Club In story after story  
in this brilliant new  
collection, Alice Munro  
pinpoints the moment  
a person is forever  
altered by a chance  
encounter, an action  
not taken, or a simple  
twist of fate. Her  
characters are flawed  
and fully human: a  
soldier returning from  
war and avoiding his  
fiancée, a wealthy  
woman deciding  
whether to confront a  
blackmailer, an

adulterous mother and her neglected children, a guilt-ridden father, a young teacher jilted by her employer.

Illuminated by Munro's unflinching insight, these lives draw us in with their quiet depth and surprise us with unexpected turns. And while most are set in her signature territory around Lake Huron, some strike even closer to home: an astonishing suite of four autobiographical tales offers an unprecedented glimpse into Munro's own childhood. Exalted by her clarity of vision and her unparalleled gift for storytelling, *Dear Life* shows how strange, perilous, and extraordinary ordinary life can be.

*Noor's Story* Little,  
Brown  
When she was 19

months old, Helen Keller (1880-1968) suffered a severe illness that left her blind and deaf. Not long after, she also became mute. Her tenacious struggle to overcome these handicaps-with the help of her inspired teacher, Anne Sullivan-is one of the great stories of human courage and dedication. In this classic autobiography, first published in 1903, Miss Keller recounts the first 22 years of her life, including the magical moment at the water pump when, recognizing the connection between the word "water" and the cold liquid flowing over her hand, she realized that objects had names. Subsequent experiences were

equally noteworthy: her joy at eventually learning to speak, her friendships with Oliver Wendell Holmes, Edward Everett Hale and other notables, her education at Radcliffe (from which she graduated cum laude), and underlying all her extraordinary relationship with Miss Sullivan, who showed a remarkable genius for communicating with her eager and quick-to-learn pupil. These and many other aspects of Helen Keller's life are presented here in clear, straightforward prose full of wonderful descriptions and imagery that would do credit to a sighted writer. Completely devoid of self-pity, yet full of love and compassion for others, this deeply moving memoir offers an

unforgettable portrait of one of the outstanding women of the twentieth century. The Upside Atria Books #1 New York Times bestselling author Michael Moore returns with his first major book in eight years -- a blend of memoir, history, and politics that only he could write. "I had an unusually large-sized head, though this was not uncommon for a baby in the Midwest. The craniums in our part of the country were designed to leave a little extra room for the brain to grow in case one day we found ourselves exposed to something we didn't understand, like a foreign language, or a salad." Michael Moore-Oscar-winning filmmaker, bestselling author, the nation's

unofficial provocateur laureate-is back, this time taking on an entirely new role, that of his own meta-Forest Gump. Breaking the autobiographical mode, he presents twenty-four far-ranging, irreverent, and stranger-than-fiction vignettes from his own early life. One moment he's an eleven-year-old boy lost in the Senate and found by Bobby Kennedy; and in the next, he's inside the Bitburg cemetery with a dazed and confused Ronald Reagan. Fast-forwarding to 2003, he stuns the world by uttering the words "We live in fictitious times . . . with a fictitious president" in place of the expected "I'd like to thank the Academy." And none of that even comes close

to the night the friendly priest at the seminary decides to show him how to perform his own exorcism. Capturing the zeitgeist of the past fifty years, yet deeply personal and unflinchingly honest, *Here Comes Trouble* takes readers on an unforgettable, take-no-prisoners ride through the life and times of Michael Moore. No one will come away from this book without a sense of surprise about the Michael Moore most of us didn't know. Alternately funny, eye-opening, and moving, it's a book he has been writing-and living-his entire life.

