirot's powers of investigation ultimately triumph over the wiles of an assailant whose misdirection and motives are nearly—but not quite—impossible to spot. Contains a character key, a detailed biography, and an illustrated list of notable Poirot portrayals. Agatha Christie is the "Queen of Mystery" and the world's best-selling mystery writer. Over the course of more than half a century she wrote eighty crime novels and short story collections, nineteen plays, and several poetry collections. Her books have sold more

than a billion copies in the English language and another billion in a hundred other languages. Agatha Christie died in 1976. *The Science of Murder* Harper Collins
 In the title work in this collection of novellas, Poirot and Inspector Japp collaborate on the investigation of a suspicious suicide. The supernatural is said to play in the disappearance of top secret military plans in *The Incredible Theft* -- an incredible claim, indeed, as Poirot will prove. The bullet that kills Gervase Chevenix-Gore shatters a mirror in *Dead Man's Mirror* -- just the clue Poirot needs to solve the crime. And, while basking on white Mediterranean sands, Poirot stares trouble in the face -- the beautiful

face of Valentine Chantry, now celebrating her fifth marriage -- in Triangle at Rhodes.