In her first memoir, award-winning novelist Yiyun Li offers a journey of recovery through literature: a

letter from a writer to like-minded readers. “A meditation on the fact that literature itself lives and gives life.”—Marilynne Robinson, author of *Gilead* “What a long way it is from one life to another, yet why write if not for that distance?” Startlingly original and shining with quiet wisdom, this is a luminous account of a life lived with books. Written over two years while the author battled suicidal depression, *Dear Friend, from My Life I Write to You in Your Life* is a painful and yet richly affirming examination of what makes life worth living. Yiyun Li grew up in China and has spent her adult life as an immigrant in a country not her own. She has been a scientist, an

author, a mother, a daughter—and through it all she has been sustained by a profound connection with the writers and books she loves. From William Trevor and Katherine Mansfield to Søren Kierkegaard and Philip Larkin, *Dear Friend* is a journey through the deepest themes that bind these writers together. Interweaving personal experiences with a wide-ranging homage to her most cherished literary influences, Yiyun Li confronts the two most essential questions of her identity: Why write? And why live? Praise for *Dear Friend, from My Life I Write to You in Your Life* “Li has stared in the face of much that is beautiful and ugly and treacherous and

illuminating—and from her experience she has produced a nourishing exploration of the will to live willfully.”—The Washington Post “Li’s transformation into a writer . . . is nothing short of astonishing.”—The New York Times Book Review “An arrestingly lucid, intellectually vital series of contemplations on art, identity, and depression.”—The Boston Globe “Li is an exemplary storyteller and this account of her journey back to equilibrium, assisted by her closest companion, literature, is as powerful as any of her award-winning fiction, with the dark fixture of her Beijing past at its centre.”—Financial Times “Every writer is a reader first, and Dear

Friend is Li’s haunted, luminous love letter to the words that shaped her. . . . Her own prose is both lovely and opaque, fitfully illuminating a radiant landscape of the personal and profound.”—Entertainment Weekly “Yiyun Li’s prose is lean and intense, and her ideas about books and writing are wholly original.”—San Francisco Chronicle *The Worst Day of My Life Ever!* Chartwell This is the authorized, posthumous autobiography of the Queen of Salsa’s extraordinary—and until now, largely private—life. **My Story** Random House Winner of the PEN Center USA Literary Award for Creative Nonfiction From

Chicago to Mexico, the places Sandra Cisneros has lived have provided inspiration for her now-classic works of fiction and poetry. But a house of her own, a place where she could truly take root, has eluded her. In this jigsaw autobiography, made up of essays and images spanning three decades-and including never-before-published work-Cisneros has come home at last. Written with her trademark lyricism, in these signature pieces the acclaimed author of *The House on Mango Street* and winner of the 2019 PEN/Nabokov Award for Achievement in International Literature shares her transformative memories and reveals her artistic and intellectual influences. Poignant, honest, and

deeply moving, *A House of My Own* is an exuberant celebration of a life lived to the fullest, from one of our most beloved writers.

*My Life and Hard Times*

The autobiography of Helen Keller, who lost both sight and hearing by illness at nineteen months, and became a famous author and lecturer.

**What Should I Do with My Life?** Penguin

"For twenty-eight years, Pamela Paul has been keeping a diary that records the books she reads, rather than the life she leads. Or does it? Over time, it's become clear that this *Book of Books*, or *Bob*, as she calls him, tells a much bigger story. For Paul, as for many readers, books reflect her inner life--her fantasies and hopes,

her dreams and ideas. And her life, in turn, influences which books she chooses, whether for solace or escape, diversion or self-reflection, information or entertainment. My Life with Bob isn't about what's in those books; it's about the relationship between books and readers"--

With his mother's help, RJ learns that his problems happen because he doesn't listen or pay attention to directions from her, his school principal, teachers, or even his friends. Author Julia Cook's book shows RJ as well as all K-6 readers the steps to the fundamental social skills of listening and following instructions. When RJ learns to use these skills the right way, he has the best

day of his life! This book is the first in the BEST ME I Can Be! series to teach children social skills that can make home life happier and school more successful. The book includes tips for parents and educators on how to effectively teach listening and following instructions skills to kids.

My Life as a Book  
Farrar, Straus and Giroux (BYR)

A memoir of formative years spent on a series of communes: A "wonderful account of a frankly ghastly childhood . . . Hilarious and heartbreaking" (Daily Mail). At the age of six, Tim Guest was taken by his mother to a commune modeled on the teachings of the notorious Indian guru Bhagwan Shree Rajneesh. The

Bhagwan preached an eclectic doctrine of Eastern mysticism, chaotic therapy, and sexual freedom, and enjoyed inhaling laughing gas, preaching from a dentist's chair, and collecting Rolls Royces. Tim and his mother were given Sanskrit names, dressed entirely in orange, and encouraged to surrender themselves into their new family. While his mother worked tirelessly for the cause, Tim—or Yogesh, as he was now called—lived a life of well-meaning but woefully misguided neglect in various communes in England, Oregon, India, and Germany. In 1985 the movement collapsed amid allegations of mass poisonings, attempted murder, and

tax evasion, and Yogesh was once again Tim. In this extraordinary memoir, Tim Guest chronicles the heartbreaking experience of being left alone on earth while his mother hunted heaven. “An intelligent, wry, openhearted memoir of surviving a childhood and a cultural phenomenon that were both extraordinary.” —Booklist (starred review)

*More Than I Love My Life* Henry Holt

The Pulitzer Prize-winning, internationally acclaimed author of *American Pastoral* delivers a fierce tragedy of sexual need and blindness. • “Roth's best.” —Newsweek A fiction-within-a-fiction, a labyrinthine edifice of

funny, mournful, and harrowing meditations on the fatal impasse between a man and a woman, *My Life as a Man* is Roth's most blistering novel. At its heart lies the marriage of Peter and Maureen Tarnopol, a gifted young writer and the woman who wants to be his muse but who instead is his nemesis. Their union is based on fraud and shored up by moral blackmail, but it is so perversely durable that, long after Maureen's death, Peter is still trying—and failing—to write his way free of it. Out of desperate inventions and cauterizing truths, acts of weakness, tenderheartedness, and shocking cruelty, Philip Roth creates a work worthy of Strindberg.

### **My Life as a Goddess**

Henry Holt and Company (BYR) Summer's finally here, and Derek Fallon is looking forward to pelting the UPS truck with water balloons, climbing onto the garage roof, and conducting silly investigations. But when his parents decide to send him to Learning Camp, Derek's dreams of fun come to an end. Ever since he's been labeled a "reluctant reader," his mom has pushed him to read "real" books—something other than his beloved *Calvin & Hobbes*. As Derek forges unexpected friendships and uncovers a family secret involving himself (in diapers! no less), he realizes that adventures and surprises are around the corner, complete

with curve balls. My Life as a Book is a 2011 Bank Street - Best Children's Book of the Year.

### **A House of My Own**

Yonder

You Saved My Life tells the extraordinary true story of the charming Algerian con-man whose friendship with a disabled French aristocrat inspired the record-breaking hit film, The Intouchables (the American remake starring Kevin Hart and Bryan Cranston coming in 2018). Sellou's fictional reincarnation, Driss, played to critical acclaim by French comedian Omar Sy in the movie Les Intouchables, captured the hearts of millions. Already a bestseller in France and Germany, You Changed My Life shows us the real man behind Sy's edgy

charm. The book takes us from his childhood spent stealing candy from the local grocery store, to his career as a pickpocket and scam artist, to his unexpected employment as a companion for a quadriplegic. Sellou has never before divulged the details of his past. In many interviews and documentaries, he has evaded or shrugged off the question of his childhood and his stay in prison, until now. He tells his story with a stunning amount of talent, with humor, style, and though he denies that he has any humility. Sellou's idiosyncratic and candidly charming voice is magnificently captured in this memoir, a fact to which his friend

Philippe Pozzo di Borgo testifies in his touching preface to the book.

*Here Comes Trouble W. Briggs*

His initial attempts at writing fairy tales were revisions of stories that he heard as a child.

Andersen then brought this genre to a new level by writing a vast number of fairy tales that were both bold

and original. Initially they were not met with recognition, due partly to the difficulty in translating them and capturing his genius for humor and dark pathos.

**Dear Friend, from  
My Life I Write to  
You in Your Life** HMH

Following the success of his #1 New York Times bestseller *Make Your Bed*, which has sold over one million copies, Admiral William H. McRaven is back with amazing stories of bravery and heroism during his career as a Navy SEAL and commander of America's Special Operations Forces. Admiral William H. McRaven is a part of American military history, having been involved in some of the most famous missions in recent memory,

including the capture of Saddam Hussein, the rescue of Captain Richard Phillips, and the raid to kill Osama bin Laden. *Sea Stories* begins in 1963 at a French Officers' Club in France, where Allied officers and their wives gathered to have drinks and tell stories about their adventures during World War II—the place where a young Bill McRaven learned the value of a good story. *Sea Stories* is an unforgettable look back on one man's incredible life, from childhood days sneaking into high-security military sites to a day job of hunting terrorists and rescuing hostages. Action-packed, humorous, and full of valuable life lessons like those exemplified in McRaven's bestselling

*Make Your Bed*, *Sea Stories* is a remarkable memoir from one of America's most accomplished leaders. *The Story of Helen Keller* HarperCollins Supreme Court Justice Sonia Sotomayor tells her own story for young readers for the very first time! As the first Latina Supreme Court Justice, Sonia Sotomayor has inspired young people around the world to reach for their dreams. But what inspired her? For young Sonia, the answer was books! They were her mirrors, her maps, her friends, and her teachers. They helped her to connect with her family in New York and in Puerto Rico, to deal with her diabetes diagnosis, to cope with her father's death, to uncover the secrets of the world, and to

dream of a future for herself in which anything was possible. In *Turning Pages*, Justice Sotomayor shares that love of books with a new generation of readers, and inspires them to read and puzzle and dream for themselves. Accompanied by Lulu Delacre's vibrant art, this story of the Justice's life shows readers that the world is full of promise and possibility--all they need to do is turn the page. Praise for *Turning Pages*: \* "A sincere and insightful autobiography that also demonstrates the power of the written word. A winning addition to libraries that serve young readers." --School Library Journal, starred review "A personal and appealing book made

to inspire." --Booklist "A thoughtful introduction to both the power of reading and an inspiring role model." --Kirkus Reviews "This book would be great as a read-aloud for class discussions of the Supreme Court, or United States government, or of important people in public service. It would also be good for independent reading by students interested in biographies or political figures." --School Library Connection

PLEASE READ THIS! MY LIFE DEPENDS ON IT!

Okay, maybe that was a bit melodramatic, but I'm sorry, I'm feeling a bit melodramatic at the moment. Here's the deal. My name is

Brooklyn Pierce, I'm fifteen years old, and I am decisionally challenged. Seriously, I can't remember the last good decision I made. I can remember plenty of crappy ones though. Including that party I threw when my parents were out of town that accidentally burned down a model home. Yeah, not my finest moment, for sure. But see, that's why I started a blog. To enlist readers to make my decisions for me. That's right. I gave up. Threw in the towel. I let someone else decide which book I read for English. And whether or not I accepted an invitation to join the debate team from that cute-in-a-dorky-sort-of-way guy who gave me the Heimlich maneuver in the cafeteria. (Note to self: chew the melon

before swallowing it.) I even let them decide who I dated! Well, it turns out there are some things in life you simply can't choose or have chosen for you—like who you fall in love with. And now everything's more screwed up than ever. But don't take my word for it. Read the book and decide for yourself. You'll laugh, you'll cry, you'll scream in frustration. Or maybe that's just me. After all, it's my life.

### The Story of My Life

Knopf

From the author of *Exhalation*, an award-winning short story collection that blends "absorbing storytelling with meditations on the universe, being, time and space ... raises questions about the nature of reality and what it is to be

human" (The New York Times). *Stories of Your Life and Others* delivers dual delights of the very, very strange and the heartbreakingly familiar, often presenting characters who must confront sudden change—the inevitable rise of automatons or the appearance of aliens—with some sense of normalcy. With sharp intelligence and humor, Chiang examines what it means to be alive in a world marked by uncertainty, but also by beauty and wonder. An award-winning collection from one of today's most lauded

writers, *Stories of Your Life and Others* is a contemporary classic. Includes "Story of Your Life"—the basis for the major motion picture *Arrival*

**My Life at the Bottom** Boys Town Press

The dramatic story of the young girl who was taken from the world of silence to that of communication by her fearless teacher, Annie Sullivan. In her own words, Helen tells the heroic tale of what it was like to go from being deaf, blind and mute to a famous author and lecturer who spent her life working for the handicapped.
